> Homde Wall Mounted Wine Rack with 4-Bottle Liquor Dispenser (Regular Model)

## Homde Regular without LED

# Homde Wall Mounted Wine Rack with 4-Bottle Liquor Dispenser (Regular Model)

Model: Regular without LED

## 1. PRODUCT OVERVIEW

---

The Homde Wall Mounted Wine Rack is designed to provide a rustic and functional storage solution for your home bar or kitchen. It integrates wine bottle storage, stemware glass holders, and a 4-bottle liquor dispenser into a single unit.

Figure 1: Fully assembled Homde Wall Mounted Wine Rack with liquor bottles, glasses, and dispensers.

### Key Features:

- **All-in-One Design:** Combines wine rack, glass holder, wall-mounted storage, and beverage dispenser.
- **Sturdy Construction:** Made from 15mm thick spliced pine wood for enhanced durability and resistance to deformation.
- **Ample Storage:** The right shelf offers three layers for bottles, glasses, and bar tools, including slots for up to six goblets.
- **4-Bottle Dispenser:** The left side features four plastic liquor dispensers suitable for standard 0.7-1 liter bottles of various spirits.

## 2. SAFETY INFORMATION

### WARNING:

- Do not exceed the maximum load-bearing capacity of 33 lbs (15 kg) on the right shelf.
- Do not exceed the maximum load-bearing capacity of 22 lbs (10 kg) on the left dispensing area.
- Ensure proper installation into wall studs to prevent tipping or instability. Wall anchors alone may not be sufficient for heavy loads.
- Keep out of reach of children.

**Maximum load-bearing capacity: 55lbs**

**Left: 22lbs, Right: 33lbs**

High load-bearing capacity, safe and secure

The wooden design makes your living room or kitchen more rustic and impressive.  
Unlike standardized industrial products, the knots on the wood, it is spread by  
wood, so there's normal, and each knot is unique.

Figure 3: Illustration of the maximum load-bearing capacity: 22 lbs for the left dispensing area and 33 lbs for the right shelf.

### 3. SETUP AND INSTALLATION

---

The Homde Wall Mounted Wine Rack requires assembly and secure wall mounting. Refer to the included installation manual for detailed step-by-step instructions.

#### 3.1 Assembly

Follow the assembly instructions provided in the separate manual. Ensure all components are correctly aligned and tightened before mounting.

#### 3.2 Mounting to Wall

1. Identify suitable wall studs for secure mounting. It is recommended to drill into wall studs rather than relying solely on wall anchors, especially when the rack will hold full bottles.
2. Mark the drilling locations accurately using a level.
3. Drill pilot holes as per the manual's specifications.
4. Securely attach the wine rack to the wall using appropriate hardware (not specified in provided data, assume included with product).

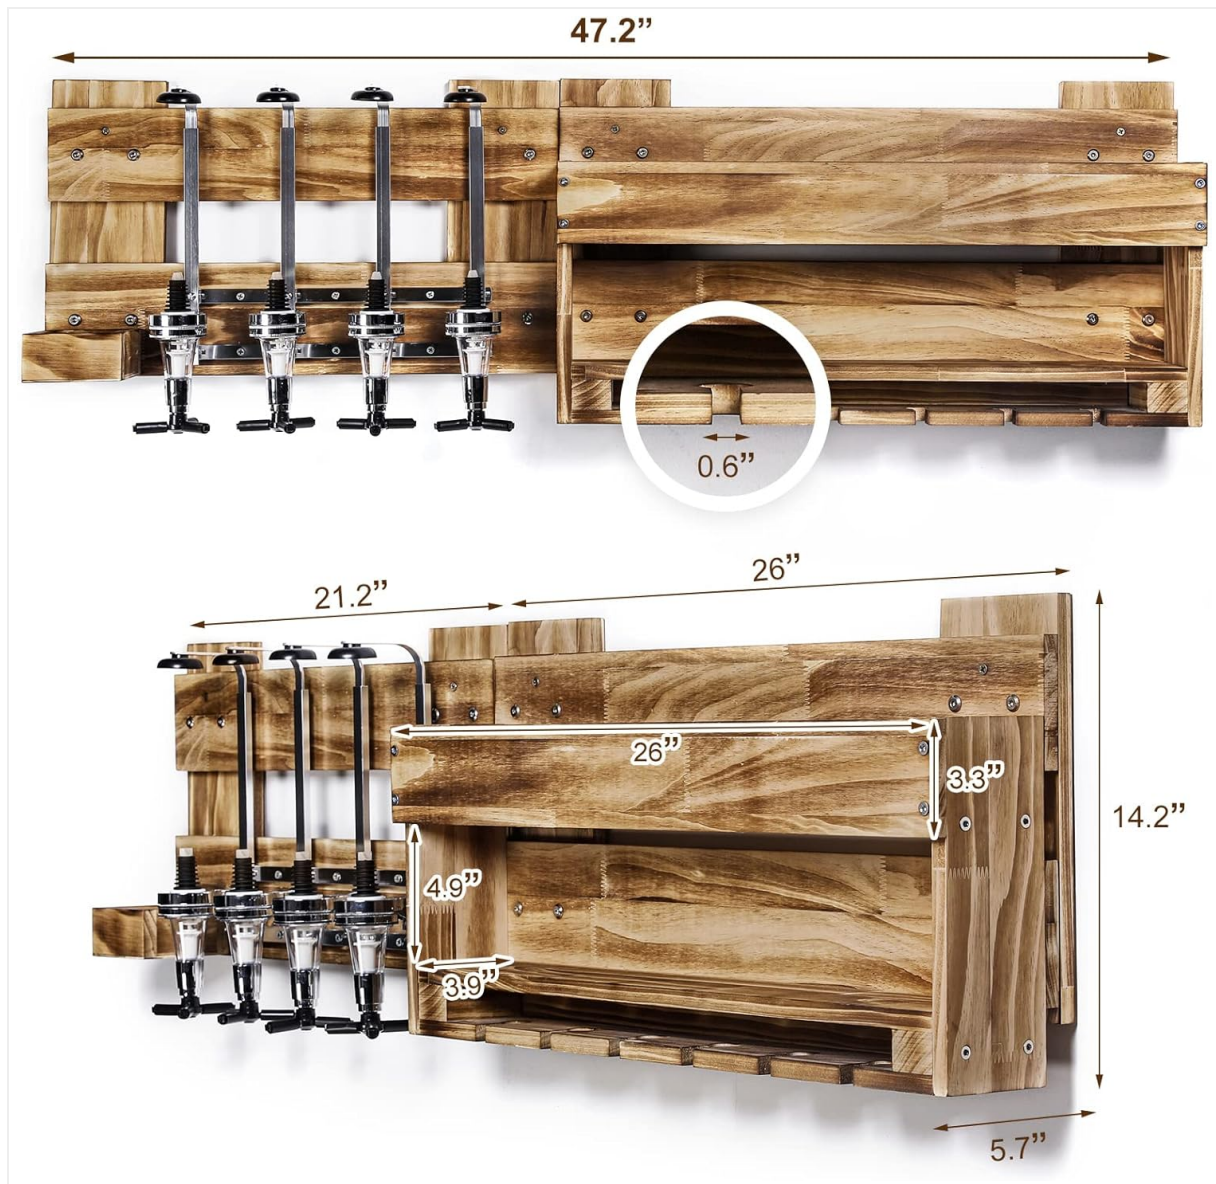

Figure 4: Product dimensions: 47.2 inches (length) x 14.2 inches (height) x 5.7 inches (depth).

## 4. OPERATING INSTRUCTIONS

### 4.1 Using the Liquor Dispensers

1. Remove the bottle from the dispenser by lifting it upwards.
2. Insert a standard 0.7-1 liter liquor bottle into the dispenser, ensuring a snug fit.
3. To dispense, place a glass directly under the dispenser nozzle.
4. Push the glass upwards against the lever to release a measured shot (typically 1.5 ounces).
5. Release the glass to stop the flow.

# Plastic Beverage Dispenser

1. Simply turn the valve to mix different types of beverages, make your own flavor cocktails or drinks

2. Made of good material, stable and durable

Figure 5: Close-up view of the plastic beverage dispenser, showing the mechanism for pouring drinks.

## 4.2 Arranging Bottles and Glasses

- Use the top layer of the right shelf for wine bottles or other liquor bottles. The raised guardrail helps prevent items from falling.
- The middle layer can accommodate additional glasses or bar tools.
- Hang up to six stemmed glasses in the slots provided on the bottom layer of the right shelf.

# Use separately

## Single-part use upon request

Its wooden design makes your living room or kitchen more rustic and impressive. Unlike standardized industrial products, the knots on the wood, it is spliced by wood, so that's normal, and each knot is unique.

Figure 6: The wine rack can be used as a single unit or separated into two parts for flexible arrangement.

## 5. MAINTENANCE

---

To maintain the appearance and functionality of your Homde Wine Rack:

- **Cleaning:** Wipe the wooden surfaces with a dry cloth. Avoid abrasive cleaners or excessive moisture.
- **Dispenser Care:** Periodically clean the plastic liquor dispensers. Disassemble them carefully, wash with warm soapy water, rinse thoroughly, and allow to dry completely before reassembling.
- **Inspection:** Regularly check all screws and mounting hardware to ensure they remain tight and secure.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your Homde Wall Mounted Wine Rack, consider the following:

- **Dispenser Leaking:** Ensure the bottle is properly seated in the dispenser and the rubber seals are intact. If leaking persists, check for cracks in the plastic components or wear on the seals.
- **Difficulty Dispensing:** Verify that the bottle is not empty and that the dispenser mechanism moves freely. Obstructions or sticky residue can hinder operation.

- **Rack Instability:** Re-check all mounting points and ensure the rack is securely fastened to wall studs. Overloading the shelves can also cause instability. Refer to the load-bearing capacities in the Safety Information section.
