Hermitshell Sn30

Hermitshell Hard Travel Case for 8Bitdo Sn30 Pro Bluetooth Gamepad

Model: SN30 PRO-SN

1. PRODUCT OVERVIEW

This Hermitshell hard travel case is specifically designed to provide robust protection for your 8Bitdo Sn30 Pro Bluetooth Gamepad. It safeguards your device from bumps, dents, and scratches during transport and storage, ensuring its longevity and pristine condition.

Key Features

- Hard travel storage carrying case.
- Protects your device from bumps, dents, and scratches.
- Specifically molded to fit the 8Bitdo Sn30 Pro Bluetooth Gamepad.
- Outside dimensions: 6.4 x 3.4 x 2.2 inches.
- Case only; gamepad and other accessories are sold separately.

This image displays the Hermitshell hard travel case, showcasing its compact closed form and its interior with an 8Bitdo Sn30 Pro gamepad securely placed inside. It highlights the custom fit and protective design.

2. SETUP AND OPERATING INSTRUCTIONS

Inserting Your Gamepad

To properly secure your 8Bitdo Sn30 Pro Bluetooth Gamepad, open the case fully using the durable zipper. Carefully place the gamepad into the molded interior, ensuring it sits snugly within the designated contours for maximum protection.

For sale is case only
Device is not included

This image shows the Hermitshell hard travel case opened, with an 8BitDo Sn30 Pro Bluetooth Gamepad placed securely within its custom-molded interior. The gamepad fits precisely, indicating optimal protection.

Storing Accessories

The case features an internal space designed to hold small accessories such as charging cables. Ensure cables are neatly coiled to prevent damage to the gamepad or the case lining.

This image illustrates the interior of the open Hermitshell case, with the 8Bitdo Sn30 Pro Bluetooth Gamepad in place and a coiled charging cable stored in the accessory compartment. This demonstrates the case's capacity for both the device and its essential accessories.

Securing and Carrying

Once the gamepad and any accessories are placed inside, close the case completely using the durable zipper. The case is designed for portability and can be easily carried by hand or attached to a bag using its integrated loop.

This image shows the Hermitshell hard travel case securely attached to a backpack strap using a carabiner clip. This highlights the case's portability and ease of attachment to other gear for convenient transport.

Product Demonstration Video

This video demonstrates the process of placing an 8Bitdo Sn30 Pro Bluetooth Gamepad and its charging cable into the Hermitshell hard travel case. It also shows the case being closed and its compact, portable design, including how it can be attached to a bag.

3. MAINTENANCE

Cleaning Instructions

To clean the exterior of the case, wipe with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Allow the case to air dry completely before storing your device.

Storage

Store the case in a cool, dry place away from direct sunlight and extreme temperatures to preserve its material

integrity and extend its lifespan.

4. TROUBLESHOOTING

Gamepad Does Not Fit

- Ensure you are using the correct model of gamepad (8Bitdo Sn30 Pro Bluetooth Gamepad). This case is specifically molded for this model.
- Check for any obstructions inside the case or on the gamepad that might prevent a proper fit.

Zipper Issues

- If the zipper feels stiff, apply a small amount of zipper lubricant or wax.
- Avoid forcing the zipper if it catches; gently work it back and forth to clear any snags.
