

vinlley F-ES06

Vinlley Wireless Earbuds User Manual

Model: F-ES06 | Brand: Vinlley

1. INTRODUCTION

Thank you for choosing Vinlley Wireless Earbuds. These earbuds are designed to provide a premium audio experience with advanced features such as Bluetooth 5.1 connectivity, intuitive touch controls, noise cancellation, and a long-lasting battery. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

2. PRODUCT FEATURES

- **Enhanced Sound Quality:** Each earbud features two microphones combined with noise cancellation technology, effectively blocking 80% of background noise and enhancing your voice for clear communication.
- **Extended Playtime:** Enjoy up to 7 hours of listening on a single charge, with the compact Type-C charging case extending total playtime to 42 hours.
- **One-Step Pairing & Touch Control:** Earbuds automatically connect to each other when removed from the case. Intuitive touch controls allow easy management of media, calls, volume, and voice assistants.
- **IPX7 Waterproof:** With a nano-coating, these earbuds are sweat-proof and suitable for strenuous workouts and various weather conditions, making them ideal for running, yoga, and gym activities.

3. PACKAGE CONTENTS

Upon opening your Vinley Wireless Earbuds package, you should find the following items:

- Vinley Wireless Earbuds (Left and Right)
- Charging Case
- Micro USB Charging Cable

- 3 Pairs of Silicone Ear Tips (Small, Medium, Large)
- Instruction Manual

4. SETUP GUIDE

4.1 Initial Charging

Before first use, ensure both the earbuds and the charging case are fully charged. Place the earbuds into the charging case and connect the case to a power source using the provided Micro USB cable. The indicator lights on the case will show charging status.

Image: The charging case connected via a USB-C cable to a laptop, indicating the charging port.

4.2 Pairing with Your Device

1. **Step 1:** Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. **Step 2:** On your smartphone, tablet, or computer, enable Bluetooth.
3. **Step 3:** Search for available Bluetooth devices. Select "Vinley ES06" (or similar name) from the list.
4. **Step 4:** Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

6. MAINTENANCE AND CARE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh

chemicals or abrasive materials.

- **Ear Tips:** Remove and clean the silicone ear tips periodically with water and mild soap. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them and keep them charged.
- **Water Resistance (IPX7):** The earbuds are IPX7 water-resistant, meaning they can withstand sweat and splashes. However, they are not designed for swimming or prolonged submersion. Ensure the charging port is dry before charging.

Image: The earbuds and charging case covered in water droplets, illustrating their IPX7 water resistance.

7. TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Place them back in the case, close, then reopen. Delete "Vinlley ES06" from your device's Bluetooth list and try pairing again.
Only one earbud working	Place both earbuds back in the charging case, close the lid for 5 seconds, then open. This should re-sync them. Check battery level of both earbuds.
No sound	Check device volume and earbud volume. Ensure earbuds are properly connected to your device. Try restarting your device.
Charging case not charging	Ensure the Micro USB cable is securely connected to both the case and the power source. Try a different cable or power adapter.

If you encounter issues not listed here or solutions do not resolve your problem, please contact customer support for assistance.
