# MINISO Racing Car Assembly Kit Instruction Manual (Model: 6941447597316-M39)

## Introduction

This manual provides detailed instructions for assembling and maintaining your MINISO Racing Car Assembly Kit. This kit contains 250 precision pieces designed to construct a sleek racing car with realistic details. The finished model measures approximately 11 cm x 18 cm. Please read all instructions carefully before beginning assembly.

## Safety Information

- Keep all components away from naked flames or direct heat sources to prevent damage or injury.
- This product contains small parts and is recommended for ages 5-18 years. Adult supervision is advised for younger children.
- Do not ingest any parts.

## Package Contents

Your MINISO Racing Car Assembly Kit includes:

- Approximately 250 building pieces (various shapes and sizes, primarily red and black).
- Instruction booklet (this manual).

Please verify all pieces are present before starting assembly. If any parts are missing, please contact customer support.

## Setup and Assembly

Follow these steps to assemble your racing car:

1. **Step 1: Prepare the Chassis.** Begin by identifying the main chassis pieces. Connect the central frame components to form the base of the car. Ensure all connections are secure.
2. **Step 2: Attach the Axles and Wheels.** Securely attach the front and rear axles to the chassis. Then, mount the four wheels onto the axles. Ensure the wheels spin freely.

3. **Step 3: Construct the Engine and Seating Area.** Assemble the engine block components and integrate them into the central chassis. Build the driver's seat and steering wheel assembly, attaching it to the appropriate position.
4. **Step 4: Install Body Panels and Spoilers.** Attach the red body panels to the chassis, starting with the front hood and moving towards the rear. Secure any spoilers or aerodynamic elements.

## Operating Your Racing Car

Once assembled, your MINISO Racing Car is ready for play. This model is designed for manual operation and imaginative play.

- Place the car on a flat, smooth surface.
- Push the car forward or backward to simulate racing.
- The steering wheel and other movable parts are for aesthetic purposes and do not control the car's direction.

## Maintenance

To ensure the longevity of your racing car kit:

- **Cleaning:** Wipe the assembled model with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the car in a cool, dry place away from direct sunlight and extreme temperatures.

- **Disassembly:** If you wish to disassemble the car, carefully detach the pieces to avoid breakage. Keep all pieces together for future reassembly.

## Troubleshooting

- **Parts not fitting:** Ensure you are using the correct pieces for each step as indicated in the instructions. Apply gentle, even pressure. Do not force pieces together.
- **Missing pieces:** Carefully check the packaging and surrounding area. If pieces are genuinely missing, refer to the "Support" section for assistance.
- **Model is unstable:** Re-check all connections, especially those in the chassis and main frame. Ensure all pieces are fully clicked into place.

## Specifications

| Feature | Detail |
|---|---|
| Product Dimensions | Packaging: 22 x 22 x 8 cm; Assembled car: 11 cm x 18 cm (approx.) |
| Item Weight | 420 g |
| Manufacturer Recommended Age | 5 - 18 years |
| Item Model Number | 6941447597316-M39 |
| Number of Pieces | 250 |
| Batteries Required | No |
| Material Type | Plastic |
| Color | Red |
| Brand | MINISO |

## Warranty Information

Specific warranty details for the MINISO Racing Car Assembly Kit are not provided within this manual. Please refer to your purchase receipt or contact the retailer for information regarding warranty coverage.

## Customer Support

For assistance with missing parts, assembly issues, or other inquiries, please contact the retailer where the product was purchased. You may also visit the official MINISO website for general product information.

### Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
