# MEGA The Witcher Geralt's Griffin Hunt Building Set

Model: HDL28

Brand: Mega Brands

## INTRODUCTION

This instruction manual provides detailed guidance for assembling and interacting with your MEGA The Witcher Geralt's Griffin Hunt building set. This collectible set, comprising 1170 pieces, allows you to construct Geralt's home at Corvo Bianco, a formidable griffin, and includes a highly detailed Geralt micro action figure. Follow these instructions carefully to ensure a complete and enjoyable building experience.

## SETUP AND ASSEMBLY

The Geralt's Griffin Hunt set contains 1170 pieces, including 431 bricks and various accessories. Assembly is divided into several stages, as outlined in the included printed instruction booklets. It is recommended to sort pieces by type and color before beginning construction.

### Building Geralt's Corvo Bianco Home

Begin by constructing the base of Corvo Bianco. The structure features detailed stonework and wooden elements. Pay close attention to the placement of the LED light components for the fireplace and torches, as these are integrated during the building process.

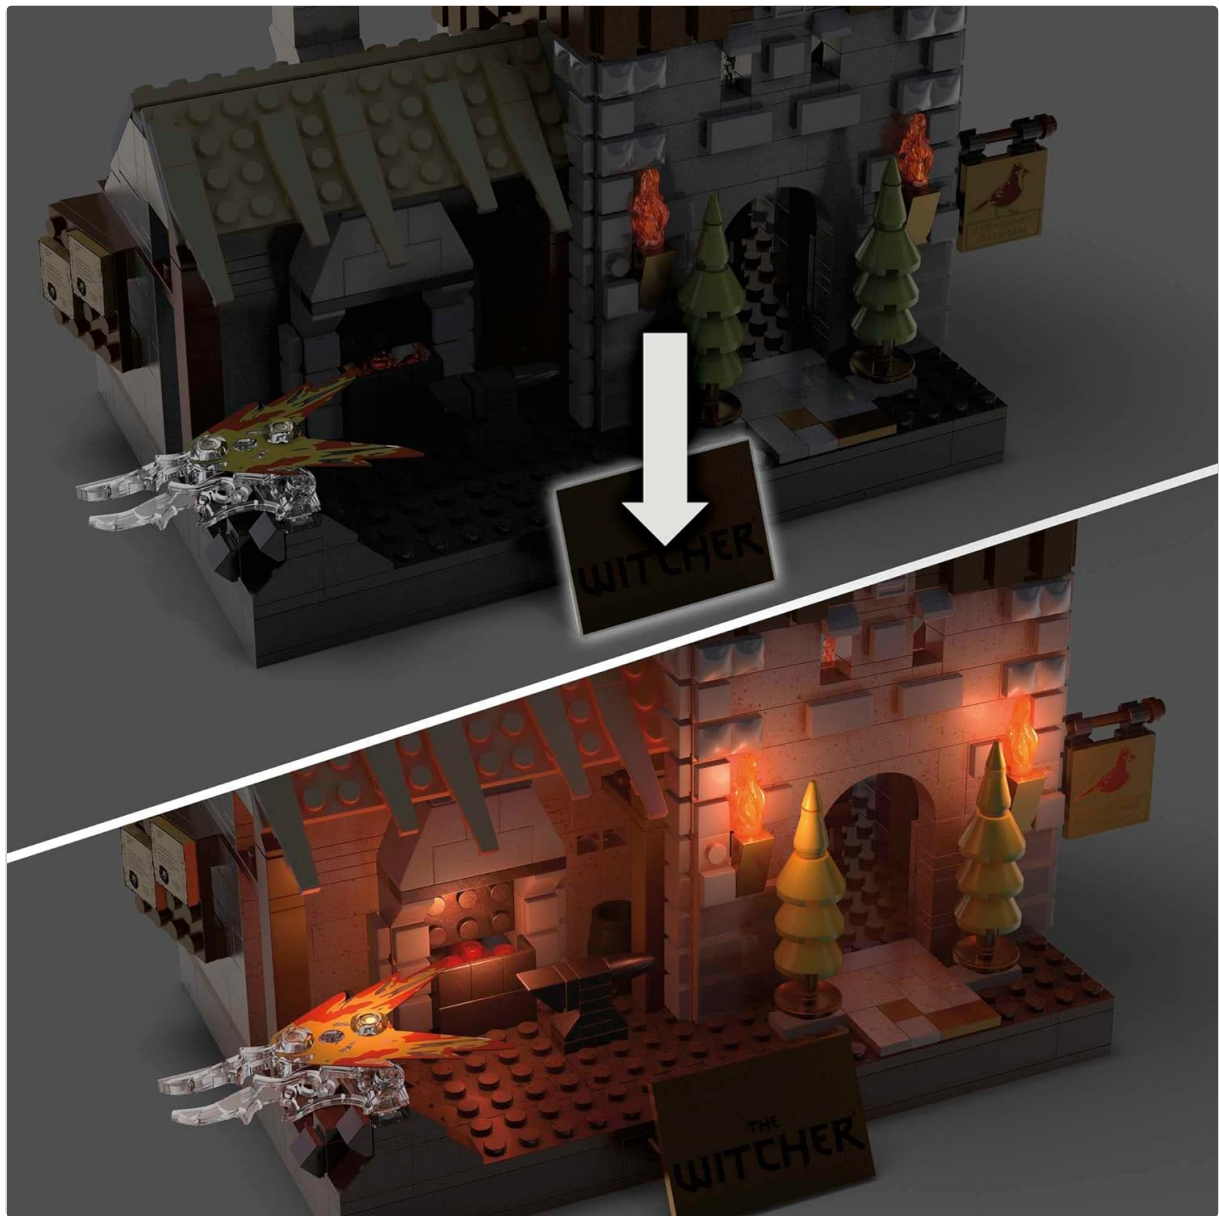

Figure 2: An interior view of the Corvo Bianco home, showcasing the detailed table, books, and potion bottles.

### Assembling the Griffin

The griffin model features articulated joints and poseable wings made from a silicone material. Ensure all joints are securely connected to allow for dynamic posing. The griffin's head and talons are designed for realistic articulation.

## OPERATING FEATURES

### LED Fireplace and Torches

The Corvo Bianco home features LED lights with a flicker mode to simulate a real fire in the fireplace and torches. To activate, locate the battery compartment (typically on the underside or rear of the fireplace/torch assembly) and ensure batteries are correctly installed. A small switch will control the on/off function and flicker mode.

### Interactive Play Elements

The set includes various interactive elements for enhanced play. These include a Gwent game setup, potion brewing accessories, and a weapon forging area near the fireplace. The Geralt figure can be posed to interact with these elements.

Figure 6: Detailed Gwent cards and other accessories on a table, ready for interactive play within Geralt's home.

## Maintenance

To maintain the quality and appearance of your building set, follow these guidelines:

- Cleaning:** Dust the set regularly with a soft, dry cloth. For more thorough cleaning, use a slightly damp cloth with mild soap and water, then dry immediately. Avoid harsh chemicals or abrasive materials.
- Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic components.
- Handling:** Handle the set with care, especially articulated parts and smaller accessories, to prevent breakage.

## Troubleshooting

If you encounter any issues during assembly or use, consider the following:

- Missing Pieces:** Carefully check all packaging materials. If a piece is genuinely missing, refer to the 'Support' section for manufacturer contact information.
- Assembly Difficulties:** Double-check the instruction manual for the specific step. Ensure all pieces are oriented correctly and firmly pressed into place.
- LED Lights Not Working:** Verify that batteries are correctly inserted and are not depleted. Check the on/off switch position.
