AMERLIFE CFT002

AMERLIFE Fireplace TV Stand CFT002 User Manual

Model: CFT002 | Natural Oak Finish

1. INTRODUCTION

Thank you for choosing the AMERLIFE Fireplace TV Stand, Model CFT002. This entertainment center combines a stylish wood texture design with a functional 23-inch electric fireplace, suitable for TVs up to 80 inches. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your product.

2. SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and operation. Failure to follow these instructions may result in electric shock, fire, property damage, or personal injury.

- Ensure the product is placed on a flat, stable surface to prevent tipping.
- Do not overload the TV stand. The top surface has a maximum weight capacity of 250 lbs.
- Keep flammable materials at least 3 feet (0.9 meters) away from the front of the fireplace.
- Do not block the air vents of the electric fireplace.
- Plug the fireplace directly into a grounded 120V AC outlet. Do not use extension cords or power strips.
- Unplug the fireplace from the power outlet before performing any maintenance or moving the unit.
- Do not operate the fireplace with a damaged cord or plug, or if the heater malfunctions.
- Keep children and pets away from the fireplace, especially when it is operating.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The product typically ships in two separate packages. If any parts are missing or damaged, please contact customer support.

Included Components:

- Furniture Panels (various sizes)
 - Hardware Pack (screws, dowels, cam locks, etc.)
 - 23-inch Electric Fireplace Insert
 - Remote Control for Fireplace
 - Instruction Manual
-

4. ASSEMBLY AND SETUP

Carefully follow the step-by-step instructions provided in the separate assembly guide included with your product. It is recommended to have two people for assembly. Ensure you have a long, magnetic Phillips head screwdriver for easier installation of the fireplace insert.

Key Assembly Features:

- **Adjustable and Removable Shelves:** The side compartments feature three adjustable and removable shelves, allowing for customized storage and display options.
- **Adjustable Feet:** The stand is equipped with adjustable feet to ensure stability on uneven surfaces.
- **Cord Management:** Integrated cable holes are provided on the back panel for organized routing of electronic device cords.

Image 4.1: Detailed view of the adjustable shelves, adjustable feet for stability, and integrated cord management system.

Installation Tip:

It is often easier to install the electric fireplace insert into the main unit before attaching the top panel of the TV stand. This provides better access for securing the fireplace.

5. OPERATING INSTRUCTIONS (ELECTRIC FIREPLACE)

The integrated 23-inch electric fireplace provides both aesthetic flame effects and supplemental heating. It operates via a simple plug-in electrical connection and can be controlled using the included remote or the control panel on the unit.

Fireplace Features:

- **Heat Output:** 4,800 BTU, capable of heating rooms up to 400 sq. ft.
- **Flame Effect:** Realistic 3D flame effect with 4 levels of brightness adjustment. Can be operated independently of the heat function.
- **Temperature Control:** Adjustable temperature settings ranging from 64°F to 82°F.
- **Timer Function:** Set the fireplace to automatically turn off after a period of 1 to 8 hours.
- **Remote Control:** Full functionality accessible via the included remote control.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your AMERLIFE Fireplace TV Stand.

- **Cleaning the Stand:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the woodgrain finish.
- **Cleaning the Fireplace:** Ensure the fireplace is unplugged and cool before cleaning. Use a soft, damp cloth to wipe the exterior. Do not spray water directly onto the unit.
- **Ventilation:** Periodically check that the air intake and exhaust vents of the fireplace are free from dust and obstructions.
- **Electrical Connections:** Regularly inspect the power cord and plug for any signs of damage. If damage is found, discontinue use and contact customer support.

7. TROUBLESHOOTING

If you encounter issues with your AMERLIFE Fireplace TV Stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, power switch off, or circuit breaker tripped.	Ensure the unit is plugged into a live, grounded outlet. Check the main power switch on the fireplace. Reset the circuit breaker if necessary.
No heat, but flames are visible.	Heat function is off, or thermostat set too low.	Activate the heat function using the remote or control panel. Increase the temperature setting.
Remote control not working.	Dead batteries, or obstruction.	Replace batteries in the remote. Ensure there is no obstruction between the remote and the fireplace sensor.
Unit makes unusual noises.	Fan obstruction or internal issue.	Unplug the unit and check for any obstructions in the fan area. If the noise persists, contact customer support.

For issues not listed here, or if troubleshooting steps do not resolve the problem, please contact AMERLIFE customer support.

8. SPECIFICATIONS
