TVON Mobile TV Stand

TVON Heavy Duty Rolling TV Stand Instruction Manual

Model: Mobile TV Stand

1. Introduction

Thank you for choosing the TVON Heavy Duty Rolling TV Stand. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new TV stand. Please read these instructions carefully before beginning assembly and retain them for future reference.

This TV stand is designed to accommodate large televisions from 50 to 98 inches, supporting up to 200 lbs. It features a robust alloy steel frame, a spacious storage shelf, and lockable wheels for easy mobility. The stand also offers height adjustment and integrated cable management for a clean setup.

2. Safety Information

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or defective.
- Follow all assembly steps precisely. Incorrect assembly can lead to instability and potential injury.
- Do not exceed the maximum weight capacity of 200 lbs for the TV or 33 lbs for the storage shelf.
- Always ensure the TV is securely mounted to the VESA brackets.
- When moving the stand, ensure the path is clear and move slowly to prevent tipping. Lock the wheels once the stand is in its desired position.
- Keep children and pets away from the stand during assembly and movement.

3. Package Contents

Please verify that all parts listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Base Frame Components
- Vertical Support Poles (Double Columns)
- TV Mounting Brackets (VESA compatible)
- Adjustable Storage Shelf
- Lockable Caster Wheels (4 units)
- Hardware Kit (screws, washers, nuts, wrenches)
- Cable Management Ties
- Instruction Manual

4. Setup and Assembly

Assembly of the TVON Rolling TV Stand is designed to be straightforward, typically taking around 20 minutes. All necessary tools and a detailed, easy-to-follow instruction manual are included. Each part is numbered to facilitate quick identification during assembly.
Before assembly, ensure your TV is compatible with the stand's specifications:

- **TV Size:** 50-98 inches
- **Max Weight:** 200 lbs
- **VESA Patterns:** 100x100mm to 800x600mm (Width x Height)

5. Operating Instructions

5.1 Height Adjustment

The flexible brackets allow for height adjustment of the TV from 63.5 inches to 70.6 inches (measured from the floor to the middle of the screen). This feature enables you to set the optimal viewing angle for various environments.

5.2 Mobility and Locking Wheels

The TV stand is equipped with lockable caster wheels, providing excellent sturdiness and maneuverability. These wheels allow the stand to roll smoothly and quietly across various floor types, including carpet and tile, without causing scratches. To secure the stand in place, simply engage the locks on all four wheels.

Image 5.2: Detail of the smooth, lockable, and non-scratch wheels.

5.3 Storage Shelf

The high-quality MDF AV shelf can support up to 33 lbs, providing ample space for your media devices such as DVD players, soundbars, gaming systems, and other accessories. The shelf is also height-adjustable to suit your needs.

5.4 Cable Management

Integrated cable management features help organize and conceal messy cables, contributing to a clean and tidy environment around your TV setup.

6. Maintenance

- Regularly check all screws and connections to ensure they remain tight and secure.
- Clean the stand with a soft, dry cloth. Avoid abrasive cleaners or solvents that could damage the finish.
- Inspect the wheels periodically for any debris or wear that might affect mobility.

7. Troubleshooting

7.1 Stand Instability

- Ensure all assembly screws are tightened properly.
- Verify that the TV weight does not exceed the maximum capacity of 200 lbs.
- Check that the TV is centered on the mounting brackets.

7.2 Difficulty Moving the Stand

- Confirm that all caster wheels are unlocked.
- Check for any obstructions or debris around the wheels.

7.3 TV Not Level

- Re-check the installation of the TV mounting brackets to ensure they are level.
- Adjust the height settings evenly on both sides if applicable.

8. Specifications

Feature	Specification
Brand	TVON
Model Number	Mobile TV Stand

Feature	Specification
Mounting Type	Floor Mount (with wheels for mobility)
