Belffin Storage Ottoman Module Instruction Manual

Model: 8 (Grey Ottoman Module)

PRODUCT OVERVIEW

The Belffin Storage Ottoman Module is a versatile component designed to complement your modular sectional sofa. It features a minimalist design with broad double lines and French piping details, upholstered in soft velvet fabric. This module can be connected with other Belffin Arm or Middle Modules to create customized sofa configurations.

Key features include:

- **Ottoman Module:** Appeals to minimalist elegance with a crisp design and broad double lines accented with French piping details and velvet fabric. Connects with Arm Module or Middle Module.
- **Customized Modular Design:** Allows for various combinations to suit your space and needs. Additional parts can be added later for expansion.
- **Velvet Fabric:** Made of soft, breathable, and skin-friendly velvet, providing comfort and a luxurious aesthetic.
- **Bonus Storage Space:** The seat functions as an ottoman, table, or storage unit for items like magazines or VCDs. Storage dimensions: 22.40"(L) x 22.40"(W) x 5.70"(H).
- **Compact Dimensions:** Ottoman Module Dimension: 26.40"(L) x 26.40"(W) x 17.70"(H), suitable for various interior spaces.

SAFETY INFORMATION

- Do not expose to excessive moisture.
- Do not exceed a weight limit of 330 pounds (150 Kilograms).
- Always assemble and use according to instructions to prevent tipping.

PACKAGE CONTENTS

Your Belffin Storage Ottoman Module package (Carton C) includes:

- 1 x Ottoman Module
- 4 x Legs (for the ottoman)
- Necessary screws and a screwdriver for assembly.

SETUP

Assembly is required. Follow these instructions carefully:

1. **Unpack Components:** Carefully remove all components from the packaging. Ensure all parts listed in the 'Package Contents' section are present.
2. **Attach Legs:** Turn the ottoman module upside down. Locate the pre-drilled holes on the bottom corners. Align each leg with a hole and tighten the screws using the provided screwdriver until secure.
3. **Position Ottoman:** Once the legs are securely attached, carefully turn the ottoman upright and place it in your desired location.
4. **Connect to Other Modules (Optional):** If you are integrating this ottoman with other Belffin modular sofa components, use the provided connection brackets (if included with other modules) to secure them together. The ottoman module has designated points for attachment.

OPERATING INSTRUCTIONS

The Belfin Storage Ottoman Module offers versatile functionality:

- **As a Footrest:** Use the ottoman as a comfortable footrest to relax while seated on your sofa.
- **As Additional Seating:** The sturdy design allows it to serve as an extra seat when entertaining guests.
- **As a Table:** Place a tray on top to use it as a convenient side table for drinks or snacks.
- **Accessing Storage:** To access the internal storage, simply lift the top cushion. The hydraulic mechanism will hold the lid open for easy access. Close by gently pushing the lid down until it latches securely.
- **Modular Configuration:** Experiment with different arrangements by connecting or disconnecting

the ottoman from other Belffin modules to create various sofa layouts (e.g., L-shape, U-shape, movie lounger).

MAINTENANCE

To ensure the longevity and appearance of your Belffin Storage Ottoman Module, follow these care

instructions:

- **General Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub, as this can spread the stain.
- **Vacuuming:** Regularly vacuum the velvet fabric using a soft brush attachment to remove dust and debris.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading. Position your ottoman away from direct sunlight or use curtains/blinds.

TROUBLESHOOTING

If you encounter any issues with your Belffin Storage Ottoman Module, consider the following:

- **Wobbly Legs:** Ensure all leg screws are tightened securely. If wobbling persists, check if the ottoman is on an even surface.
- **Difficulty Opening/Closing Storage:** Check for any obstructions within the storage compartment or around the hinge mechanism. Ensure the hydraulic lifts are functioning smoothly.
- **Modules Not Connecting Properly:** Verify that the connection brackets (if applicable) are correctly aligned and engaged between modules.
