## 4. SETUP

### 4.1. Charging Your Devices

Before first use, fully charge both your smartwatch and wireless headphones.

- **Smartwatch:** Connect the USB charging cable to the charging port on the back of the smartwatch and to a USB power source. The battery icon on the screen will indicate charging status.
- **Wireless Headphones:** Connect the USB charging cable to the charging port on the headphones and to a USB power source. An indicator light will show charging status and turn off when fully charged.

### 4.2. Power On/Off

- **Smartwatch:** To power on, press and hold the side button until the screen illuminates. To power off, navigate to the 'Settings' menu on the smartwatch, then select 'Power Off'.
- **Wireless Headphones:** To power on, press and hold the power button until the indicator light flashes. To power off,

press and hold the power button again until the indicator light turns off.

### 4.3. Pairing the Smartwatch with Your Smartphone

The ITECH Fusion 2 S Smartwatch is compatible with both iPhone and Android devices.

1. Download the **ITECH Wearables** app from the Apple App Store or Google Play Store.
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the iTECH Wearables app and follow the on-screen instructions to create an account and pair your smartwatch.
4. The app will guide you through connecting the smartwatch via Bluetooth. Confirm the pairing request on both your phone and smartwatch.

### 4.4. Pairing the Wireless Headphones

1. Ensure the headphones are powered off.
2. Press and hold the power button until the indicator light flashes rapidly, indicating pairing mode.
3. On your smartphone or other Bluetooth-enabled device, go to Bluetooth settings and search for available devices.
4. Select "ITECH Headphones" (or similar name) from the list to connect. The indicator light will change to a steady blue when successfully paired.

## 5. OPERATING THE SMARTWATCH

---

### 5.1. Navigation

- **Touch Screen:** Swipe left/right, up/down to navigate through menus and features. Tap to select.
- **Side Button:** Press to return to the home screen or wake the device.

### 5.2. Watch Faces

Customize your smartwatch display by changing watch faces. On the home screen, press and hold the display, then swipe left or right to browse available watch faces. Tap to select your preferred design.

Image: The ITECH Fusion 2 S Smartwatch display showing various customizable watch faces and icons representing multiple sports modes including cycling, elliptical training, running, hiking, tennis, basketball, football, and soccer.

### 5.3. Core Features

- **Heart Rate Monitor:** Access the heart rate feature on your smartwatch to measure your heart rate using the built-in optical sensor. Ensure the watch is snug on your wrist for accurate readings.
- **Step Counter (Pedometer):** The smartwatch automatically tracks your daily steps, distance, and calories burned. View your progress on the device or in the iTECH Wearables app.
- **Sleep Monitor:** Wear your smartwatch to bed to track your sleep patterns, including light and deep sleep stages. Data is synchronized with the app for detailed analysis.
- **Multi-Sport Modes:** Select from various sports modes (e.g., running, cycling, hiking) to track specific workout data, including duration, distance, and calories.
- **Message Notifications:** Receive notifications for calls, texts, and app alerts directly on your smartwatch when connected to your smartphone.
- **Calorie Tracker:** Monitors calories burned throughout the day based on your activity level.
- **Hydration Reminder:** Set reminders to drink water at regular intervals through the app.
- **Music Remote:** Control music playback on your smartphone directly from your smartwatch (play, pause, skip tracks).

## 5.4. App Integration

For a comprehensive view of your health and fitness data, regularly sync your smartwatch with the iTECH Wearables app. The app allows you to set goals, view historical data, customize settings, and manage notifications.

## 6. OPERATING THE WIRELESS HEADPHONES

---

### 6.1. Controls

The headphones feature intuitive controls for media playback and call management:

- **Power Button:** Press and hold to power on/off. Short press for play/pause.
- **Volume Buttons:** Press '+' to increase volume, '-' to decrease volume.
- **Track Control:** Press and hold '+' for next track, '-' for previous track.
- **Call Management:** Short press power button to answer/end calls. Press and hold to reject calls.

### 6.2. Audio Features

- **Powerful Sound Quality:** Designed to deliver clear and rich audio.
- **Noise Isolating Fit:** The over-ear design helps to reduce external noise for an immersive listening experience.
- **Built-in Microphone:** Enables hands-free calling.

### 6.3. Battery Life

The wireless headphones provide up to 8 hours of playback on a single charge, depending on usage and volume levels.

## 7. MAINTENANCE

---

### 7.1. Cleaning

- **Smartwatch:** Wipe the screen and band with a soft, damp, lint-free cloth. Avoid harsh chemicals or abrasive materials.
- **Headphones:** Gently wipe earcups and headband with a soft, dry cloth. Do not immerse in water.

### 7.2. Water Resistance (Smartwatch)

The ITECH Fusion 2 S Smartwatch is IP67 water resistant. This means it is protected against dust and can withstand immersion in water up to 1 meter for up to 30 minutes. It is suitable for daily use and light splashes, but not recommended for swimming, showering, or prolonged water immersion.

### 7.3. Storage

Store your devices in a cool, dry place away from direct sunlight and extreme temperatures when not in use.

## 8. TROUBLESHOOTING

If you encounter issues with your ITECH Fusion 2 S devices, please refer to the following common solutions:

- **Device not powering on:** Ensure the device is fully charged. Try connecting it to a different USB power source.
- **Smartwatch not pairing with phone:** Ensure Bluetooth is enabled on your phone and the smartwatch is within range. Restart both devices and try pairing again through the iTECH Wearables app.
- **Headphones not pairing:** Ensure headphones are in pairing mode (rapidly flashing indicator light). Check your device's Bluetooth settings and try reconnecting.
- **Inaccurate heart rate/step readings:** Ensure the smartwatch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
- **Notifications not appearing:** Check app permissions on your smartphone to ensure the iTECH Wearables app has access to notifications. Verify notification settings within the app.
- **Audio issues with headphones:** Ensure headphones are fully charged and properly paired. Check volume levels on both the headphones and the connected device.

If problems persist, consider performing a factory reset (refer to the smartwatch settings menu or contact customer support for headphones). For further assistance, please contact Itech customer support.

## 9. SPECIFICATIONS

Feature	Detail
Product Dimensions	22.86 x 5.08 x 22.86 cm; 621 g
