Audio Pro A10 MKII

Audio Pro A10 MKII Wireless Speaker

USER MANUAL

1. Product Overview

The Audio Pro A10 MKII is a compact yet powerful multiroom wireless speaker designed to deliver astonishing sound with deep bass and clear details. Its rounded design and fabric front seamlessly blend into modern home decor. This speaker supports various connectivity options including Wi-Fi, Bluetooth, and a 3.5 mm auxiliary input, offering versatile playback for your audio needs.

AUX

100-240V~50/60Hz, 60W

Figure 1.1: The Audio Pro A10 MKII Wireless Speaker in Dark Grey, showcasing its cylindrical design and fabric finish.

Despite its small footprint, the A10 MKII utilizes a dedicated woofer and BMR (Balanced Mode Radiator) technique to achieve a rich audio experience. It is designed for multiroom flexibility, allowing you to play music across multiple speakers simultaneously or individually, controlled easily via the Audio Pro Control app.

Figure 1.2: Key features of the A10 MKII, including its 1.25" BMR driver tweeter and 3" long-throw woofer, multiroom sound capabilities, Wi-Fi certification, Bluetooth 4.0, Spotify Connect, and Apple AirPlay compatibility.

2. Setup and Installation

2.1 Unboxing and Placement

Carefully remove the speaker and all accessories from the packaging. Place the speaker on a stable, flat surface. For optimal sound dispersion, avoid placing the speaker in enclosed spaces or directly against walls, unless utilizing the wall-mounting feature.

Mount it to walls or ceilings.

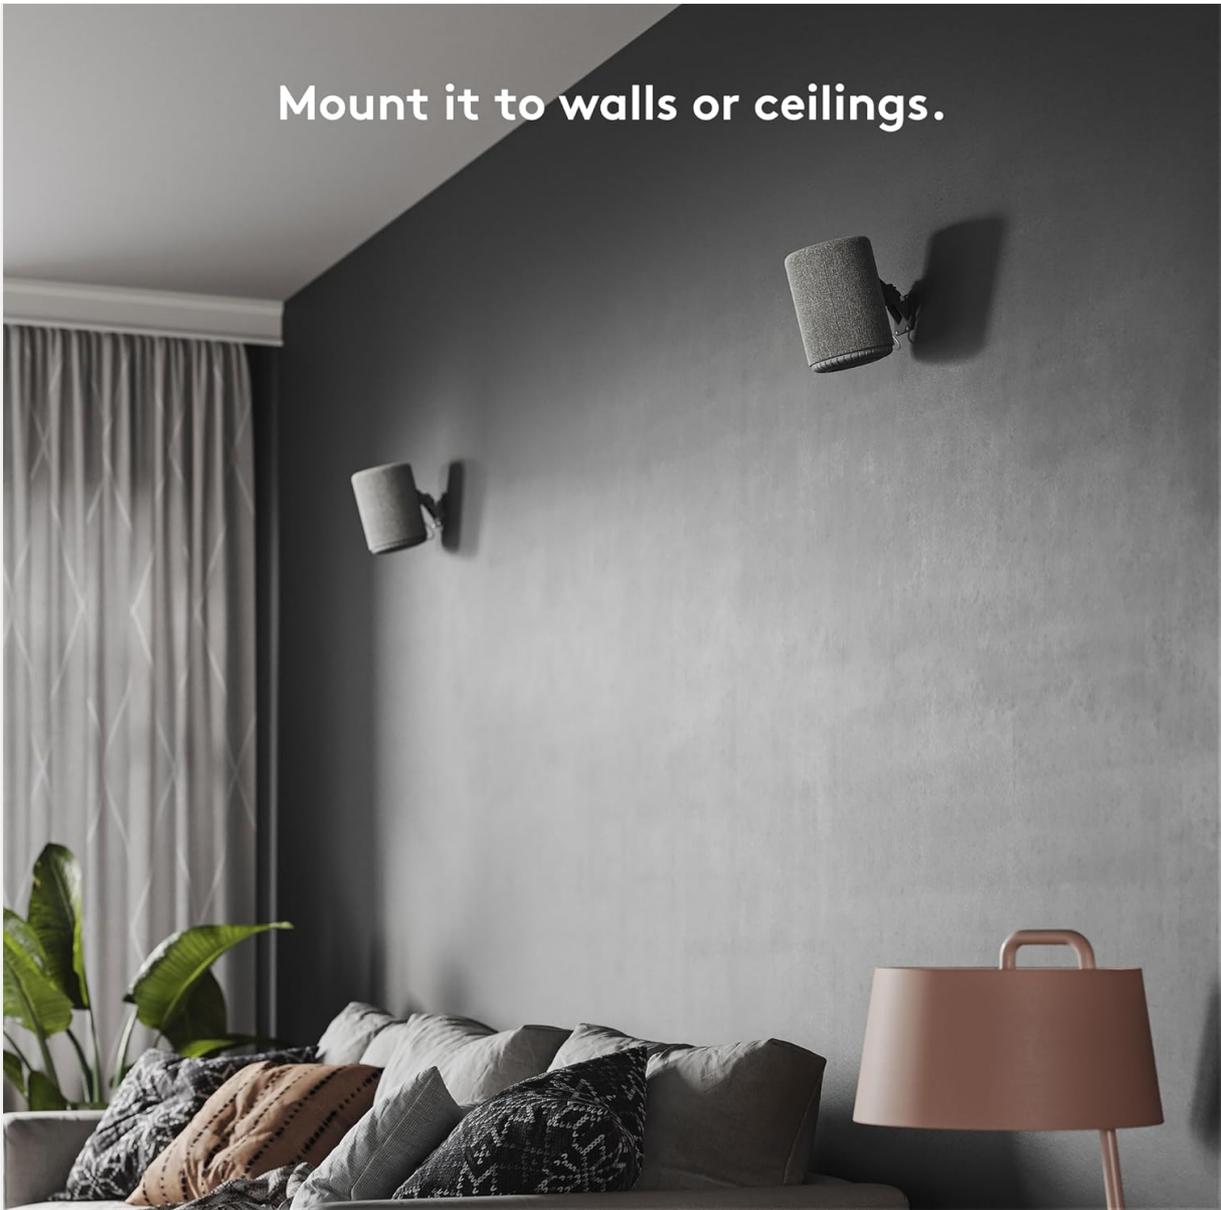

Figure 2.1: The A10 MKII can be mounted to walls or ceilings using compatible brackets (sold separately) for flexible placement options.

2.2 Power Connection

Connect the provided power cable to the '100-240V ~ 50/60Hz' input port on the rear of the speaker. Plug the other end into a wall outlet. The speaker will power on automatically.

Play from three different inputs.

2.3 Audio Pro Control App

For full control and multiroom functionality, download the Audio Pro Control app on your smartphone or tablet. The app is available for both iOS and Android devices.

- For iOS: [Download on the App Store](#)
- For Android: [Get it on Google Play](#)

Control Audio Pro units with the *Audio Pro Control* app for iOS and Android.

Figure 2.3: Control your Audio Pro A10 MKII and other Audio Pro units using the dedicated Audio Pro Control app for iOS and Android.

2.4 Network Connection (Wi-Fi)

Open the Audio Pro Control app and follow the on-screen instructions to connect your A10 MKII to your home Wi-Fi network. Ensure your speaker is within range of your Wi-Fi router. The A10 MKII supports both 2.4GHz and 5GHz Wi-Fi bands.

2.5 Bluetooth Pairing

To pair via Bluetooth, press and hold the Bluetooth button on the top panel of the speaker until the LED indicator starts blinking blue. On your device (smartphone, tablet, or laptop), go to Bluetooth settings and select "Audio Pro A10 MKII" from the list of available devices. Once connected, the LED will turn solid blue.

3. Operating Your Speaker

3.1 Controls and Indicators

The top panel of the A10 MKII features intuitive controls and an LED indicator for easy operation.

Figure 3.1: Top panel controls including LED indicator, source selection, On/Off, Bluetooth pairing, Play/Pause, and volume control, along with Wi-Fi presets.

- **LED Indicator:** Displays connection status and mode.
- **On/Off:** Power button.
- **Select Source:** Cycles through Wi-Fi, Bluetooth, and AUX inputs.
- **Volume Control (+/-):** Adjusts playback volume.
- **Pair Bluetooth:** Initiates Bluetooth pairing mode.
- **Play/Pause:** Controls media playback.
- **Wi-Fi Presets (1-4):** Programmable buttons for quick access to favorite radio stations or playlists.

3.2 Input Selection

The A10 MKII offers multiple ways to play your audio. Use the 'Select Source' button on the top panel or the Audio Pro Control app to switch between inputs.

Figure 3.2: The A10 MKII supports Wi-Fi (Audio Pro Multiroom, Chromecast built-in, Apple AirPlay, Tidal Connect, Spotify Connect), Bluetooth 5.0, and AUX inputs.

- **Wi-Fi:** Connects to your home network for streaming via the Audio Pro Multiroom system, Chromecast built-in, Apple AirPlay 2, Tidal Connect, and Spotify Connect.
- **Bluetooth:** For direct wireless connection from any Bluetooth-enabled device.
- **AUX:** Use a 3.5 mm audio cable to connect external audio sources like turntables (RIAA-amp may be needed) or other devices.

3.3 Multiroom Functionality

The A10 MKII is designed for multiroom audio, allowing you to group multiple Audio Pro speakers together for synchronized playback throughout your home. Use the Audio Pro Control app to create speaker groups and manage playback zones.

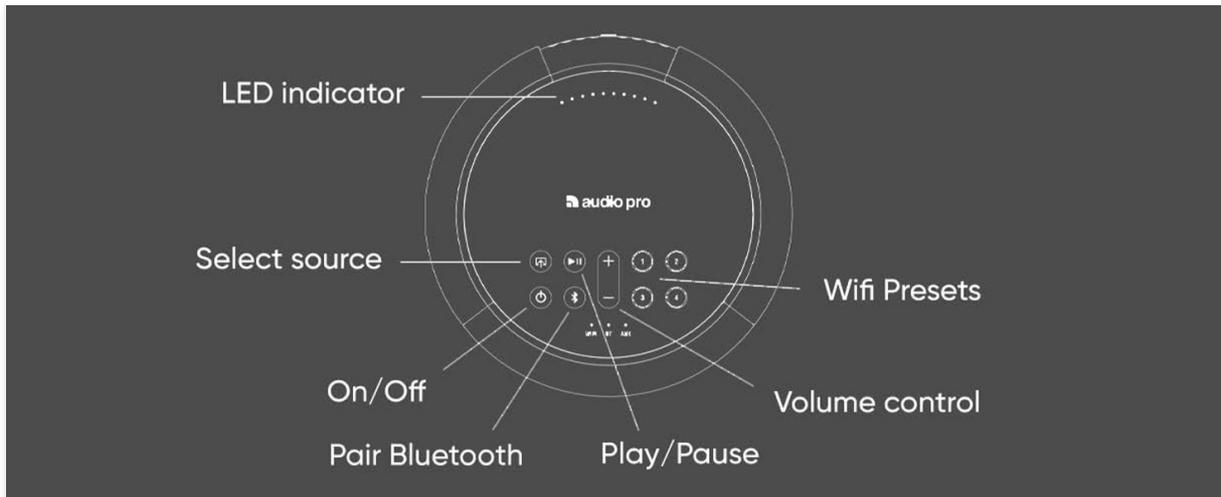

Figure 3.3: Multiroom sound allows for multi-person usage, enabling users to group speakers and play music together or individually.

3.4 Presets

The four preset buttons (1-4) on the top panel allow for quick access to your favorite radio stations or playlists. To save a preset, simply navigate to your desired content in the Audio Pro Control app, then press and hold one of the preset buttons until you hear a confirmation sound. To recall a preset, simply press the corresponding button.

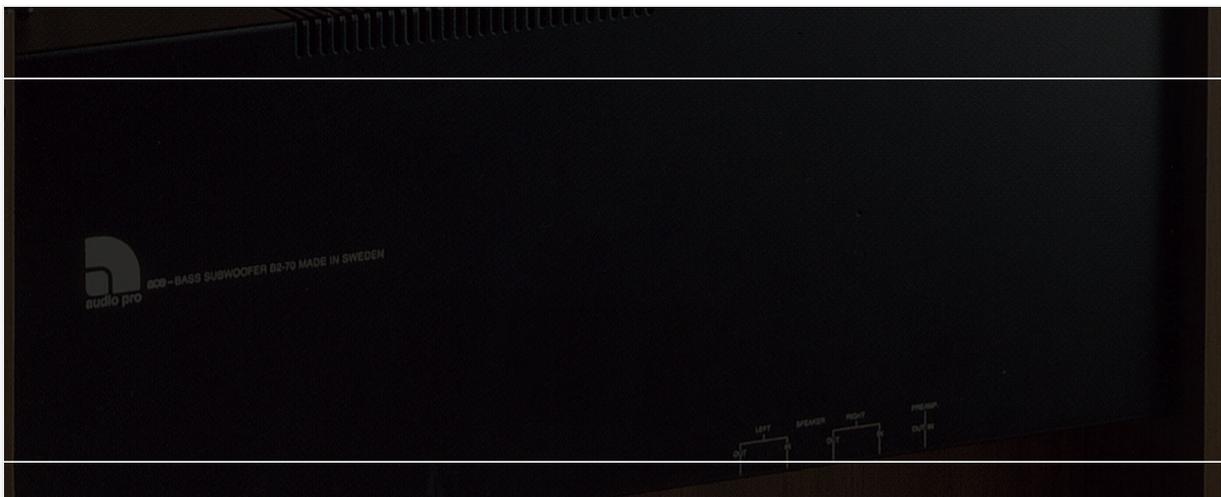

Figure 3.4: The top panel with clearly marked preset buttons (1, 2, 3, 4) for easy access to saved content.

3.5 Streaming Services

The A10 MKII supports direct streaming from popular services like Spotify, Amazon Music, and others through AirPlay 2 and Chromecast built-in when connected via Wi-Fi. Ensure your streaming service accounts are linked within the Audio Pro Control app for seamless playback.

4. Care and Maintenance

To ensure the longevity and optimal performance of your Audio Pro A10 MKII speaker, follow these care

guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the speaker's surface. Do not use liquid cleaners, aerosols, or abrasive solvents, as these may damage the finish or internal components.
- **Dust:** Regularly dust the speaker, especially the fabric grille, to prevent accumulation that could affect sound quality.
- **Placement:** Avoid exposing the speaker to extreme temperatures, direct sunlight, high humidity, or water. Keep it away from heat sources and strong magnetic fields.
- **Storage:** If storing the speaker for an extended period, disconnect it from power and store it in a cool, dry place, preferably in its original packaging.

5. Troubleshooting

If you encounter issues with your Audio Pro A10 MKII, refer to the table below for common problems and their solutions.

Problem	Possible Cause	Solution
No power	Power cable not connected; Power outlet not active	Ensure power cable is securely connected to speaker and wall outlet; Test outlet with another device.
No sound	Volume too low; Incorrect input selected; Source device not playing	Increase volume on speaker and source device; Select correct input (Wi-Fi, BT, AUX); Ensure source device is playing audio.
Cannot connect to Wi-Fi	Incorrect Wi-Fi password; Speaker out of range; Router issues	Verify Wi-Fi password; Move speaker closer to router; Restart router and speaker.
Bluetooth pairing issues	Speaker not in pairing mode; Device already paired; Interference	Press and hold Bluetooth button to enter pairing mode; Disconnect from previously paired devices; Move closer to speaker, reduce interference.
Sound distortion	Volume too high; Poor audio source quality; Interference	Lower volume; Use high-quality audio files/streams; Check for sources of interference.

If the issue persists, try performing a factory reset by pressing the 'Reset' button on the rear panel (refer to Figure 2.2) with a small pointed object. This will restore the speaker to its original factory settings.

6. Technical Specifications

Feature	Specification
Model Name	A10
Speaker Type	Multi Room

Feature	Specification
Special Feature	Multi Room Audio
Recommended Uses	For Music Players
Compatible Devices	Smartphone, Tablet, Laptop
Subwoofer Diameter	140 Millimeters
Controller Type	Button, App Control
Surround Sound Channel Configuration	2.0
Color	A10 MK II Dark Grey
Product Dimensions	8.82"W x 8.7"H
Item Weight	2.5 Kilograms (5.5 pounds)
Is Waterproof	FALSE
Maximum Range (Bluetooth)	10 Meters
Number of Items	1
Control Method	App
Wireless Communication Technology	Bluetooth, Wi-Fi
Speaker Size	6.7 Inches
Power Source	Battery Powered (Note: Product specifications indicate AC power, but this field states Battery Powered. Please refer to power input for accurate information.)
Audio Driver Type	Dynamic Driver
Connectivity Protocol	Bluetooth, Wi-Fi
Includes MP3 player?	No
Series Number	15

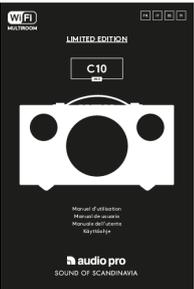

Feature	Specification
Manufacturer	Audio Pro
Item model number	15280
Date First Available	January 22, 2019
Speaker Maximum Output Power	52 Watts
Connectivity Technology	Auxiliary
Audio Output Mode	Stereo
Mounting Type	Tabletop Mount

7. Warranty and Support

The Audio Pro A10 MKII comes with a Limited Warranty. For specific details regarding the warranty period and coverage, please refer to the documentation included with your purchase or visit the official Audio Pro website.

For technical support, troubleshooting assistance beyond this manual, or warranty claims, please contact Audio Pro customer service. Contact information can typically be found on the Audio Pro website or within your product packaging.
