ATORPOK HGHD

ATORPOK Camping Cot User Manual

Model: HGHD

1. INTRODUCTION

This manual provides comprehensive instructions for the ATORPOK Camping Cot, designed for adults seeking a comfortable and portable sleeping solution. This lightweight folding bed features a removable cushion, a durable steel frame, and is engineered to support up to 450 lbs, making it suitable for various outdoor and indoor uses.

The ATORPOK Camping Cot is ideal for camping, hiking, tent sleeping, or as an extra bed for guests, offering quick setup and convenient storage.

2. SAFETY INFORMATION

Maximum Load Capacity: 450 lbs (approximately 204 kg).

- Ensure the cot is fully unfolded and all legs are securely locked in place before use.
- Distribute weight evenly across the cot surface. Avoid concentrating weight in one small area.
- Do not jump or stand on the cot.
- Keep children and pets away from the cot during setup and folding to prevent pinching.
- Regularly inspect the frame, fabric, and all connection points for any signs of wear, damage, or loose parts. Discontinue use if any damage is found.
- Use on a flat, stable surface to prevent tipping.
- Avoid exposing the cot to extreme temperatures or prolonged direct sunlight, which may degrade materials over time.

3. SETUP INSTRUCTIONS

The ATORPOK Camping Cot is designed for quick and easy setup, typically taking only a few seconds.

3.1 Unfolding the Cot

1. Remove the cot from its carry bag.
2. Place the folded cot on a flat surface.
3. Gently pull the two ends of the cot apart. The X-shaped legs will automatically extend and lock into position.
4. Ensure all leg supports are fully extended and stable before use.

4. OPERATING INSTRUCTIONS AND FEATURES

4.1 Removable Soft Cushion

The cot comes with a soft, removable cushion for enhanced comfort. This cushion can be used for extra padding or removed in warmer weather to increase air permeability and breathability of the cot's fabric.

Head 10%

Waist & Hip 70%

Legs 20%

REMOVABLE COTS PAD

5. MAINTENANCE AND CARE

- **Cleaning:** The cot's fabric can be easily cleaned by wiping it with a damp cloth. For stubborn stains, use a mild soap solution and rinse thoroughly. Allow to air dry completely before folding and storing.
- **Storage:** When not in use, fold the cot and store it in its provided carry bag in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically check all frame joints, rivets, and fabric for any signs of wear, tears, or damage. Ensure all moving parts operate smoothly.
- **Weight Limit:** Adhere strictly to the 450 lbs (204 kg) maximum load capacity to prevent damage to the cot and ensure user safety.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Cot does not unfold easily.	Legs or joints may be stiff or misaligned.	Ensure no obstructions. Apply gentle, even pressure to unfold. Check for debris in joints.
Cot feels unstable.	Not fully extended or placed on uneven ground.	Verify all X-shaped legs are fully locked. Move to a flat, stable surface.
Fabric appears loose or sagging.	Normal wear over time or excessive weight.	Ensure cot is fully extended. If sagging is significant and affects safety, discontinue use. Adhere to weight limit.

If you encounter issues not listed here, please refer to the Warranty and Support section for assistance.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Model Number	HGHD
Brand	ATORPOK
Material	Carbon Steel, Oxford Fabric
Product Dimensions (L x W x H)	75 x 27 x 13.8 inches (190.5 x 68.6 x 35.1 cm)
Item Weight	14.88 pounds (6.75 kg)
