Mega Bloks Fisher-Price Build 'n Tumble Activity Table Instruction Manual

PRODUCT OVERVIEW

The Mega Bloks Fisher-Price Build 'n Tumble Activity Table is designed to provide an engaging play experience for toddlers. This activity table allows young children to construct various creations using large building blocks directly on its surface. A unique feature of this table is its integrated tumble mechanism, which can be activated to knock down built structures, offering a dynamic and interactive play element. The blocks are specifically sized for small hands, promoting easy gripping and stacking, which aids in the development of fine motor skills, creativity, and imaginative play.

WHAT'S INCLUDED

Verify that all components are present in the package:

- 1 x Activity Table with 2 tumble features
- 23 x Big Building Blocks (various colors and shapes)
- 1 x Block Buddies Figure

SETUP INSTRUCTIONS

The Build 'n Tumble Activity Table requires minimal assembly. Follow these steps to set up your table:

1. Unpack all components from the packaging.
2. Identify the table top and the four leg pieces.
3. Align each leg with the corresponding slot on the underside of the table top.
4. Firmly push each leg into its slot until it clicks securely into place. Ensure all four legs are stable before use.

OPERATING INSTRUCTIONS

Engaging with the Build 'n Tumble Activity Table is straightforward:

1. **Building:** Place the large building blocks onto the studs on the table surface. Encourage creative construction of towers, walls, or any imaginative structures. The Block Buddies figure can also be integrated into the creations.
2. **Activating Tumble Feature:** Once a structure is built, locate the designated buttons or levers on the table designed to activate the tumble features. Pressing these will cause sections of the table to shift, knocking down the blocks and creations.
3. **Repeat Play:** Gather the blocks and begin building new structures for continuous play and exploration.

MAINTENANCE

To ensure the longevity and hygiene of your Build 'n Tumble Activity Table:

- **Cleaning:** Wipe the table surface and blocks with a damp cloth and mild soap as needed. Rinse thoroughly and air dry. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the table and blocks in a clean, dry place away from direct sunlight when not in use. The blocks can be stored within the table's integrated storage area for convenience.
- **Inspection:** Periodically inspect all parts for any signs of wear or damage. Discontinue use if any components are broken or compromised.

TROUBLESHOOTING

If you encounter any issues with your activity table, consider the following:

- **Blocks not connecting securely:** Ensure the blocks are aligned correctly with the studs on the table or other blocks. Apply gentle, even pressure.
- **Tumble feature not working:** Check if any blocks or debris are obstructing the mechanism. Ensure the buttons or levers are fully depressed.

- **Table instability:** Verify that all four legs are securely clicked into place. Ensure the table is placed on a flat, even surface.
