6. MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your Vente-unique Manoa Sofa.

Faux Leather Care:

- **Regular Cleaning:** Dust the surface regularly with a soft, dry cloth.
- **Spills:** For spills, immediately blot with a clean, dry cloth. Do not rub, as this can spread the stain.
- **Cleaning Stains:** For more stubborn stains, use a mild soap solution (e.g., diluted dish soap) on a damp cloth. Gently wipe the affected area, then wipe clean with a fresh, damp cloth, and dry thoroughly. Avoid abrasive cleaners, solvents, or harsh chemicals.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the faux leather to fade or crack over time. Position the sofa away from direct sunlight or use curtains/blinds.
- **Avoid Sharp Objects:** Keep sharp objects away from the faux leather to prevent punctures or tears.
- **Pet Care:** If you have pets, consider using protective covers to prevent scratches or damage from claws.

General Maintenance:

- **Rotate Cushions:** If possible, rotate and fluff seat and back cushions periodically to ensure even wear and maintain their shape.
- **Check Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary.

 - Creaking can occur if joints are loose. Re-tighten all assembly hardware.
