DUDAO U10B

Dudao TWS Wireless Earbuds User Manual

Model: U10B

Introduction

Thank you for choosing the Dudao TWS Wireless Earbuds, Model U10B. These earbuds are designed to provide a high-quality audio experience with features such as Bluetooth V5.0 connectivity, touch control, active noise cancellation, and immersive audio. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

Package Contents

Please check the package for the following items:

- Dudao TWS Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

Product Overview

Image: Dudao TWS Wireless Earbuds securely placed within their white charging case, ready for use or charging.

The Dudao U10B earbuds feature a sleek, ergonomic design for comfortable wear. Each earbud is equipped with touch-sensitive controls for easy management of audio playback, calls, and voice assistant activation. The accompanying charging case provides portable power to keep your earbuds ready for use.

Setup

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).

- The indicator light on the charging case will show charging status.
- Once fully charged, the indicator light will change or turn off.

Image: A close-up view of the Dudao TWS Wireless Earbuds inside their charging case, with a subtle green indicator light visible, suggesting charging or full

charge.

2. Pairing with a Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode (or manually activate pairing mode by pressing and holding the touch area on both earbuds for a few seconds if they don't pair automatically).
3. On your device (smartphone, tablet, computer), go to Bluetooth settings.
4. Turn on Bluetooth.
5. Search for available devices.
6. Select "DUDAO U10B" (or similar name) from the list.
7. Once connected, you will hear a confirmation tone, and the earbuds' indicator lights will stop flashing.

The earbuds will automatically reconnect to the last paired device when taken out of the case, provided Bluetooth is enabled on the device.

Operating Instructions

Touch Controls

Action	Left Earbud	Right Earbud

Maintenance and Care

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are waterproof. However, avoid prolonged exposure to water or submersion. Dry them thoroughly before placing them back in the charging case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds frequently. Charge them regularly, even if not in constant use.

Troubleshooting

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "DUDAO U10B" from your device's Bluetooth list and try pairing again. Reset the earbuds (refer to manufacturer's specific reset instructions if available, otherwise place them in case, close, then open).
Only one earbud working	Ensure both earbuds are charged. Place both earbuds back into the charging case, close the lid for a few seconds, then open it again. Try resetting the earbuds.
No sound	Check volume levels on both earbuds and your connected device. Ensure earbuds are properly connected to your device. Try playing audio from a different application or source.
Charging case not charging	Check the USB cable and power adapter. Ensure the charging port is clean and free of debris. Try a different USB cable or power source.
