## Xiaomi Xiaomi Redmi Buds 3 Lite

# Xiaomi Redmi Buds 3 Lite User Manual

True Wireless Earbuds

## INTRODUCTION

This manual provides comprehensive instructions for the use and maintenance of your Xiaomi Redmi Buds 3 Lite True Wireless Earbuds. Please read this manual carefully before use to ensure proper operation and to maximize the lifespan of your device.

The Xiaomi Redmi Buds 3 Lite are designed for a seamless audio experience, featuring Bluetooth 5.2 connectivity, low latency for gaming, and a waterproof design suitable for sports and daily use. They offer deep bass and touch controls for convenient operation.

## PRODUCT OVERVIEW

**Figure 1:** Xiaomi Redmi Buds 3 Lite earbuds securely placed within their compact charging case.

**Figure 2:** A user demonstrating the comfortable and secure fit of the Redmi Buds 3 Lite in the ear.

## SETUP

---

### Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the charging case to a USB power source using a compatible USB-C cable. The indicator light on the case will show charging status.

### Pairing with a Device

1. Ensure the charging case is sufficiently charged.
2. Open the charging case. The earbuds will automatically enter pairing mode. The indicator light on the case will blink to indicate pairing readiness.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for available Bluetooth devices and select "Redmi Buds 3 Lite" from the list.
5. Once connected, you will hear a confirmation sound, and the indicator light on the case will turn off.

## Easy connections

### "Beep", your earbuds are connected

Automatic device recognition and simple wireless connections.

Take your earbuds out of the charging case and insert into your ears. You'll hear the connection sound, signifying that your device is now connected to your earbuds.

Figure 3: The earbuds automatically connect to your device upon removal from the charging case.

## Wearing the Earbuds

Gently insert the earbuds into your ear canal and rotate them slightly to find a comfortable and secure fit. The ergonomic design ensures stability during various activities.

**Secure, snug fit**  
**Lightweight and soft**  
**on the skin**

The ergonomic design brings effortless comfort and keeps Redmi Buds 3 Lite secure in your ears even during exercise.

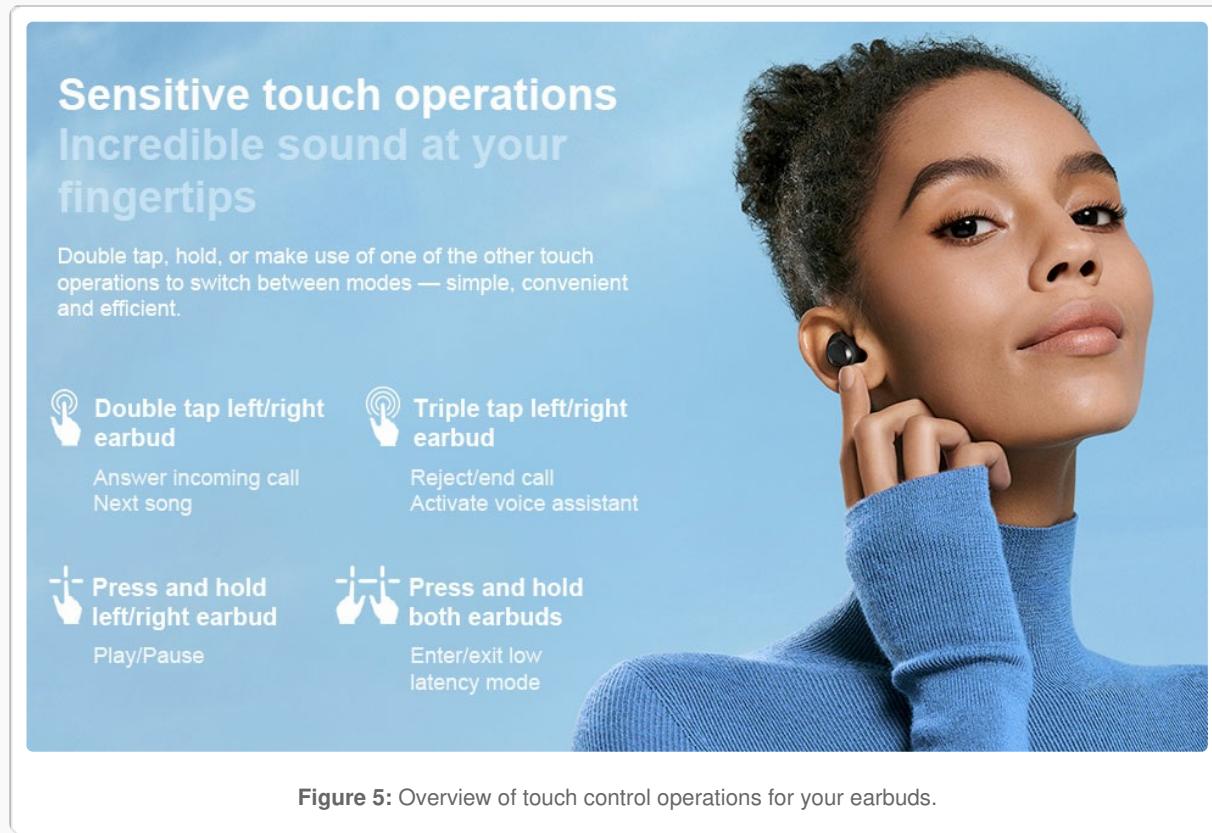

Figure 4: The ergonomic design provides a secure and comfortable fit for extended wear.

## OPERATING INSTRUCTIONS

### Touch Controls

The Redmi Buds 3 Lite feature intuitive touch controls on each earbud. The following table outlines the functions:

**Sensitive touch operations**  
**Incredible sound at your fingertips**

Double tap, hold, or make use of one of the other touch operations to switch between modes — simple, convenient and efficient.

 <b>Double tap left/right earbud</b>	 <b>Triple tap left/right earbud</b>
Answer incoming call Next song	Reject/end call Activate voice assistant
 <b>Press and hold left/right earbud</b>	 <b>Press and hold both earbuds</b>
Play/Pause	Enter/exit low latency mode

Figure 5: Overview of touch control operations for your earbuds.

Gesture	Function
<b>Double Tap (Left/Right Earbud)</b>	Answer incoming call / Next song
<b>Triple Tap (Left/Right Earbud)</b>	Reject/end call / Activate voice assistant
<b>Press and Hold (Left/Right Earbud)</b>	Play/Pause
<b>Press and Hold (Both Earbuds)</b>	Enter/exit low latency mode

## Low Latency Mode

For an optimized gaming or video watching experience, activate the low latency mode by pressing and holding both earbuds simultaneously. This reduces audio delay, providing better synchronization between audio and video.

Figure 6: Enjoy synchronized audio for gaming and videos with low latency mode.

## MAINTENANCE

### Cleaning

Regularly clean your earbuds and charging case to ensure optimal performance and hygiene. Use a soft, dry, lint-free cloth. Do not use abrasive cleaners or immerse the earbuds or case in water.

For the ear tips, you may gently remove them and clean with a damp cloth, ensuring they are completely dry before reattaching.

### Storage

When not in use, always store the earbuds in their charging case to protect them from dust and damage, and to keep them charged.

### Water Resistance

The Redmi Buds 3 Lite are waterproof (IPX4 rated). This means they are resistant to splashes and sweat, making them suitable for workouts. However, they are not designed for submersion in water or for use during swimming or showering. Avoid exposing them to hot water or steam.

Figure 7: The earbuds are designed to be waterproof, suitable for active use.

## TROUBLESHOOTING

- **Earbuds not pairing:** Ensure both earbuds are in the charging case and the case has power. Open the case to initiate pairing. If issues persist, try resetting the earbuds (refer to the manufacturer's website for specific reset instructions if not provided here).
- **Only one earbud working:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again. This often re-syncs them.
- **Low volume or poor sound quality:** Check the volume on your connected device. Ensure the ear tips are clean and properly seated in your ear canal for a good seal.
- **Connection drops frequently:** Ensure your device is within the Bluetooth range (typically 10 meters/33 feet) and there are no significant obstructions. Try disconnecting and re-pairing the earbuds.
- **Earbuds not charging:** Ensure the charging cable is securely connected to both the case and the power source. Check for any debris in the charging port of the case or on the earbud charging contacts.

## SPECIFICATIONS

Feature	Detail
<b>Model Name</b>	Xiaomi Redmi Buds 3 Lite
<b>Connectivity Technology</b>	Bluetooth 5.2
<b>Wireless Communication Technology</b>	Bluetooth
<b>Water Resistance Level</b>	Waterproof (IPX4)
