ScentAir Whisper Home Monthly Plug-in Refill, White Tea & Fig Fragrance Cartridge User Manual

Model: CWC900_1830

1. INTRODUCTION

This manual provides instructions for the ScentAir Whisper Home Monthly Plug-in Refill, featuring the White Tea & Fig fragrance. This cartridge is designed for use with the ScentAir Whisper Home Diffuser (sold separately) to deliver a consistent and pleasant aroma in your home or office environment.

The White Tea & Fig fragrance is a delicately sweet blend. White tea notes offer floral jasmine and lily of the valley, complemented by a hint of bright lemon. Fresh, honeyed fig contributes earthy, nutty undertones, enriched with warm current, amber, and musk.

3. OPERATING INSTRUCTIONS

The ScentAir Whisper Home Diffuser utilizes patented dry-air fragrance technology to evenly diffuse scent throughout your space. It also incorporates Odor-Neutralization Technology to eliminate unwanted odors at their source.

- **Scent Diffusion:** The diffuser draws air through the cartridge, releasing the fragrance into the environment.
- **Coverage:** One cartridge can effectively scent an area of up to 800 square feet, suitable for 1-2 large rooms.
- **Duration:** Each cartridge provides up to 300 hours of vivid fragrance.
- **Controls:** The diffuser features smart and touch controls, allowing you to manage scent intensity and schedules via a smartphone application.

4. MAINTENANCE

The primary maintenance for your ScentAir Whisper Home system involves replacing the fragrance cartridge when it is depleted. Each cartridge is designed to last approximately 300 hours.

- When the fragrance diminishes, follow the steps in the 'Setup' section to replace the old cartridge with a new one.
- Note that in the updated design, cages are no longer included with the cartridge.

5. TROUBLESHOOTING

If you experience issues with your ScentAir Whisper Home system or fragrance cartridge, consider the following:

- **No Scent:** Ensure the cartridge is correctly seated in the diffuser. Check if the diffuser is powered on and functioning. The cartridge may be depleted and require replacement.
- **Weak Scent:** Adjust the intensity settings on your diffuser or via the smartphone application. Ensure the diffuser is placed in an optimal location for scent distribution.
- **Unusual Odor:** If the scent seems off, ensure the cartridge is not expired. Store cartridges in a cool, dry place away from direct sunlight.
