# KoreHealth Kore 2.0 Elite Smartwatch Charging Stand User Manual

Comprehensive instructions for setting up, using, and maintaining your KoreHealth Kore 2.0 Elite Smartwatch Charging Stand. Learn about its features, installation, and care.

## 1. INTRODUCTION

This manual provides essential information for the proper use and care of your KoreHealth Kore 2.0 Elite Smartwatch Charging Stand. This stand is designed to securely hold your Kore 2.0 Elite Smartwatch while it charges, offering a stable and convenient placement solution. Please read these instructions carefully before use.
**Important Note:** This product is a charging stand only. The Kore 2.0 Elite Smartwatch and its magnetic charging cable (dongle) are sold separately and are required for charging functionality.

## 3. Setup Instructions

Setting up your KoreHealth Kore 2.0 Elite Smartwatch Charging Stand is a simple two-step process:

1. **Insert Charging Dongle:** Take your Kore 2.0 Elite magnetic charging dongle (sold separately) and snap it securely into the designated slot on the stand. Ensure the charging contacts are facing upwards and the cable exits through the back channel.

2. **Place Smartwatch:** Once the charging dongle is in place, gently rest your Kore 2.0 Elite Smartwatch onto the stand, aligning it with the magnetic charging dongle. The watch should sit securely, allowing the charging contacts to connect.

## 5. MAINTENANCE

To ensure the longevity and appearance of your charging stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, dry, or slightly damp cloth. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **Placement:** Place the stand on a flat, stable surface away from direct sunlight, extreme temperatures, and moisture.
- **Handling:** Handle the stand with care to prevent scratches or dents to its aluminum surface.

## 6. TROUBLESHOOTING

If you encounter any issues with your KoreHealth Kore 2.0 Elite Smartwatch Charging Stand, please refer to the following common solutions:

| Problem | Possible Cause | Solution |
|---|---|---|
| Smartwatch not charging when on stand. | The charging dongle is not properly inserted into the stand, or the smartwatch is not correctly aligned with the dongle's contacts. The charging dongle or cable may be faulty. | Ensure the magnetic charging dongle is fully seated in the stand's slot. Verify that the smartwatch is correctly placed on the dongle, making firm contact. Test the charging dongle and cable independently to confirm they are functional. Remember, the stand itself does not provide power; it only holds the charger. |
| Stand feels unstable or slides. | The stand is on an uneven surface, or the non-slip pads are dirty or worn. | Place the stand on a flat, level surface. Clean the non-slip pads on the bottom of the stand with a damp cloth to restore their grip. |
| Smartwatch does not fit securely on the stand. | The stand is designed exclusively for the Kore 2.0 Elite Smartwatch. It may not be compatible with other models. | Confirm that you are using a Kore 2.0 Elite Smartwatch. This stand is not universally compatible with other smartwatch models. |
