Step-by-Step Guide:

1. **Install Side Brushes:** Turn the robot vacuum upside down. Align the side brushes with the designated slots on the bottom of the robot and press firmly until they click into place.
2. **Remove Protective Material:** Locate and remove any protective strips or films from the robot's bumper, charging contacts, and dustbin area. This includes a red key inside the dustbin compartment.

3. **Activate Power Switch:** Open the top cover of the robot to access the main power switch. Slide the switch to the "ON" position. This switch should remain on during normal operation and charging.

1.3 Charging the Robot Vacuum

Place the charging dock against a wall in an open area. Connect the power adapter to the charging dock and plug it into a power outlet. Place the robot vacuum onto the charging dock, ensuring the charging contacts align. The indicator light on the robot will show charging status. For first-time use, charge the robot for at least 4-5 hours until fully charged.
