Smoby Green Table (Model 880406) Instruction Manual

Your guide to assembly, use, and care.

INTRODUCTION

This manual provides essential information for the safe and proper use of your Smoby Green Table, Model 880406. This modern children's table is designed for both indoor and outdoor use, featuring durable plastic construction with anti-UV treatment to maintain color integrity. It is suitable for children aged 18 months to 6 years.

The Smoby Green Table is a robust and stable piece of furniture, manufactured in France, designed to support children's activities such as drawing, playing, and eating. Please read these instructions carefully before assembly and use.

SETUP INSTRUCTIONS

The Smoby Green Table is designed for quick and easy assembly. No special tools are required.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components are present: one tabletop and four legs.
2. **Attach Legs:** Locate the four attachment points on the underside of the tabletop. Align each leg with an attachment point.
3. **Secure Legs:** Firmly push each leg into its designated slot until it clicks securely into place. Ensure all legs are fully inserted and stable before use.
4. **Stability Check:** Gently rock the assembled table to confirm it is stable and does not wobble. If unstable, re-check leg attachments.

OPERATING INSTRUCTIONS

The Smoby Green Table is designed for versatile use by children aged 18 months to 6 years. It can be used in various settings:

- **Indoor Use:** Ideal for playrooms, bedrooms, or living areas for activities such as drawing, crafts, reading, or snack time.
- **Outdoor Use:** Suitable for gardens, patios, or balconies. The anti-UV treated plastic helps protect the color from sun exposure.

Ensure the table is placed on a flat, stable surface to prevent tipping. Supervise young children during use.

MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your Smoby Green Table, follow these simple care instructions:

- **Cleaning:** Wipe the table surfaces with a damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, damp cloth.
- **Drying:** Ensure the table is thoroughly dried after cleaning, especially if used outdoors, to prevent water spots.
- **Storage:** When not in use for extended periods, especially outdoors during harsh weather, it is recommended to store the table in a sheltered area to further protect its materials.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the plastic and anti-UV treatment.

TROUBLESHOOTING

The Smoby Green Table is a simple and robust product. Most issues can be resolved with basic checks.

Problem	Possible Cause	Solution
Table wobbles or is unstable.	Legs not fully inserted or uneven surface.	Ensure all four legs are securely pushed into their slots. Move the table to a flat, level surface.
Difficulty cleaning stains.	Dried-on food or art supplies.	Use a damp cloth with a small amount of mild soap. For tougher stains, allow the soap solution to sit for a few minutes before wiping. Avoid abrasive scrubbers.
Color fading (over time).	Prolonged exposure to direct sunlight.	While the table has anti-UV treatment, continuous exposure to intense sunlight can still cause gradual fading. Store indoors or in shade when not in use for extended periods.
