### Devoko deck box-1

# Devoko 100 Gallon Waterproof Large Resin Deck Box Instruction Manual

Brand: Devoko | Model: deck box-1

## PRODUCT OVERVIEW

The Devoko 100 Gallon Waterproof Large Resin Deck Box is a versatile storage solution designed for both indoor and outdoor environments. Its modern rattan pattern adds a chic decorative touch to any deck, garden, yard, porch, or poolside area. With a generous 100-gallon capacity, it provides ample space for storing various items such as pillows, garden tools, and other equipment. Constructed from durable, weather-resistant, and waterproof poly resin, this deck box is built to withstand the elements, preventing fading, rusting, peeling, and bending for long-term use. It also features two gas rods for smooth, easy opening and slow closing, enhancing safety and convenience. The lid is lockable, ensuring your belongings remain secure.

## SETUP AND ASSEMBLY

Assembly of the Devoko 100 Gallon Deck Box is designed to be straightforward and typically takes less than 30 minutes. Follow the step-by-step instructions provided in the installation manual ([link available in the Support section](#)) for a smooth setup. Generally, assembly involves connecting the side panels to the base, attaching the back panel, and then securing the lid. No complex tools are required, often just a Phillips screwdriver.

## OPERATING INSTRUCTIONS

The deck box is designed for convenient operation and versatile use:

- **Lid Operation:** The lid is equipped with two gas rods that allow for easy, smooth opening and slow, controlled closing. This feature prevents the lid from slamming shut and protects your hands from getting clamped.
- **Storage:** Utilize the 100-gallon interior space to store a variety of items. It is ideal for patio cushions, gardening tools, pool accessories, outdoor toys, and other household essentials. The waterproof design ensures your items remain dry and protected from the elements.
- **Lockable Security:** The lid features a built-in mechanism that allows for a padlock (not included) to be attached, providing an extra layer of security for your stored valuables.
- **Extra Seating:** The sturdy construction of the deck box allows it to double as a bench, supporting up to 500 lbs. This provides convenient extra seating in your outdoor space.

## MAINTENANCE

To ensure the longevity and appearance of your Devoko Deck Box, follow these simple maintenance guidelines:

- **Cleaning:** Regularly wipe down the exterior with a damp cloth and mild soap to remove dirt and debris. Avoid abrasive cleaners or harsh chemicals, as these can damage the poly resin material.
- **Weather Protection:** The deck box is made of weather-resistant and waterproof poly resin, designed to prevent fading, rusting, peeling, and bending. While it is built for all-weather use, consider placing it under an overhang or covering it during extreme weather conditions for added protection.
- **Lid Hinges:** Periodically check the gas rods and hinges for smooth operation. If any stiffness occurs, a small amount of silicone lubricant can be applied to the moving parts.

# SAFE & LOCKABLE

You can put it outside and lock it up

## TROUBLESHOOTING

If you encounter any issues with your Devoko Deck Box, consider the following common solutions:

- **Lid Not Closing Smoothly:** Check the gas rods for any obstructions or damage. Ensure they are properly aligned and securely attached. If they appear stiff, apply a small amount of silicone lubricant.
- **Water Inside the Box:** While designed to be waterproof, ensure the lid is fully closed and latched. Check for any cracks or damage to the resin material, especially after severe weather. Ensure the box is placed on a level surface to prevent water pooling.
- **Difficulty Assembling:** Refer to the detailed installation manual. Ensure all parts are correctly oriented and snapped into place. Sometimes, applying slight pressure or wiggling components can help them fit securely.

## PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Devoko
Color	Black
Material	Resin (UV-protected, lightweight)
Special Feature	Lockable
Style	100 Gallon
Product Dimensions	48"L x 22"W x 25"H
Capacity	100 Gallons (378.54 Liters)
Closure Type	Flip Top
Water Resistance Level	Waterproof
Item Weight	55 Pounds
Opening Mechanism	Hinge
Shape	Rectangular
Maximum Weight Recommendation	500 Pounds (for seating)
