SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten if necessary.

- Do not allow children to play on or around the conversion mechanism.
- Distribute weight evenly on the sofa and bed to prevent damage.
- Keep hands and fingers clear of moving parts during conversion.

SETUP AND ASSEMBLY

Your Vente-unique CALITO sofa bed requires assembly. It is recommended that two adults perform the assembly. Please ensure all components are present before starting.

Unpacking

1. Carefully remove all packaging materials. Do not use sharp objects that could damage the fabric or frame.
2. Lay out all components on a clean, soft surface to prevent scratches.
3. Verify that all parts listed in the included hardware and parts list are present.

Assembly Steps (General)

While specific instructions are provided with your product, general steps for sofa bed assembly typically include:

1. Attach the armrests to the main sofa frame.
2. Secure the backrest to the frame.
3. Install the legs or feet to the base of the sofa.
4. Place the seat cushions and back cushions onto the assembled frame.
5. Ensure the mattress is correctly positioned within the conversion mechanism.

OPERATING THE CONVERTIBLE MECHANISM

The CALITO sofa features an express convertible mechanism, allowing quick transformation from sofa to bed and vice versa.

Converting from Sofa to Bed

1. Remove all cushions from the sofa seat and backrest.
2. Locate the handle positioned behind the back cushions.
3. Firmly pull the handle upwards and outwards. The bed frame and mattress will begin to unfold.
4. Continue pulling until the bed frame is fully extended and the legs are securely locked into place.
5. Ensure the mattress is flat and properly supported before use.

Converting from Bed to Sofa

1. Remove any bedding from the mattress.
2. Lift the bed frame slightly from the foot end and push it inwards towards the sofa base.
3. Guide the mechanism as it folds back into the sofa frame. Ensure all parts retract smoothly.
4. Once fully folded, replace the seat and back cushions.

CARE AND MAINTENANCE

General Care

- Regularly dust the sofa with a soft, dry cloth.
- Avoid direct sunlight exposure to prevent fading.

- Keep the sofa away from heat sources and excessive moisture.

Cleaning Instructions

- For spills or stains, immediately blot the area with a clean, dry cloth.
- For spot cleaning, use a damp cloth with a mild soap solution. Test on an inconspicuous area first.
- Do not use harsh chemicals, abrasive cleaners, or excessive water, as this may damage the material.
- Allow the cleaned area to air dry completely.

Mechanism Maintenance

- Periodically check the conversion mechanism for any loose bolts or screws and tighten them as needed.
- Ensure the mechanism is free of debris that could hinder smooth operation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Sofa mechanism is stiff or difficult to operate.	Mechanism not aligned; debris in moving parts; lack of lubrication.	Ensure all cushions are removed. Check for obstructions. Gently try to realign. If persistent, contact support.
Sofa feels unstable or wobbly.	Loose fasteners; uneven floor.	Check and tighten all assembly bolts and screws. Ensure the sofa is on a level surface.
Stains on upholstery.	Spill not cleaned immediately; improper cleaning agent.	Refer to the "Cleaning Instructions" section. For stubborn stains, consult a professional upholstery cleaner.
