- b. Secure the leg structures using the provided screws.
- c. Attach the assembled legs to the main table frame using the larger bolts and washers (7x16, 8x16 from video).
- d. Install the adjustable foot levelers (13x4 from video) at the bottom of each leg to ensure stability.

4. Final Checks:

- a. Verify all screws and bolts are tightened securely.
- b. Ensure the table is stable and level.

5. OPERATING INSTRUCTIONS

The Goplus 10-in-1 game table features a stack-up design, allowing you to easily switch between different game surfaces.

Switching Between Games:

STACK UP DESIGN

For Quick Switch and Space Saving

Figure 3: The stack-up design allows for easy game surface changes.

1. To change games, carefully lift the current game surface from the main table frame.
2. Place the desired game surface onto the main table frame. Ensure it is properly aligned and seated securely.
3. Store unused game surfaces in a safe, flat location to prevent damage.

Game-Specific Setup:

- **Foosball:** Ensure all players are correctly oriented and rods move freely. Use the scoring device to keep track of goals.
- **Billiards (Pool):** Place the billiard surface on the table. Arrange balls in the triangle rack and break with a cue stick.
- **Table Tennis:** Place the table tennis surface on the table. Attach the net to the designated clips or slots. Use paddles and balls to play.
- **Air Hockey:** Place the air hockey surface on the table. Use pushers to hit the puck across the surface.
- **Bowling:** Set up the bowling pins on the designated area of the bowling surface. Use the small ball to knock them down.
- **Shuffleboard:** Place the shuffleboard surface on the table. Use the provided pucks to slide them towards the scoring zones.
- **Chess, Checkers, Backgammon, Poker:** These games utilize board game surfaces and their respective

pieces. Place the appropriate board on the table and follow standard game rules.

6. MAINTENANCE

Regular maintenance will extend the life and performance of your game table.

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid abrasive cleaners or solvents that may damage the finish. For billiard felt, use the provided brush to remove dust and debris.
- **Foosball Rods:** Periodically apply a small amount of silicone lubricant to the foosball rods to ensure smooth operation. Avoid oil-based lubricants as they can attract dust.
- **Hardware:** Periodically check all screws and bolts for tightness and re-tighten as necessary to maintain stability.
- **Storage:** When not in use, store game surfaces flat and in a dry environment to prevent warping or damage.

7. TROUBLESHOOTING

If you encounter any issues with your game table, refer to the following common problems and solutions:

- **Table Wobbles:**
 - Ensure all leg bolts are securely tightened.
 - Adjust the leg levelers at the bottom of each leg to stabilize the table on uneven surfaces.
- **Foosball Rods Stick:**
 - Clean the rods and bearings with a dry cloth.
 - Apply a silicone-based lubricant to the rods.
- **Game Surface Not Lying Flat:**
 - Ensure the underlying surface is clear of debris.
 - Check if the game surface is correctly aligned and seated on the main frame.
 - Store game surfaces flat when not in use to prevent warping.
