7. Important Safety Information and Legal Disclaimer

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.
Statements regarding dietary supplements have not been evaluated by the Food and Drug Administration (FDA) and are not intended to diagnose, treat, cure, or prevent any disease or health condition.
Consult with a healthcare professional before starting any new supplement regimen, especially if you have pre-existing health conditions or are taking other medications.

8. Troubleshooting

8.1. Mixing Issues

If the powder does not mix well, ensure you are using the recommended amount of liquid (6-10 oz) and shaking or stirring vigorously. Using a shaker bottle with a whisk ball can improve mixability. Some settling may occur, which is normal.

8.2. Taste Concerns

Taste perception can vary. If the taste is not to your preference, try adjusting the amount of liquid or mixing with different beverages (e.g., almond milk, oat milk) or blending with fruits to create a smoothie.
