## SAFETY INFORMATION

To ensure safe operation and prevent damage, observe the following precautions:

- Do not disassemble the charger. Servicing should only be performed by qualified personnel.
- Keep the charger away from water and moisture.
- Use only with compatible batteries as specified in this manual.
- Avoid extreme temperatures. Operate and store the charger in a dry, well-ventilated area.
- Unplug the charger from the power outlet when not in use or during electrical storms.
- This charger incorporates multiple protection features including over-charging, short-circuit, high-temperature, and surge protection.

## PACKAGE CONTENTS

---

Verify that all items are present in your package:

- 1x Powerextra 4-Channel Battery Charger
- 1x AC Power Cable
- 1x Microfiber Cleaning Cloth

## Package Contents

- 1x AC Cable
- 1x 4-Channel Charger
- 1x Microfiber Cleaning Cloth

Image: The charger, AC cable, and cleaning cloth neatly arranged next to the product box.

## SETUP

1. **Connect the AC Power Cable:** Insert one end of the provided AC power cable into the charger's power input port.

Image: Close-up of the charger's power input port.

2. **Plug into Power Outlet:** Plug the other end of the AC power cable into a standard wall outlet (100-240V, 50/60Hz). The charger's LCD display will illuminate.

Image: Visual steps showing how to insert batteries and connect the charger to a power source.

## OPERATING INSTRUCTIONS

1. **Insert Batteries:** Carefully insert up to four compatible Sony NP-F series batteries into the charging slots. Ensure the battery is oriented correctly according to the arrows on the charger.

Image: A hand inserting a battery into one of the charger's slots.

2. **Monitor Charging Status:** The LCD display will show the charging status for each battery individually.

- The display indicates the current charge level (0-25%, 25-50%, 50-75%, 75-100%).
- "CHG" indicates charging in progress.
- "ERROR" indicates a charging error.
- "DISCHG" indicates discharging (if applicable, though this model primarily charges).

## COMPATIBILITY

---

This charger is compatible with the following Sony NP-F series batteries:

- NP-F550
- NP-F570
- NP-F750
- NP-F770
- NP-F930
- NP-F950
- NP-F960
- NP-F970
- NP-F975

It is suitable for use with Sony Handycams, LED video lights, and field monitors that utilize these battery types.

## KEY FEATURES

---

- **4-Channel Simultaneous Charging:** Efficiently charges up to four batteries at once.
- **Intelligent LCD Display:** Provides real-time battery power status and charging indication for each slot.
- **Advanced Safety Protections:** Built-in safeguards against over-charging, short-circuiting, high temperatures, and power surges.
- **Wide Voltage Input:** Supports 100-240V, 50/60Hz power input for global use.
- **Compact Design:** Designed for portability and convenience.

# Innovative Design

Allowing for charging 4 batteries at the same time

Image: The charger with four batteries inserted, highlighting its innovative design for simultaneous charging.

## SPECIFICATIONS

Feature	Detail
Model Number	NP-F970
Input	100-240V, 50/60Hz, 60W Max
Output	DC 8.4V 1000mA x 4
Product Dimensions	7.28 x 5.03 x 1.25 inches (18.49 x 12.78 x 3.18 cm)
Item Weight	10.6 ounces (300 grams)
Manufacturer	Powerextra

## Compact Size to Carry

Image: The charger with its dimensions (5.03 in, 7.28 in, 1.25 in) highlighted, showing its compact size.

## TROUBLESHOOTING

- **Charger not powering on:** Ensure the AC power cable is securely connected to both the charger and a working wall outlet.
- **Battery not charging:**
  - Verify the battery is correctly inserted into the slot.
  - Check if the battery is compatible with the charger.
  - If the LCD shows "ERROR", the battery might be faulty or severely discharged. Try another battery.
- **Slow charging:** Ensure the power source is stable and meets the input specifications.

## MAINTENANCE

- **Cleaning:** Use the provided microfiber cleaning cloth to gently wipe the charger's surface. Do not use liquid cleaners or solvents.
- **Storage:** Store the charger in a cool, dry place away from direct sunlight and extreme temperatures.

when not in use.

- **Battery Care:** For optimal battery life, avoid fully discharging batteries frequently.

## WARRANTY & SUPPORT

---

Powerextra is committed to customer satisfaction. If you encounter any issues or have questions regarding your product, please contact Powerextra customer service for assistance. Refer to the product packaging or the official Powerextra website for specific warranty details and contact information.

Customer Service: Powerextra is a trustworthy brand that focuses on the customer experience. If you have any questions about the product or it is not clear, please feel free to contact us, we are at your service 24 hours. We listen to every feedback and fine-tune every detail to ensure quality.
