### 3. SETUP

---

Follow these steps to prepare the game for play:

1. **Unfold the Gameboard:** Place the gameboard on a flat surface.
2. **Separate Cards:** Separate the Title Deed cards, Interdimensional Cable TV cards, and Get Schwifty! cards. Shuffle the Interdimensional Cable TV cards and place them face down on their designated space on the board. Shuffle the Get Schwifty! cards and place them face down on their designated space.
3. **Banker Selection:** Each player rolls one die. The player with the highest roll becomes the Banker. The Banker is responsible for the bank's money, Flooble Cranks, Gooble Boxes, and Title Deeds not yet owned. The Banker may also play, but must keep their personal funds separate from the bank's.
4. **Initial Flurbo Distribution:** The Banker gives each player the following Flurbo currency:
  - Two 500 Flurbo notes
  - Four 100 Flurbo notes
  - One 50 Flurbo note
  - One 20 Flurbo note
  - Two 10 Flurbo notes
  - One 5 Flurbo note
  - Five 1 Flurbo notes
5. **Choose Tokens:** Each player selects one of the 6 collectible tokens and places it on the GO space.
6. **Flooble Cranks and Gooble Boxes:** Place the Flooble Cranks and Gooble Boxes near the board, ready for purchase.

## 4. GAMEPLAY (OPERATING INSTRUCTIONS)

The objective of the game is to be the last player remaining with Flurbo currency, having driven all other players into bankruptcy.

### 4.1. Starting the Game

Each player rolls both dice. The player with the highest total starts the game. Play proceeds clockwise.

### 4.2. Player Turn Sequence

On your turn, follow these steps:

1. **Roll the Dice:** Roll both dice and move your token clockwise around the board the number of spaces indicated.
2. **Action Based on Space:** The action you take depends on the space your token lands on:
  - **Unowned Property:** You may buy the property for the price printed on the board. If you choose not to buy it, the Banker immediately auctions it to the highest bidder.
  - **Owned Property:** If another player owns the property, you must pay them rent according to the Title Deed card.
  - **Interdimensional Cable TV or Get Schwifty!:** Draw the top card from the respective pile and follow its instructions.

- **Go:** If you pass or land on GO, collect 200 Flurbos from the bank.
  - **Just Visiting:** If you land on this section of Jail, no action is taken.
  - **Go to Jail:** Move your token directly to the Jail space. Your turn ends. You do not collect 200 Flurbos for passing GO.
  - **Free Parking:** No action is taken.
  - **Taxes:** Pay the specified amount to the bank.
3. **Doubles:** If you roll doubles, take your turn as usual, then roll the dice again for another turn. If you roll doubles three times in a row, you immediately go to Jail.
4. **End of Turn:** Once you have completed your actions, your turn ends, and play passes to the player on your left.

### 4.3. Buying and Building

- **Properties:** To buy a property, pay the bank the price listed on the board. You receive the Title Deed card.
- **Flooble Cranks and Gooble Boxes:** Once you own all properties in a color group, you can buy Flooble Cranks and Gooble Boxes. You must build evenly across the properties in a group. Flooble Cranks are purchased first, then Gooble Boxes (which replace four Flooble Cranks).

### 4.4. Mortgage and Trading

- **Mortgaging:** If you need money, you can mortgage properties. Turn the Title Deed card face down and collect the mortgage value from the bank. No rent can be collected on mortgaged properties. To unmortgage, pay the bank the mortgage value plus 10% interest.
- **Trading:** Players can trade properties, Flurbo currency, and Get Out of Jail Free cards with each other at any time.

### 4.5. Bankruptcy

If you owe more Flurbos than you can pay, you are bankrupt and out of the game. All your properties and assets are turned over to the player you owe, or to the bank if you owe the bank.
