Bellemave B09NPSP83F

Metal Triple L-Shaped Bunk Bed Instruction Manual

Model: B09NPSP83F | Brand: Bellemave

IMPORTANT SAFETY INFORMATION

This metal bunk bed is designed for children, teenagers, and adults. It is constructed with heavy-duty metal and MDF board, ensuring stability and durability. The bed features full-length guardrails on the top bunk and sturdy legs made of metal and MDF board. The maximum weight recommendation for each bed is 250 pounds. Always follow the assembly instructions provided to ensure proper installation and stability. Inspect the bed regularly for any signs of wear or damage, and do not exceed the recommended weight capacity. ***Failure to follow these guidelines could result in injury or product failure.***

- Ensure all bolts and connections are securely tightened before use.
- Do not allow children under 6 years of age on the upper bunk.
- Use only mattresses that meet the specified dimensions and thickness.
- Periodically check and re-tighten all fasteners.
- Do not use substitute parts. Contact Bellemave for replacement parts.

PRODUCT OVERVIEW

The Bellemave Metal Triple L-Shaped Bunk Bed is a versatile and space-saving solution for multiple occupants. Its mission-style design, crafted from durable metal and MDF board, offers both aesthetic appeal and long-lasting stability. This L-shaped configuration includes two twin-size upper beds and one twin-size bottom bed, along with an integrated desk and shelf, making it ideal for families, sleepovers, or maximizing space in any bedroom.

Key Features:

- **High Quality Metal Triple Bunk:** Constructed with heavy-duty metal for strength and stability, supporting up to 250lb per bed. No box spring required.
- **Saving Space Triple Bunk Beds:** L-shaped design fits into room corners, combining two twin upper beds and one twin bottom bed.
- **High Safety for Kids:** Features full-length guardrails on top beds and two attached ladders for safe access.
- **Triple Bunk with Desk:** Integrated desk and shelf underneath the loft bed provide a dedicated space for study, work, or storage.
- **Easy to Assemble:** Comes with clear instructions and hardware for straightforward assembly.

Video 1: Step-by-step assembly guide for the L-Shaped Triple Bunk Bed.

Step-by-Step Written Instructions:

- Step 1: Assemble the Headboards/Footboards for the Lower Bunk.** Attach the wooden panels to the metal frames using the provided screws.
- Step 2: Connect the Side Rails to the Lower Bunk Headboards/Footboards.** Secure the long side rails to the assembled headboards and footboards using bolts and nuts.
- Step 3: Install the Support Slats for the Lower Bunk.** Place the metal support slats across the lower bunk frame and secure them.
- Step 4: Assemble the Headboards/Footboards for the Upper Bunk.** Similar to Step 1, attach wooden panels to the upper bunk frames.
- Step 5: Connect the Side Rails to the Upper Bunk Headboards/Footboards.** Secure the long side rails to the assembled upper bunk headboards and footboards.
- Step 6: Install the Support Slats for the Upper Bunk.** Place the metal support slats across the upper bunk frame and secure them.
- Step 7: Attach the Ladder.** Securely fasten the ladder to the designated side of the bunk bed frame.
- Step 8: Assemble the Loft Bed Frame.** Connect the headboard/footboard and side rails for the loft bed section.
- Step 9: Install the Support Slats for the Loft Bed.** Place the metal support slats across the loft bed frame and secure them.
- Step 10: Connect the Loft Bed to the Bunk Bed.** Carefully align and secure the loft bed frame to the main bunk bed structure, forming the L-shape. Ensure all connection points are tight.
- Step 11: Attach the Desk and Shelf Components.** Secure the desk surface and shelf panels to the loft bed support posts using the provided hardware.
- Step 12: Final Inspection.** Double-check all bolts, screws, and connections to ensure they are fully tightened and the bed is stable.

OPERATING INSTRUCTIONS

- Weight Capacity:** Each bed (upper, lower, and loft) has a maximum weight capacity of 250 pounds. Do not exceed this limit.
- Mattress Requirements:** Use only twin-size mattresses with a recommended thickness of 6 inches for the upper bunk and 8 inches for the lower bunk.
- Ladder Use:** Always use the provided ladder for accessing the upper bunks. Do not climb on the bed frame or guardrails.

- **Guardrails:** Ensure guardrails are always in place on the upper bunks to prevent falls.
- **Desk and Shelf Use:** The integrated desk and shelf are designed for light use, such as holding books, a laptop, or small decorative items. Do not place excessively heavy objects on them.

MAINTENANCE

- **Cleaning:** Wipe the metal and MDF surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Regular Inspection:** Periodically (e.g., monthly or quarterly) inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain stability and safety.
- **Damage Check:** Check for any signs of wear, cracks, bends, or loose parts. If any damage is found, discontinue use immediately and contact customer support for assistance.

TROUBLESHOOTING

- **Wobbling or Instability:**
 - Ensure all assembly bolts are fully tightened.
 - Verify that the bed is placed on a flat, level surface.
 - Check for any bent or damaged frame components.
- **Missing Parts:**
 - Refer to the parts list in your original packaging.
 - Contact Bellemave customer support with your model number and a description of the missing parts.
- **Squeaking Noises:**
 - Tighten all bolts and connections.
 - Apply a small amount of lubricant (e.g., silicone spray) to metal-on-metal contact points if tightening does not resolve the issue.

WARRANTY AND SUPPORT

For warranty information, replacement parts, or any other support inquiries, please contact Bellemave customer service. Keep your purchase receipt and model number (B09NPSP83F) handy for faster service. You can also visit the official Bellemave store on Amazon for more information: [Bellemave Store](#)
