

Bingo A0106

Keeppley Pokemon Squirtle Building Blocks Set

Model: A0106 | Brand: Bingo

1. INTRODUCTION

This manual provides instructions for the assembly and care of your Bingo Keeppley Pokemon Squirtle Building Blocks Set, Model A0106. This set allows you to construct a detailed model of the popular Pokemon character, Squirtle, using 129 individual pieces. Designed for users aged 6 years and above, this building set promotes concentration, problem-solving skills, and creativity through manual assembly.

2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is **not suitable for children under 3 years**. Adult supervision is recommended during assembly and play for younger children.
- All materials used in this building set are **non-toxic**.
- Keep packaging materials away from children to prevent suffocation.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 129 x Building Block Pieces (various shapes and colors)
- 1 x Instruction Manual (this document)

4. ASSEMBLY INSTRUCTIONS

The assembly process for the Squirtle model requires a medium skill level. No additional tools are required; all pieces are designed to interlock.

1. **Unpack Components:** Carefully open the packaging and lay out all 129 building block pieces on a clean, flat surface.

2. **Review Instructions:** Familiarize yourself with the included visual instruction guide. This guide illustrates the step-by-step process for connecting the blocks.
3. **Identify Pieces:** Match the pieces shown in the instruction guide to the physical blocks. Pay attention to shape, color, and size.
4. **Begin Assembly:** Follow the numerical sequence in the instruction guide to connect the blocks. Ensure each piece is firmly pressed into place to create a stable structure.
5. **Complete Model:** Continue until all pieces are assembled according to the guide, forming the complete Squirtle model.

Figure 2: Side view of the assembled Squirtle model, highlighting its shell and overall structure.

5. OPERATING INSTRUCTIONS

Once assembled, the Keeppley Pokemon Squirtle model is designed for manual interaction and display.

- **Display:** Place the assembled model on a stable tabletop or shelf for display.
- **Manual Play:** The model can be manually moved and posed. Avoid excessive force to prevent pieces from detaching.
- **Disassembly:** The set is designed for both assembly and disassembly, allowing for repeated building experiences.

6. MAINTENANCE

To ensure the longevity of your building block set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, dry cloth to remove dust. For more thorough cleaning, use a damp cloth with mild soap and water, then dry thoroughly. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a cool, dry place away from direct sunlight and extreme temperatures to

prevent material degradation.

- **Handling:** Handle the assembled model with care to avoid accidental breakage or detachment of pieces.

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, consider the following:

- **Missing Pieces:** Double-check the packaging and your work area. If a piece is genuinely missing, contact customer support.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and apply firm, even pressure. Refer to the instruction guide for correct placement.
- **Model Instability:** Verify that all connections are secure. Re-examine previous steps in the instruction guide to ensure no steps were missed or incorrectly performed.

8. SPECIFICATIONS
