SETUP

Unfolding the Playard:

1. Remove the playard from its carry bag.
2. Separate the mattress pad from around the folded playard.
3. Stand the playard upright.
4. Pull the center strap upwards to begin unfolding.
5. Ensure all four side rails are locked into place by pushing them firmly until they click. If a rail does not lock, pull the center strap up again and repeat the locking process.
6. Push the center of the floor down until it lies flat.
7. Place the mattress pad securely at the bottom of the playard.

Attaching the Travel Dome LX Bassinet:

1. Align the bassinet's attachment points with the designated slots on the playard's top rails.
2. Push down firmly until the bassinet is securely seated and locked into place.
3. Ensure the bassinet is stable before placing your child inside.

Attaching the Removable Diaper Changer:

1. Locate the attachment points on the diaper changer and the corresponding slots on the playard's top rail (typically opposite the bassinet).
2. Slide the changer into the slots until it clicks securely.
3. Verify the changer is stable and level before use.

OPERATING INSTRUCTIONS

Using the Portable Travel Dome Bassinet:

- The Travel Dome bassinet can be used independently on a flat, stable surface or attached to the playard.
- When used on the playard, ensure it is securely attached to the top rails.
- The UV 50 canopy can be adjusted or removed as needed for sun protection.

Using the Removable Diaper Changer:

- Attach the changer to the playard's top rail as described in the Setup section.
- Always secure your baby with the safety straps provided on the changer.
- The wipe-clean fabrics allow for quick and easy cleanup after each use.

Converting to Toddler Playard:

- Once your child outgrows the bassinet and changer, remove these components.
- The playard's lower level provides a spacious and secure area for toddlers to play or sleep.
- Ensure the mattress pad is placed firmly at the lowest level of the playard.

MAINTENANCE

Proper maintenance ensures the longevity and safety of your Graco Pack 'n Play Travel Dome LX Playard. Follow these guidelines for cleaning and care:

- **Seat and Carry Bag:** Machine wash in cold water on a delicate cycle. Drip-dry. Do not use bleach.
- **Changer and Mattress:** Wipe clean with a damp cloth and mild soap. Do not use bleach.
- **Playard Frame:** Use household soap and warm water to clean. Drip-dry.
- **General Care:** Regularly inspect the playard for any loose parts, torn fabric, or damaged components. Sand can damage top rail locks; remove sand from all surfaces before packing into the bag.

TROUBLESHOOTING

If you encounter any issues with your Graco Pack 'n Play, please refer to the following common troubleshooting tips:

- **Playard not locking:** Ensure the center of the playard floor is pulled up before attempting to lock the side rails. Push each rail firmly until it clicks into place. If a rail doesn't lock, pull the center strap up again and repeat.
- **Playard not folding:** Make sure all accessories (bassinet, changer, storage) are removed. Pull the center strap upwards until the floor begins to buckle, then release the side rails by pressing the buttons on the center of each rail.
- **Accessories not attaching securely:** Check that the playard's top rails are fully locked and that the accessory's attachment points are correctly aligned with the designated slots. Apply firm, even pressure until you hear a click.
- **Stability concerns:** Always ensure the playard is on a flat, level surface. Regularly check all locking mechanisms and connections for security.

If problems persist, please contact Graco customer support for further assistance.
