# One for All Slate R18200 Universal Remote Control User Manual

Model: R18200 | Brand: One For All

## INTRODUCTION

---

The One For All Slate R18200 Universal Remote Control is specifically designed for hospitality and medical applications. It provides simple yet effective control of entertainment systems in guest rooms, ensuring reliable performance and integrity. The Slate remote is fully cleanable, allowing it to be disinfected with common cleaning agents or wipes for the hospitality sector before each new guest stay, promoting hygiene and safety.

## KEY FEATURES

---

- **Fully Cleanable Design:** Engineered to be entirely cleanable, suitable for hospitality and medical environments.
- **Disinfectant Resistant:** Withstands daily cleaning with common disinfectants and wipes.
- **Anti-Theft Battery Compartment:** Features a secure battery compartment that does not require tools for access, deterring theft.
- **Fully Backlit Keys:** All keys are backlit for easy visibility and operation in low-light conditions.
- **Commercial Use Only:** Designed and packaged specifically for commercial applications, available in convenient multi-packs (e.g., 20 remotes).

## SETUP

---

### 1. Battery Installation

1. Locate the battery compartment on the back of the remote control.
2. Open the anti-theft battery cover. This compartment is designed to be secure but accessible without tools.
3. Insert two AAA alkaline batteries, ensuring correct polarity (+/-).
4. Close the battery cover securely until it clicks into place.

## **2. Initial Programming (if required)**

The Slate R18200 remote is pre-programmed for common hospitality TV systems. If your specific TV or entertainment system requires programming, refer to the detailed programming instructions provided with your bulk purchase or consult the One For All support website for specific codes and setup procedures. Typically, this

involves a simple code entry or auto-search function.

## OPERATING INSTRUCTIONS

---

The Slate R18200 remote control features a simplified layout for intuitive use in hospitality settings.

- **Power Button (POWER):** Press to turn the TV or connected device on or off.
- **Volume Control (VOL +/-):** Adjusts the audio volume up or down.
- **Channel Control (CH +/-):** Changes the TV channel up or down.
- **Navigation Pad (ARROWS & OK/SELECT):** Use the arrow keys to navigate menus and the OK/SELECT button to confirm selections.
- **Menu (MENU):** Accesses the TV's main menu.
- **VOD (VOD):** Direct access to Video On Demand services (if supported by the TV system).
- **Guide (GUIDE):** Displays the electronic program guide.
- **Playback Controls (PLAY, PAUSE, STOP, REW, FF):** Controls media playback.
- **Numeric Keypad (0-9):** Directly enter channel numbers.
- **Backlit Keys:** The entire keypad illuminates when a button is pressed, making it easy to use in dimly lit rooms.

## MAINTENANCE

---

### Cleaning the Remote Control

The Slate R18200 is designed for easy and thorough cleaning, crucial for hospitality environments.

1. Ensure the remote control is powered off (if applicable) or remove batteries before cleaning for safety.
2. Use a soft cloth dampened with common disinfectants or pre-moistened disinfectant wipes.
3. Wipe down all surfaces of the remote control, paying attention to the buttons and crevices.
4. Allow the remote to air dry completely before reinserting batteries or using.
5. *Do not submerge the remote control in liquid. Avoid harsh abrasive cleaners.*
