

WLIVE ASNG052DHS2

WLIVE 8-Drawer Fabric Dresser

MODEL: ASNG052DHS2

Instruction Manual

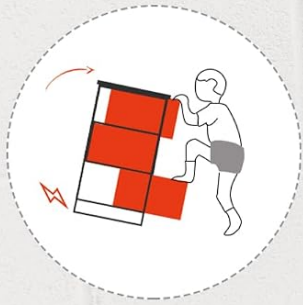

Introduction

Thank you for choosing the WLIVE 8-Drawer Fabric Dresser. This versatile storage unit is designed to enhance organization in various spaces, including bedrooms, closets, living rooms, hallways, dorms, and offices. Featuring a sturdy metal frame, a durable wooden top, and eight spacious fabric drawers, this dresser combines functionality with a rustic brown wood grain print aesthetic.

The overall dimensions of the dresser are 39.4" L x 11.8" W x 30.4" H. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

Safety Information

- **Anti-Tilt Device:** For safety, an anti-tilt device is included to secure the dresser to the wall, preventing accidental tipping. It is highly recommended to install this device, especially in households with children or pets.
- **Weight Capacity:** The wooden top can support items up to 50 lbs. Avoid placing excessively heavy objects on the top surface.
- **Drawer Usage:** Do not overload drawers. Distribute weight evenly to maintain stability and prevent sagging.
- **Stable Placement:** Ensure the dresser is placed on a flat, level surface. Use the adjustable feet to stabilize the unit on uneven ground.

Package Contents

Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Metal Frame Components
- Wooden Top Panel
- Fabric Drawers (8 units: 4 medium, 4 large)
- Drawer Handles
- Adjustable Feet
- Assembly Hardware (screws, Allen wrench)
- Anti-Tilt Kit
- Instruction Manual

Setup and Assembly

Assembly of the WLIVE 8-Drawer Fabric Dresser is straightforward and typically requires minimal tools. Follow the step-by-step instructions provided in the included manual. An Allen wrench is supplied for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the package contents list.
2. **Assemble Metal Frame:** Connect the metal frame components using the provided screws and Allen wrench. Ensure all connections are secure.
3. **Attach Wooden Top:** Secure the rustic brown wooden top panel to the assembled metal frame.
4. **Install Adjustable Feet:** Screw the adjustable feet into the bottom of the frame. Adjust them as needed to level the dresser.
5. **Prepare Fabric Drawers:** Unfold each fabric drawer and insert the bottom panel to create a sturdy box.
6. **Attach Drawer Handles:** Screw the handles onto the front of each fabric drawer.
7. **Insert Drawers:** Place the assembled fabric drawers into their designated slots within the metal frame.
8. **Install Anti-Tilt Device:** Follow the specific instructions in the included manual to securely attach the anti-tilt device to the back of the dresser and to a wall stud. This step is crucial for safety.

Operating Instructions

The WLIVE 8-Drawer Fabric Dresser is designed for easy and efficient storage.

- **Drawer Functionality:** The fabric drawers are equipped with easy-pull handles for smooth opening and closing.
- **Storage Capacity:** The dresser features four medium drawers and four large drawers, offering versatile storage options. Each medium drawer can hold approximately 36-40 socks or 8-10 t-shirts. Each large drawer can hold approximately 16-20 t-shirts or 10-12 jeans. (Note: Capacity is for reference only and depends on item size and folding method.)
- **Adjustable Feet:** The four adjustable feet allow you to fine-tune the dresser's height and stability on various floor types, protecting your floors from scratches.

4 MEDIUM DRAWERS

Each one can hold:

36 - 40 Socks

OR

8 - 10 T-shirts

4 LARGE DRAWERS

Each one can hold:

16 - 20 T-shirts

OR

10 - 12 Jeans

Protect Floor
Keep Stable

Figure 5: Detail of the high-grade fabric drawers and adjustable feet. The fabric is durable, and the adjustable feet ensure stability and floor protection.

Maintenance

- **Cleaning:** Wipe the wooden top and metal frame with a dry cloth to remove dust and debris. The wooden top is textured and water-resistant, with a protective coating for durability.
- **Fabric Drawers:** For minor spills or stains on the fabric drawers, gently spot clean with a damp cloth and mild detergent. Allow to air dry completely. Do not machine wash or tumble dry.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Troubleshooting

- **Drawers Sagging:** If drawers appear to sag when pulled out, this is typically due to the flexible nature of fabric drawers. Ensure drawers are not overfilled. There is no rigid support underneath the fabric drawers to prevent this when fully extended.
- **Missing/Damaged Parts:** If you find any parts missing or damaged during unpacking or assembly, please refer to

the contact information in the Warranty & Support section to request replacements.

- **Dresser Instability:** Ensure the adjustable feet are properly leveled. If the dresser still feels unstable, verify that all frame connections are securely tightened and the anti-tilt device is correctly installed.

Specifications
