## QUASIO LOG920008671

# QUASIO Wireless Keyboard and Mouse Combo User Manual

Model: LOG920008671 | Brand: QUASIO

## PRODUCT OVERVIEW

The QUASIO Wireless Keyboard and Mouse Combo offers a comfortable and efficient solution for your computing needs. Designed for seamless connectivity and extended use, this combo features a full-sized keyboard with an integrated palm rest and an optical mouse with adjustable sensitivity. It's a plug-and-play solution, requiring no additional software installation.

## Key Features:

- **Comfortable Design:** Full-sized keyboard with a comfortable palm rest and folding holder for ergonomic typing.
- **Stable 2.4G Wireless Connection:** Shares a single USB receiver for both keyboard and mouse, providing a powerful and reliable connection up to 33 feet (10m) without delays.
- **Automatic Power Saving:** Smart power-saving chip enables auto-sleep mode after 10 seconds (keyboard) or 2 minutes (mouse) of inactivity, extending battery life.
- **Adjustable DPI Mouse:** Optical wireless mouse with 3 adjustable DPI levels (800/1200/1600) for customized cursor speed.
- **Universal Compatibility:** Compatible with Windows XP/Vista/7/8/10/X, Mac, Chromebook, PC, Laptop, and more.

## SETUP GUIDE

---

### Unboxing and Initial Setup

Your QUASIO Wireless Keyboard and Mouse Combo is designed for quick and easy setup. Follow these steps to get started:

1. **Locate the USB Receiver:** The compact USB receiver is conveniently stored inside the battery compartment of the mouse. Gently open the mouse battery cover to retrieve it.

# WIDELY COMPATIBLE

Compatible with windows XP/Vista/7/8/10,  
Mac and other operating system

Copy Paste Shortcut Buttons:  
In Windows and others system: Ctrl + C Ctrl + V  
In Mac System: Win + C Win + V

## MAINTENANCE AND CARE

### Automatic Power Saving Function

The keyboard and mouse are equipped with a smart power-saving chip to maximize battery life:

- **Keyboard:** Enters sleep mode after 10 seconds of inactivity.
- **Mouse:** Enters sleep mode after 2 minutes of inactivity.

To reactivate either device, simply click any button on the mouse or press any key on the keyboard.

## Cleaning

To maintain the performance and appearance of your keyboard and mouse, follow these cleaning tips:

- **General Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution. Avoid harsh chemicals or abrasive materials.
- **Dust Removal:** Use compressed air to remove dust and debris from between the keys and around the mouse sensor.
- **Battery Replacement:** Replace batteries when the low battery indicator light on the keyboard illuminates, or if the mouse becomes unresponsive.

## TROUBLESHOOTING

If you encounter any issues with your QUASIO Wireless Keyboard and Mouse Combo, please refer to the following common solutions:

- **No Connection/Unresponsive Devices:**

- Ensure the USB receiver is securely plugged into a working USB port.
- Check if the batteries in both the keyboard and mouse are correctly inserted and have sufficient charge. Replace if necessary.
- Move the keyboard and mouse closer to the USB receiver to rule out range issues.
- Try plugging the USB receiver into a different USB port on your computer.
- Restart your computer.

- **Lag or Delayed Response:**

- Ensure there are no other 2.4GHz wireless devices causing interference nearby.
- Reduce the distance between the devices and the USB receiver.

- **Mouse Cursor Jumps or is Erratic:**

- Clean the optical sensor on the bottom of the mouse.
- Ensure you are using the mouse on a suitable surface (not highly reflective or transparent).
- Adjust the DPI setting to a lower level if the cursor is too sensitive.

## Contacting Customer Support

If you are unable to resolve the issue using the troubleshooting steps above, please contact our customer support directly. We offer a 12-month after-sales service and are committed to helping you solve any problems.
