Introduction Safety Information Setup Operating
Modes Maintenance Specifications Troubleshooting Warranty & Support

1. Introduction

Thank you for choosing the AMKE G607 3-in-1 Baby Bassinet. This manual provides essential information for the safe and proper assembly, operation, and maintenance of your new bassinet. Please read all instructions carefully before use and keep this manual for future reference.

Key Features:

- **3-in-1 Convertible Modes:** Functions as a standalone bassinet, a bedside sleeper, and a baby cradle.
- **All-Mesh Design:** Ensures optimal ventilation and visibility for your infant.
- **Adjustable Height & Angle:** Six height settings (12.7 to 19.5 inches) and an adjustable tilt angle to aid digestion and comfort.
- **Easy Access Side Panel:** Zippered side for convenient access to your baby, especially useful for night feeds or C-section recovery.
- **Large Storage Basket:** Conveniently located underneath for baby essentials.
- **Tool-Free Assembly:** Designed for quick and easy setup and disassembly.
- **Portable Design:** Folds for easy transport and storage, includes a travel bag.
- **Durable Construction:** Made from thick aviation-grade aluminum alloy, meeting US safety regulations.
- **Washable Mattress Cover:** For easy cleaning and hygiene.

2. Important Safety Information

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Always use the bassinet on a firm, horizontal surface.
- Do not use this bassinet if any parts are missing, damaged, or broken. Contact customer service for replacement parts.
- Ensure all assembly mechanisms are securely locked before placing an infant in the bassinet.
- The bassinet is intended for infants from newborn to 6 months (3-9 kg / 6-19.8 lb). Discontinue use when the infant begins to push up on hands and knees, or has reached 20 lbs (9 kg), or is 6 months old, whichever comes first.
- Never use additional padding, pillows, quilts, or other soft bedding in the bassinet, as these can cause suffocation.
- Always ensure the mattress is firm and fits snugly without gaps.
- When used as a bedside sleeper, ensure the bassinet is securely attached to the adult bed using the provided attachment system.
- Do not leave the side panel lowered when the bassinet is not attached to the adult bed, as this poses a fall hazard.
- Keep small parts, strings, and cords away from the infant to prevent choking or strangulation hazards.
- Regularly inspect the bassinet for any signs of wear or damage.

3. Setup and Assembly

The AMKE G607 bassinet is designed for easy, tool-free assembly. Follow these steps to set up your bassinet:

3.1 Unpacking and Initial Inspection

- Carefully remove all components from the packaging.
- Verify that all parts are present and undamaged. Refer to the parts list in your included manual.

3.2 Assembling the Frame

1. Connect the main support legs by pressing the marbles on the side of the tubes and inserting them into the corresponding slots. Ensure they click securely into place.
2. Attach the bottom storage basket to the frame. It should hook onto the lower bars of the frame.

3.3 Attaching the Bassinet Fabric

1. Carefully place the bassinet fabric over the assembled frame, ensuring the mesh sides are correctly oriented.
2. Secure the fabric to the frame using the integrated zippers and snaps. Ensure all zippers are fully closed and snaps are fastened.
3. Insert the mattress into the bassinet, ensuring it lies flat and snugly against the sides.

4. Operating Modes and Adjustments

4.1 Adjusting Height

- The bassinet features six height settings, ranging from 12.7 to 19.5 inches.
- To adjust the height, locate the height adjustment buttons on each side of the frame. Press the button and slide the leg up or down to the desired setting.
- Ensure both sides are set to the same number for a level sleeping surface, unless intentionally tilting.

4.2 Adjustable Tilt Angle

- For infants with reflux or congestion, you can adjust one side of the bassinet to be slightly higher than the other, creating a gentle tilt (3-8 degrees).
- To do this, set one side to a higher number than the other using the height adjustment buttons.

4.3 Bedside Sleeper Mode

- To use as a bedside sleeper, lower one of the mesh side panels. Unzip the panel completely.
- Release the clips holding the top bar of the lowered side.
- Securely attach the bassinet to your adult bed using the provided straps and follow the instructions for safe attachment in the full manual.
- **WARNING:** Never use the bedside sleeper mode with the side panel lowered if the bassinet is not securely attached to the adult bed.

4.4 Cradle Mode

- To activate the cradle mode, locate the rocking mechanism at the bottom of the bassinet legs.
- Release the locking pins or flip the feet to allow the bassinet to rock gently.
- Ensure the rocking mechanism is engaged on both sides for balanced movement.

4.5 Portability

- The bassinet is equipped with 360-degree swivel casters for easy movement between rooms.
- Lock the wheels when the bassinet is stationary to ensure stability.
- For travel, disassemble the bassinet by pressing the marbles on the side of the tubes to fold the frame. Store it in the included travel bag.

5. Maintenance and Cleaning

- The mattress cover is removable and machine washable. Follow the care instructions on the label.
- Wipe down the frame and mesh fabric with a damp cloth and mild soap. Do not use abrasive cleaners.
- Ensure all parts are completely dry before reassembling or storing the bassinet.
- Regularly check all screws, bolts, and fasteners to ensure they are tight and secure.

6. Troubleshooting

- **Bassinet is unstable:** Ensure all frame connections are securely locked and wheels are locked when stationary. Check that both sides are set to the same height.
- **Side panel does not lower/raise smoothly:** Check for any obstructions in the zipper or track. Ensure the clips are fully released or engaged.
- **Rocking mechanism not working:** Verify that the locking pins on the rocking feet are fully released.
- For any other issues, please refer to the detailed troubleshooting section in your full product manual or contact AMKE customer support.

7. Product Specifications

Attribute	Detail
Brand	AMKE
Model Number	G607
Product Dimensions (L x W x H)	37.4" x 23.2" x 32.7"
