Just Play Disney Stitch Hawaiian Elements Plush Collector Set

MODEL: 10413

Introduction

This instruction manual provides essential information for the Just Play Disney Stitch Hawaiian Elements Plush Collector Set. This limited-edition set features four unique Stitch plush figures, each designed to represent an elemental aspect of the Hawaiian Islands. These plushies are crafted with super-soft fabrics and intricate details, making them ideal for display and gentle interaction.

Product Overview and What's Included

The Disney Stitch Hawaiian Elements Plush Collector Set includes four distinct Stitch plush figures, each approximately 10 inches tall. The set is an Amazon Exclusive, celebrating 20 years of Disney's Lilo & Stitch.

Included Plush Figures:

- **Air Stitch (Ea):** Representing the tropical climate with a floral print and sunglasses.
- **Fire Stitch (Ahi):** Inspired by Hawaiian volcanoes, featuring a fiery, lava-like pattern.
- **Water Stitch (Kai):** Reflecting the ocean with blue hues and seaweed patterns.
- **Earth Stitch (Honua):** Symbolizing sandy beaches with seashell and star patterns.

Features of Each Plush

Air Stitch (Ea)

This Stitch plush embodies the relaxed, tropical air of Hawaii. It features a vibrant floral print, green accents, and stylish red sunglasses. The design suggests a carefree attitude, perfect for a beach day.

Fire Stitch (Ahi)

Inspired by the powerful volcanoes of Hawaii, this

Stitch plush displays a fiery personality. Its design includes a dark, cracked lava-like pattern with bright orange and red highlights, conveying a destructive yet creative nature.

Water Stitch (Kai)

Representing the vast Hawaiian ocean, this blue Stitch plush features patterns reminiscent of water reflections and seaweed. Its serene expression captures the calm and beauty of the sea, even for a character known for mischief.

Earth Stitch (Honua)

This Stitch plush embodies the sandy beaches and land of Hawaii. Its light, sandy color is adorned with various seashell and star patterns, reflecting Stitch's enjoyment of building sandcastles and hunting for treasures on the shore.

Operating

These plush figures are designed for imaginative play and as collectible display items. They do not contain electronic components or require batteries. Interaction involves gentle handling, posing, and imaginative storytelling. While durable, excessive force or rough play may cause damage to the fabric or stitching.

Maintenance

To maintain the quality and appearance of your Stitch plush figures, follow these care instructions:

- **Spot Cleaning:** For minor stains, gently spot clean the affected area using a damp cloth and a small amount of mild, non-bleach soap.

- **Drying:** Allow the plush to air dry completely. Do not use a machine dryer, as high heat can damage the fabric and internal stuffing.
- **Avoid Immersion:** Do not submerge the plush figures in water or machine wash them. This can distort their shape and damage the materials.
- **Storage:** Store plush figures in a clean, dry environment away from direct sunlight to prevent fading.

Troubleshooting

As these are plush toys, extensive troubleshooting is generally not required. Common issues and their resolutions are listed below:

- **Loose Stitching:** If a seam or embroidery becomes loose, it can often be repaired with a needle and thread.
- **Flattened Plush:** Gentle reshaping and fluffing can restore the plush's original form.
- **Stains:** Refer to the Maintenance section for spot cleaning instructions.
