Key Features:

- **Motorized Height Adjustment:** Easily switch between sitting and standing with a digital control panel.
- **Memory Presets:** Save up to three preferred height settings for quick adjustments.
- **Durable Construction:** Features an aluminum alloy T-shaped frame and P2 Standard particleboard with a carbon texture surface.

- **Integrated Accessories:** Includes a cup holder and headphone hook for an organized workspace.
- **Wire Management:** Built-in cable management solutions to keep your desk tidy.
- **Safety Features:** Fillet edges on table corners and non-slip bushes for stability and floor protection.

2. SETUP AND ASSEMBLY

The Green Soul Trigger Height Adjustable Standing Desk requires assembly. Green Soul provides complimentary installation services. Their team will contact you within 3 days of your order delivery to schedule a convenient installation time. Please note that installation services are subject to technician availability in your location.

For those who prefer self-assembly or wish to understand the process, the following video provides a visual guide to the assembly and features of the desk.

- **Adjusting Height:** Press the **Up (▲)** or **Down (▼)** arrow buttons to move the desk to your desired height. The current height will be displayed on the digital screen.
- **Setting Memory Presets:**
 1. Adjust the desk to your desired sitting or standing height.
 2. Press the **M** button. The display will show 'S-'.
 3. Immediately press one of the numbered preset buttons (1, 2, or 3) to save the current height to that preset. The display will confirm the save.
- **Using Memory Presets:** Simply press the corresponding numbered preset button (1, 2, or 3) to automatically move the desk to your saved height.

4. MAINTENANCE

To ensure the longevity and appearance of your Green Soul Trigger Height Adjustable Standing Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the carbon fiber finish or other materials.
- **Motor Care:** The electric motor is designed for durability. Avoid overloading the desk beyond its maximum weight capacity of 80 kg.
- **Regular Checks:** Periodically check all screws and connections to ensure they are secure. Tighten if necessary.

5. TROUBLESHOOTING

If you encounter any issues with your Green Soul Trigger Height Adjustable Standing Desk, please consider the following:

- **Desk Not Moving:** Check if the power cable is securely plugged into both the desk and the wall outlet. Ensure there are no obstructions preventing the desk from moving freely.
- **Error Codes:** If the digital display shows an error code, refer to the full troubleshooting guide available on the Green Soul website or contact customer support.
- **Uneven Movement:** Ensure the desk is placed on a level surface. If the issue persists, contact customer support.

For further assistance, please refer to the Warranty and Support section.
