

SoundPEATS Watch1 Charging Cable

SoundPEATS Watch1 Charging Cable Instruction Manual

Model: Watch1 Charging Cable

INTRODUCTION

This manual provides essential instructions for the proper use and maintenance of your SoundPEATS Watch1 Magnetic USB Charging Cable. This cable is specifically designed for the SoundPEATS Watch1 Smart Watch Fitness Tracker 1.4 Inches, ensuring efficient and safe charging.

SETUP

Follow these steps to set up and begin charging your SoundPEATS Watch1:

1. Unpack the SoundPEATS Watch1 charging cable from its packaging.
2. Connect the USB-A end of the charging cable to a compatible power source. This can be a USB wall adapter (5V/1A recommended), a computer's USB port, or a power bank.
3. Align the magnetic charging pins on the charging puck with the corresponding charging contacts located on the back of your SoundPEATS Watch1. The magnets will automatically secure the connection.
4. Once connected, verify that the watch screen displays a charging indicator, confirming that power is being supplied.

Safety Protection:

The charging cable incorporates a built-in short-circuit protection IC. This feature prevents overvoltage and overcurrent, safeguarding your SoundPEATS Watch1 during the charging process.

This image displays the SoundPEATS Watch1 smartwatch with its magnetic charging cable. The USB-A end of the cable is visible, leading to the magnetic charging puck which is attached to the back of the watch. This illustrates how the watch connects to the charger for power.

OPERATING INSTRUCTIONS

Using your SoundPEATS Watch1 charging cable is straightforward:

- **Charging:** Connect the cable as described in the Setup section. The watch will begin charging automatically. Disconnect the cable once the watch is fully charged to conserve energy and prolong battery life.
- **Portability:** The compact and lightweight design of the charging cable makes it easy to carry. You can conveniently use it at home, in the office, or while traveling as a backup charger.

MAINTENANCE

To ensure the longevity and optimal performance of your charging cable, follow these maintenance guidelines:

- Keep the cable clean and dry. Avoid exposure to liquids or excessive moisture.
- Do not bend, twist, or pull the cable excessively, especially near the connectors, as this can damage internal wires.
- Store the cable in a cool, dry place when not in use.
- If the magnetic charging contacts appear dirty, gently wipe them with a soft, dry cloth to ensure a good connection.

TROUBLESHOOTING

If you encounter issues with your charging cable, refer to the following common solutions:

- **Watch Not Charging:**
 - Ensure the USB power source (wall adapter, computer port) is active and providing power.
 - Verify that the magnetic charging pins are securely aligned with the charging contacts on the back of your SoundPEATS Watch1.
 - Clean the charging contacts on both the cable and the watch with a soft, dry cloth to remove any dust or debris.
 - Try connecting the USB-A end of the cable to a different USB power source.
- **Loose Connection:**
 - Confirm that the magnetic charging puck is correctly positioned and fully engaged with the watch's charging contacts.
 - Check for any foreign objects or debris obstructing the magnetic connection between the cable and the watch.

SPECIFICATIONS

Feature	Detail
Brand	SoundPEATS
Connector Type	USB Type A
Cable Type	USB
Compatible Devices	SoundPEATS Watch1
Special Feature	Magnetic
Color	Black
Connector Gender	Male-to-Male
Shape	Round
Unit Count	1 Count
Indoor/Outdoor Usage	Indoor, Outdoor
Item Weight	0.317 ounces
Package Dimensions	4.72 x 1.65 x 0.79 inches
