MCombo 9019

MCombo Manual Swivel Recliner with Ottoman

MODEL: 9019

Brand: MCombo

Introduction

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your MCombo Manual Swivel Recliner with Ottoman, Model 9019. Please read all instructions carefully before assembly and use to ensure safe and proper functionality.

Safety Information

Exceeding a weight capacity of 330 lbs, inadequate distance from the wall while reclining, and improper assembly may result in personal injury or property damage. Always follow the assembly instructions, maintain the minimum distance to the wall, and ensure the chair is stable and secure before use.

Package Contents

Your MCombo Manual Swivel Recliner with Ottoman is delivered in two boxes. Please ensure all components are present before beginning assembly.

- Recliner Chair Base & Cushion
- Back Cushion

Assembly Instructions

Follow these steps to assemble your recliner and ottoman. It is recommended to have two people for certain steps.

- 1. Assemble the Ottoman:** Attach the ottoman legs to the ottoman base using the provided hardware. Ensure all screws are tightened securely. Then, place the ottoman cushion onto the assembled base.
- 2. Attach Chair Back to Base:** Carefully align the back cushion with the chair base. Insert the connecting rods into the designated slots on both sides. Secure them with the hand knobs.
- 3. Install Armrests:** Attach the armrests to the sides of the chair base using the provided screws and washers. Ensure they are firmly secured.

Operating Instructions

Your MCombo recliner and ottoman are designed for comfort and ease of use.

- **Manual Recline:** The backrest can be easily adjusted between 105° and 140° using the hand knobs located on both sides of the chair. You can pause the recline at any desired angle.
- **360-Degree Swivel:** The chair features a smooth 360-degree swivel mechanism set in a sturdy wooden base, allowing you to effortlessly change your focus or position.
- **Ottoman Use:** The accompanying ottoman provides perfect support for your legs, enhancing relaxation while watching TV, reading, or resting.

Maintenance

To ensure the longevity and appearance of your recliner and ottoman, follow these care instructions:

- **Cleaning:** For general cleaning, dry clean or spot clean as needed. Wipe clean with a damp cloth for minor spills.
- **Fabric Care:** The textile upholstery is designed to enhance air circulation and is easy to maintain.
- **Base Care:** The wooden base can be wiped clean with a soft, dry cloth.

Troubleshooting

If you encounter any issues with your recliner, consider the following:

- **Stiff Recline Mechanism:** Ensure the hand knobs on both sides of the chair are not overtightened. Loosen them slightly to allow for smoother recline adjustment.
- **Unstable Chair/Ottoman:** Verify that all assembly screws are securely tightened. Check for any loose connections in the base or frame.
- **Swivel Resistance:** The swivel mechanism is designed with subtle resistance for stability. If it feels too

stiff, ensure the base is on a flat, even surface.
