

Weehom B09MLXM3FY

Weehom Full Size Platform Bed Instruction Manual

Model: B09MLXM3FY
Brand: Weehom

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your Weehom Full Size Platform Bed. Please read these instructions carefully before assembly and retain them for future reference.

Key Features:

- Full Size Platform Bed with unique flower design.
- Strong metal slats support, eliminating the need for a box spring.
- Easy assembly process.
- Ample 11.2-inch under-bed storage space.
- Heavy-duty construction with a maximum capacity of 600 lbs.

SAFETY INFORMATION

Important: Do not exceed the maximum weight capacity of 600 lbs. Be cautious of sharp edges during assembly and use. Ensure all connections are securely tightened before use.

SETUP AND ASSEMBLY

The Weehom Full Size Platform Bed is designed for easy assembly with no additional tools required. For optimal ease and safety, it is recommended that two adults perform the assembly.

Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts from the packaging. Verify that all components are present according to the parts list (not provided in this manual, refer to your product packaging).
2. **Connect Headboard and Footboard:** Attach the headboard and footboard sections to the main side rails. Ensure that all screws are inserted loosely at this stage to allow for adjustment.
3. **Install Support Legs:** Securely attach any central support legs to the frame as indicated in the product diagram.
4. **Insert Slats:** Place the metal slats into their designated positions on the bed frame. Ensure they are evenly spaced and securely seated.
5. **Tighten All Connections:** Once all parts are aligned and in place, systematically tighten all screws and bolts. Do

not overtighten.

This image highlights the reinforced metal structure for durability, the simple connection points for easy assembly, the design to prevent mattress slippage, and the anti-friction feet for noise reduction.

The bed frame incorporates sturdy metal slats and multiple support legs to provide a stable foundation for the mattress without the need for a box spring.

OPERATING INSTRUCTIONS

Your Weehom Full Size Platform Bed is designed for straightforward use.

- **Mattress Placement:** Place your full-size mattress directly onto the metal slats. A box spring is not required. The frame includes features to help prevent mattress slippage.
- **Weight Capacity:** The bed frame is designed to support a maximum weight of 600 lbs, including the mattress and occupants. Do not exceed this limit.
- **Under-bed Storage:** Utilize the 11.2 inches of clearance beneath the bed for storage. This space is suitable for storage bins, boxes, or other items.

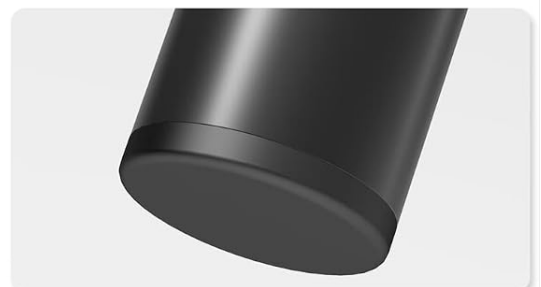

Reinforced Structure

Easy Assembly

Anti-slipping Mattress

Anti-friction Noise Free

The design provides 11.2 inches of clearance beneath the bed frame, offering ample space for storage containers.

MAINTENANCE

To ensure the longevity and optimal performance of your Weehom Platform Bed, follow these maintenance guidelines:

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Regular Inspection:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Avoid Excessive Force:** Do not jump on the bed or apply excessive force, as this can compromise the structural integrity of the frame.

TROUBLESHOOTING

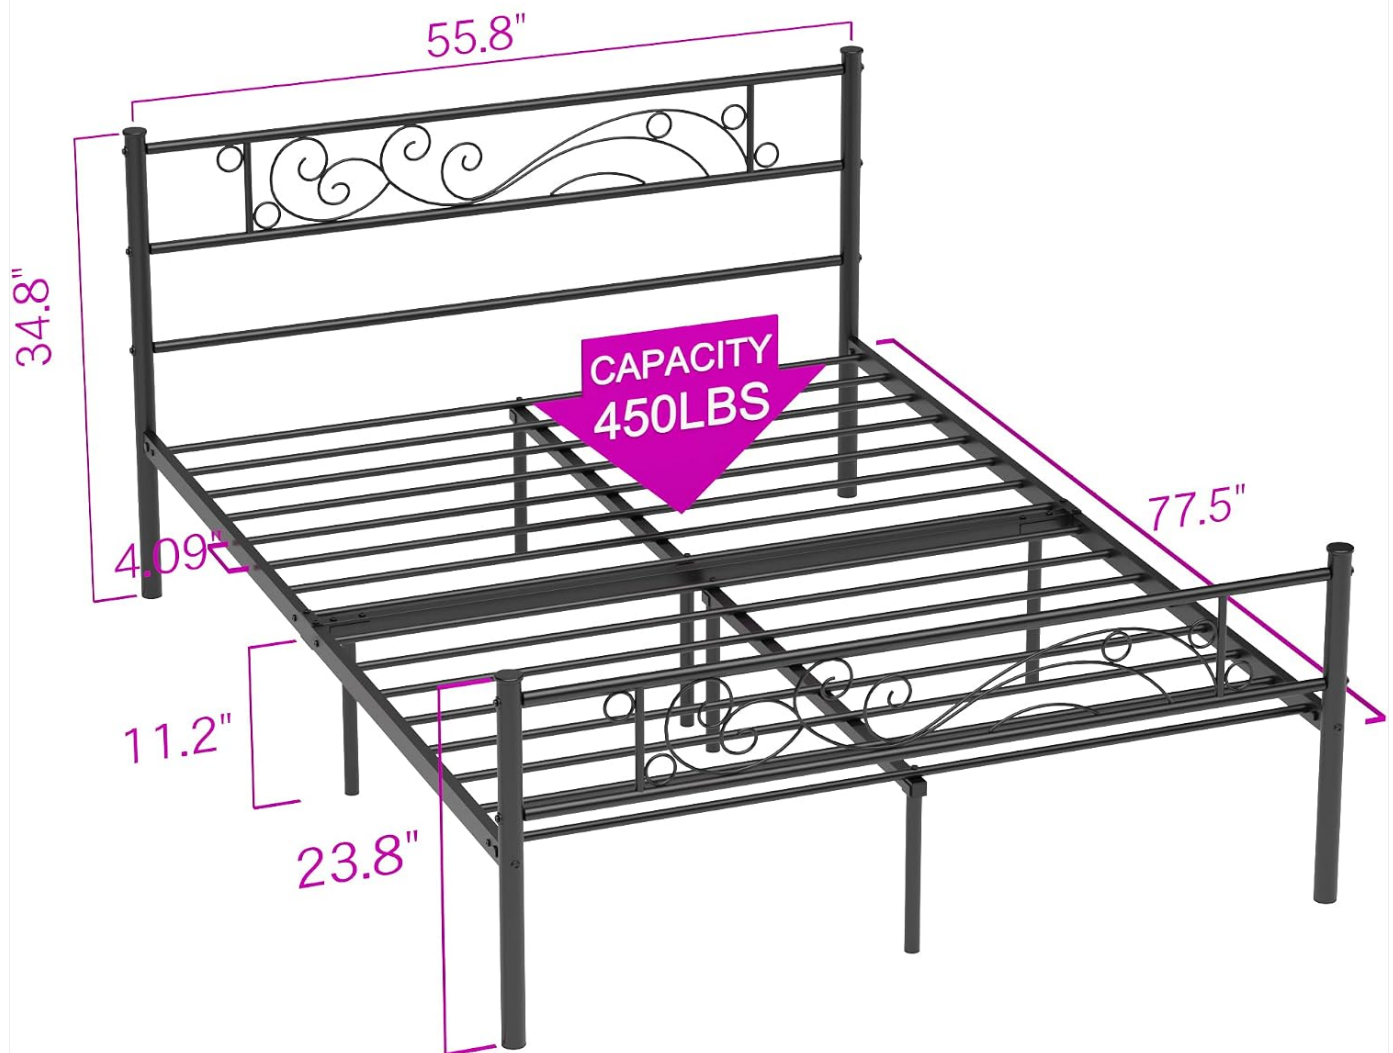

If you encounter any issues with your Weehom Platform Bed, refer to the following common troubleshooting tips:

- **Squeaking Noises:** If the bed frame begins to squeak, check all connection points. Loosen and then re-tighten all bolts and screws. Ensure the frame is on a level surface.
- **Parts Not Aligning During Assembly:** If parts do not seem to line up, ensure that all screws are initially inserted loosely. This allows for minor adjustments to align components before final tightening.
- **Missing Hardware:** In the event of missing hardware, please contact Weehom customer support for assistance.

SPECIFICATIONS

Feature	Detail
Size	Full
Product Dimensions	77.5"L x 55.8"W x 34.8"H
