4. Setup

4.1. Initial Charge

Before first use, fully charge the earbuds and the charging case. Connect the USB-C cable to the charging case and a power source, or place the case on a wireless charging pad. The indicator light will show charging status.

4.2. Fitting the Earbuds

Select the silicone ear tips that provide the most comfortable and secure fit for your ears. A proper fit is crucial for optimal sound quality and passive noise cancellation. Gently insert the earbuds into your ear canal and twist slightly to secure them.

6. CHARGING

The TREBLAB WX8 earbuds and their charging case offer flexible charging options to ensure you're always ready for use.

6.1. Charging the Earbuds

Place the earbuds into the charging case. Ensure they are properly seated so the charging contacts

align. The earbuds will begin charging automatically.

6.2. Charging the Case

- **USB-C Charging:** Connect the provided USB-C cable to the charging port on the case and to a compatible USB power adapter.
- **Wireless Charging:** Place the charging case on a Qi-compatible wireless charging pad. Ensure the case is centered on the pad for efficient charging.

A full charge for the case takes approximately 1 hour. The case stores enough power for up to 4 additional charges for your earbuds, extending total playtime to 28 hours.

7.2. Cleaning

Regularly clean the earbuds and charging case to prevent debris buildup. Use a soft, dry, lint-free cloth. For ear tips, remove them from the earbuds and clean with mild soap and water, then dry thoroughly before reattaching.

8. TROUBLESHOOTING

If you encounter issues with your TREBLAB WX8 earbuds, try the following steps:
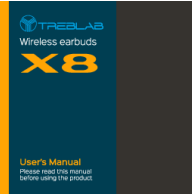

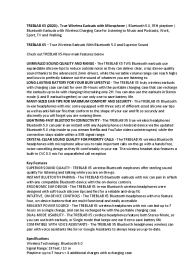

- **No Sound/Pairing Issues:** Ensure earbuds are charged. Turn off and on your device's Bluetooth. Perform a factory reset (refer to Operating Instructions).
- **One Earbud Not Working:** Place both earbuds back in the case, close it, then open and take them out again. Re-pair with your device.
- **Charging Problems:** Check the USB-C cable connection. Ensure the wireless charging pad is active and the case is correctly placed. Clean charging contacts on earbuds and case.
- **Uncomfortable Fit:** Try different sizes of silicone ear tips provided in the box to find the best fit.
