Wange Building Block Christ The Redeemer Model Instruction Manual

Model: 5231

1. INTRODUCTION

Welcome to the Wange Building Block Christ The Redeemer Model. This set allows you to construct a detailed replica of the iconic Christ the Redeemer statue in Rio de Janeiro, Brazil. Designed for enthusiasts aged 6 and up, this 973-piece set offers an engaging building experience.

Key Features

- 973 pieces for detailed construction.
- Compatible with other major brand building blocks.
- Made from durable ABS Plastic.
- Suitable for ages 6 years and up.

2. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Wange Christ The Redeemer model.

2.1 Unpacking and Preparation

- Carefully open the packaging and remove all building block bags.
- Organize the blocks by color and shape to facilitate assembly.
- Ensure all 973 pieces are present. Refer to the included parts list if available.

2.2 Step-by-Step Construction

The assembly process is guided by the detailed diagrams provided in the physical instruction booklet included with your set. Follow the numbered steps carefully.

1. Begin by constructing the base of the model, ensuring all pieces are firmly connected.
2. Proceed to build the pedestal, layer by layer, following the numerical sequence in the instructions.
3. Assemble the main body of the Christ the Redeemer statue, paying close attention to the orientation of each block.
4. Attach the arms and head, ensuring they are securely fastened.
5. Complete any final detailing as indicated in the manual.

3. DISPLAY AND INTERACTION

Once assembled, your Wange Christ The Redeemer model is ready for display.

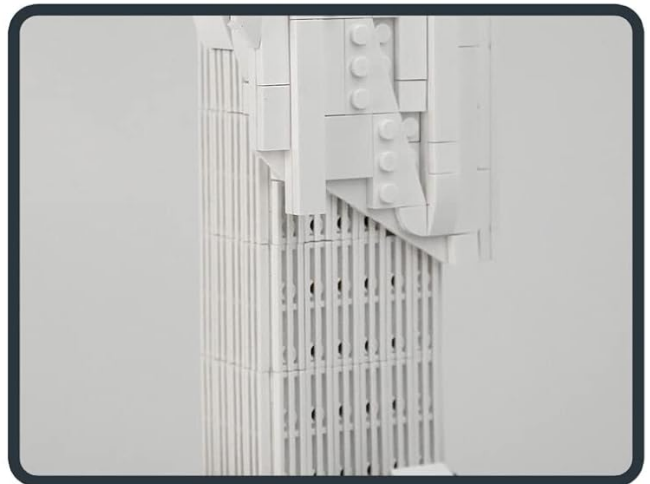

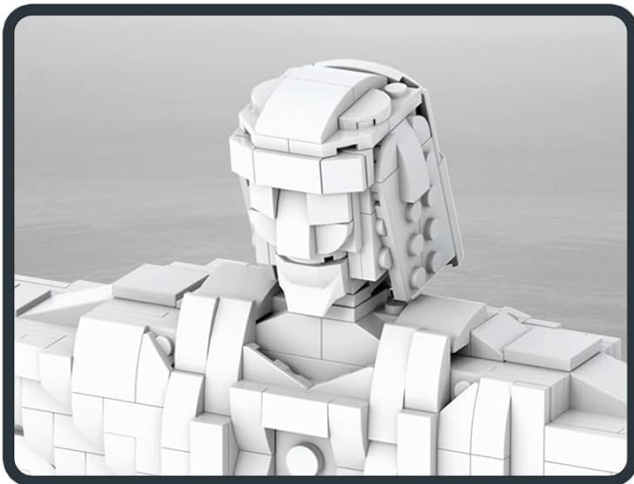

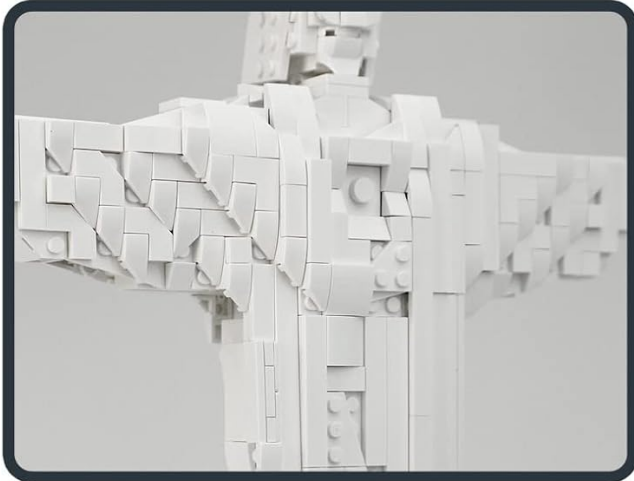

3.1 Display Recommendations

- Place the model on a stable, flat surface to prevent accidental falls.
- Avoid direct sunlight or extreme temperatures to preserve the integrity of the plastic blocks.
- Consider a display case to protect the model from dust and damage.

3.2 Interaction

- This model is primarily for display. While durable, frequent disassembly and reassembly may loosen connections over time.
- Handle the model carefully to avoid dislodging individual blocks.

4. MAINTENANCE

Proper care will ensure the longevity and appearance of your building block model.

4.1 Cleaning

- Dust the model regularly with a soft, dry cloth or a soft-bristled brush.
- For more thorough cleaning, gently wipe with a damp cloth using mild soap and water. Avoid harsh chemicals.
- Ensure the model is completely dry before returning it to display.

4.2 Storage

- If disassembling for storage, keep all pieces in a sealed container to prevent loss.
- Store in a cool, dry place away from direct heat or sunlight.

5. TROUBLESHOOTING

5.1 Missing Pieces

- Double-check all packaging materials and the assembly area. Small pieces can be easily overlooked.
- If pieces are genuinely missing, contact Wange customer support with your model number and a description of the missing parts.

5.2 Difficulty Connecting Blocks

- Ensure blocks are correctly oriented. Some blocks have specific connection points.
- Apply firm, even pressure when connecting blocks.
- If a block seems too tight, try a different piece of the same type if available, or gently rotate it.

5.3 Model Instability

- Review the assembly steps for the section that appears unstable. Ensure all connections are secure.
- Verify that the base is correctly assembled and on a flat surface.
