Skagen SKT5303V

Skagen Falster Gen 6 Touchscreen Smartwatch (Model SKT5303V) Instruction Manual

Your guide to setting up, operating, and maintaining your smartwatch.

1. PRODUCT OVERVIEW

The Skagen Falster Gen 6 Smartwatch combines advanced technology with a sleek design. Powered by the Snapdragon Wear 4100+ platform, it offers enhanced performance, rapid app loading, and lower power consumption. This smartwatch is designed to seamlessly integrate into your daily life, providing comprehensive health tracking, smart notifications, and convenient features.

2. SETUP

2.1 Initial Charging

Before first use, fully charge your smartwatch. The included magnetic charger allows for rapid charging, reaching up to 80% in approximately 30 minutes.

2.2 Pairing with Your Smartphone

1. Download the **Wear OS by Google** app from your smartphone's app store (compatible with the latest version of Android or iOS).
2. Open the Wear OS by Google app and follow the on-screen instructions to pair your smartwatch.
3. Ensure Bluetooth is enabled on both your smartphone and smartwatch for a stable connection.

2.3 Customization

Personalize your smartwatch experience:

- **Watch Faces:** Choose from thousands of watch faces available through the Wear OS by Google app to match your style and display preferred information.
- **Customizable Buttons:** Assign frequently used functions or apps to the customizable buttons on the side of the watch for quick access.
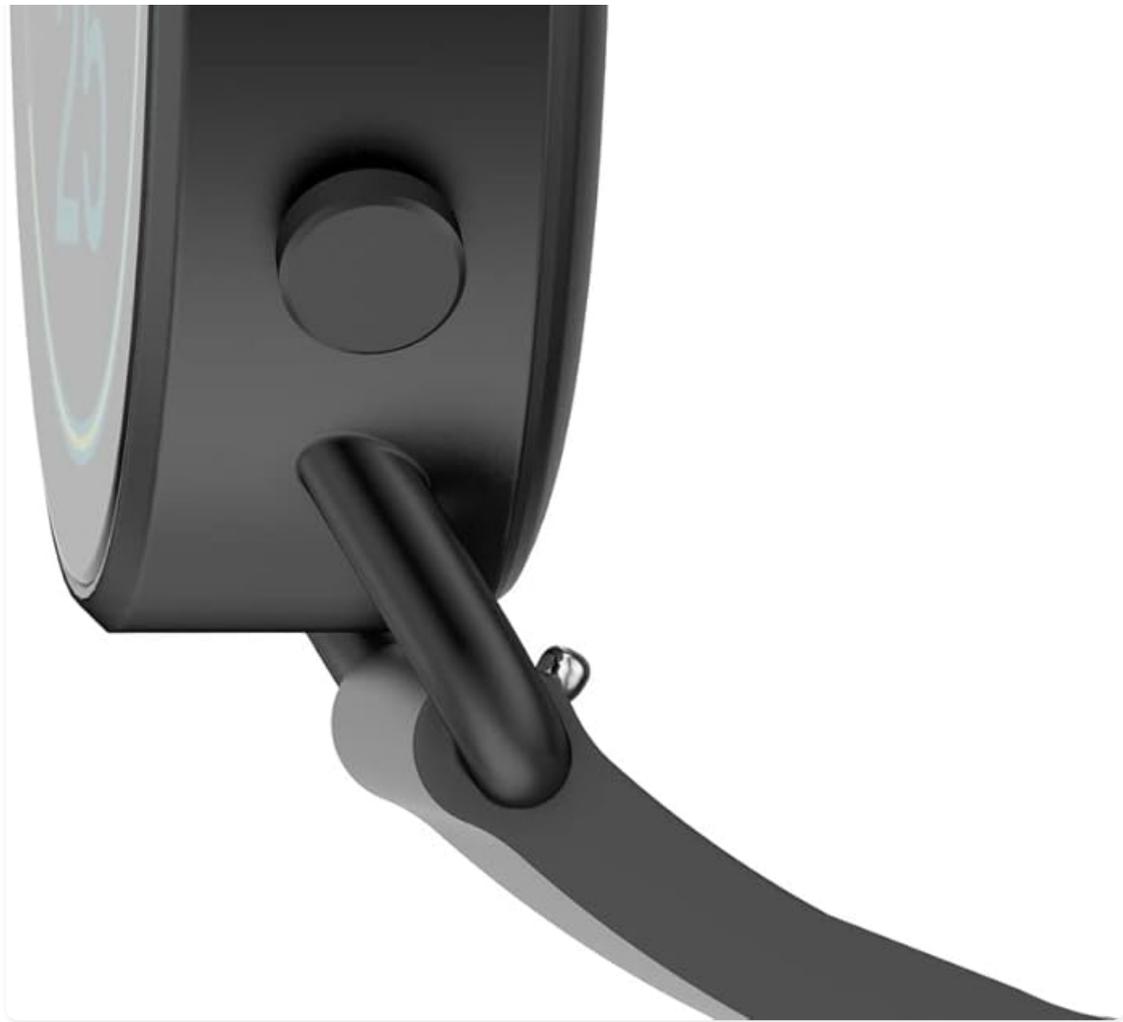

Figure 3: Side view of the Skagen Falster Gen 6 Smartwatch, showing the crown and two customizable buttons.

3. OPERATING

3.1 Basic Navigation

- **Touchscreen:** Swipe up, down, left, or right to navigate through menus, notifications, and quick settings. Tap to select items.
- **Crown:** Rotate the crown to scroll through lists or adjust settings. Press the crown to return to the watch face or access the app drawer.
- **Side Buttons:** Use the customizable side buttons for quick access to your favorite apps or functions.

3.2 Smart Notifications & Calls

Stay connected with notifications for calls, texts, and apps directly on your wrist. The smartwatch features a speaker and microphone, allowing you to answer and make calls when your phone is within Bluetooth range.

3.3 Health & Fitness Tracking

The Falster Gen 6 automatically tracks various health and fitness metrics:

- **Activity Goals:** Tracks steps, calories burned, and active minutes.
- **Heart Rate:** Continuous heart rate monitoring.
- **Blood Oxygen (SpO2):** Measures blood oxygen saturation levels.
- **Sleep Tracking:** Monitors sleep stages and quality.
- **GPS:** Built-in GPS for tracking distance and path during outdoor activities.

- **Activity Modes:** Supports various activity modes to accurately track your workouts.

3.5 Contactless Payments

Utilize contactless payments directly from your wrist with supported payment services.

4. Maintenance

4.1 Charging

Use the provided magnetic charger to charge your smartwatch. For optimal battery life, utilize the simplified Smart Battery Modes available in the settings.

4.2 Water Resistance

The smartwatch features a swim-proof 3 ATM design, making it suitable for various water activities. Avoid exposing the watch to high-pressure water or extreme temperature changes.

4.3 Cleaning

Regularly clean your smartwatch and strap with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials.

5. Troubleshooting

5.1 Connectivity Issues

If your smartwatch is not connecting to your phone:

- Ensure Bluetooth is active on both devices.
- Restart both your smartwatch and smartphone.
- Check the Wear OS by Google app for any pairing or syncing errors.

5.2 Battery Life Optimization

To extend battery life:

- Disable the Always-On Display (AOD) and use 'tilt to wake' or 'touch to wake' features instead.
- Utilize the extended battery mode.
- Manage Bluetooth and Wi-Fi usage, turning them off when not needed (e.g., Bluetooth off at night if not tracking sleep).
- Limit background app refresh and notifications for less critical apps.

6. Specifications

Feature	Detail
Model Number	SKT5303V
Platform	Qualcomm Snapdragon Wear 4100+
Compatibility	Phones running latest Android or iOS
Connectivity	Bluetooth 5

Sensors	Heart Rate, Blood Oxygen (SpO2), GPS
Water Resistance	3 ATM (Swim Proof)
Charging Time	Up to 80% in 30 minutes
Battery Life (Typical)	Up to 10 days (depending on usage)
Battery Life (Battery Saver Mode)	Up to 19 days
Package Dimensions	3.82 x 3.46 x 3.31 inches
Item Weight	6.74 ounces

7. WARRANTY & SUPPORT
