2. Safety Warnings

WARNING: CHOKING HAZARD - SMALL PARTS.
This product contains small parts which may pose a choking hazard. It is not suitable for children under 3 years old. Adult supervision is recommended during assembly and play, especially for younger users. Please keep all packaging materials away from children to prevent suffocation risks.

3. Assembly Instructions

This Nanoblock set requires assembly. The estimated difficulty level is 3 out of 5, with approximately 160 pieces. Follow the step-by-step diagrams provided in the included instruction sheet to construct your Lucario model.

General Assembly Tips:

- **Organize Pieces:** Before starting, sort the blocks by color and size to make the assembly process smoother.

- **Follow Diagrams Carefully:** Each step in the instruction sheet shows the placement of specific blocks. Pay close attention to the orientation and connection points.
- **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.
- **Use a Flat Surface:** Assemble the model on a clean, flat, and stable surface to prevent pieces from rolling away or the model from collapsing.
- **Patience is Key:** Nanoblock assembly can be intricate. Take your time and enjoy the process.

4. Operating and Display

Once assembled, your Nanoblock Lucario model is ready for display. There are no electronic components or moving parts that require specific operation.

Display Recommendations:

- Place the model on a stable, flat surface to prevent accidental falls.
- Avoid direct sunlight or extreme temperatures, which may cause material degradation or color fading over time.
- Keep the model away from high-traffic areas where it might be easily knocked over.

5. Maintenance and Care

Proper care will help maintain the appearance and longevity of your Nanoblock model.

Cleaning Instructions:

- **Dusting:** Gently dust the model regularly with a soft, dry brush or a microfiber cloth to prevent dust buildup.
- **Spot Cleaning:** For stubborn dirt, lightly dampen a soft cloth with water and gently wipe the affected area. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic or glitter finish.
- **Avoid Immersion:** Do not submerge the model in water.

6. Troubleshooting

If you encounter any issues during assembly or with the product, please refer to the following common solutions:

Common Issues and Solutions:

- **Missing Pieces:** Carefully check the packaging and surrounding area. If pieces are genuinely missing, contact Kawada customer support with your product model number (NBPM_082) and proof of purchase.
- **Difficulty Connecting Blocks:** Ensure blocks are correctly aligned and apply gentle, even pressure. Some connections may require a firmer press.
- **Model Instability:** Double-check all connections to ensure blocks are fully seated. Refer to the instruction manual to verify correct assembly steps.
- **Damaged Parts:** If any parts are damaged upon opening the package, contact Kawada customer support for assistance.
