VIAGDO Wall Mounted Bamboo Storage Cabinet (Double Door)

Model: 5255d958-a919-4ca6-9458-8bc630c17165

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your VIAGDO Wall Mounted Bamboo Storage Cabinet. Designed for versatile use in bathrooms, kitchens, or entryways, this cabinet features adjustable shelving and a durable bamboo construction to enhance your storage solutions. Please read this manual thoroughly before assembly and use to ensure safe and proper installation and function.

Safety Information

- **Weight Limit:** Do not exceed the maximum weight limit of 15 kg (33 lbs) per shelf. Exceeding this limit can lead to structural damage or injury.
- **Proper Mounting:** Ensure the cabinet is securely mounted to a wall stud or using appropriate drywall anchors for stability. Improper mounting can result in the cabinet falling.
- **Assembly:** Follow all assembly instructions carefully. Do not overtighten screws.
- **Placement:** Avoid placing the cabinet in areas with excessive moisture or direct sunlight for prolonged periods to prevent material degradation.
- **Children:** Keep small parts and assembly hardware out of reach of children.

Product Features

- **Material:** Constructed entirely from durable, carbonized bamboo, offering enhanced strength and moisture resistance compared to MDF.
- **Adjustable Shelf:** Features one adjustable shelf that can be positioned at three different heights, allowing customization for various storage needs.
- **Double Louvered Doors:** Two louvered doors provide ventilation and a stylish appearance, concealing contents while allowing air circulation.
- **Magnetic Closure:** Doors are equipped with magnetic closures for secure and smooth opening and closing.

- **Space-Saving Design:** Wall-mounted design maximizes floor space, ideal for smaller rooms.
- **Versatile Application:** Suitable for use in bathrooms, kitchens, hallways, or utility rooms.

Dimensions

The VIAGDO Wall Mounted Bamboo Storage Cabinet has the following dimensions:

Overall Dimensions: 23.2 inches (Width) x 8.1 inches (Depth) x 20.4 inches (Height)

Adjustable Shelf Range: The middle shelf can be adjusted by approximately ±1.6 inches from its central position.

Package Contents

Before beginning assembly, please ensure all parts are present and undamaged. The package typically includes:

- Cabinet panels (top, bottom, sides, back)

- Two louvered doors
- One adjustable shelf
- Assembly hardware (screws, dowels, magnetic catches, wall anchors)
- Instruction manual

If any parts are damaged or missing, please contact customer support for assistance.

Assembly Instructions

The cabinet is designed for straightforward assembly. A Phillips head screwdriver (not included) is typically required.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the parts list in the included manual to identify each piece.
2. **Assemble the Frame:** Attach the side panels to the top and bottom panels using the provided screws and dowels. Ensure all connections are secure.
3. **Install Back Panel:** Slide or attach the back panel into the designated grooves or using small nails/screws.
4. **Insert Adjustable Shelf:** Place the adjustable shelf into the desired height position. The shelf is supported by dowels that fit into pre-drilled holes.
5. **Attach Doors:** Mount the louvered doors to the cabinet frame using the provided hinges. Ensure the doors open and close smoothly.
6. **Install Magnetic Catches:** Attach the magnetic catches to the cabinet frame and doors to ensure they remain closed.
7. **Wall Mounting:**
    - Locate suitable mounting points on your wall, preferably wall studs, for maximum stability.
    - Mark the drilling locations for the mounting hardware.
    - Drill pilot holes and insert the appropriate wall anchors (if not mounting into studs).
    - Securely attach the cabinet to the wall using the provided screws and mounting brackets.

Operation

- **Opening/Closing Doors:** Gently pull the doors open or push them closed. The magnetic catches will hold them securely.
- **Adjusting Shelves:** To adjust the shelf height, carefully lift the shelf to disengage it from the dowels. Reposition the dowels into the desired set of holes on the side panels, then place the shelf back onto the dowels. Ensure the shelf is level and stable before placing items on it.

Maintenance

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the lacquered bamboo finish.
- **Moisture:** While the bamboo is moisture-resistant, it is recommended to wipe away any standing water or excessive moisture promptly to maintain its longevity.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Cabinet feels unstable after mounting.	Improper wall mounting or loose hardware.	Ensure the cabinet is mounted into wall studs or using appropriate, securely installed drywall anchors. Tighten all mounting screws.
Doors do not close properly.	Misaligned hinges or magnetic catches.	Adjust the hinges or reposition the magnetic catches to ensure proper alignment and closure.
Shelf is not level or falls out.	Dowels not fully inserted or incorrect hole selection.	Ensure the shelf dowels are fully inserted into the corresponding holes on both sides and that the holes selected are at the same height.

Specifications

Attribute	Detail
Brand	VIAGDO
Model Number	5255d958-a919-4ca6-9458-8bc630c17165
UPC	770773180116
