ZdalaMit P3700

ZdalaMit P3700 Voice Remote Control User Manual

Model: P3700 | Brand: ZdalaMit

1. INTRODUCTION

The ZdalaMit P3700 is a replacement voice remote control designed for use with Nvidia Shield Android TV devices. This manual provides detailed instructions for setting up, pairing, and operating your new remote control.

Please note that this remote control is larger than the original Nvidia Shield remote. Pairing is required before initial use.

2. PACKAGE CONTENTS

Your ZdalaMit P3700 remote control package includes:

- 1x ZdalaMit P3700 Remote Control

Note: 2 x AAA size alkaline batteries are required and are not included in the package.

3. COMPATIBILITY

The ZdalaMit P3700 remote control is compatible with the following Nvidia Shield Android TV models:

- Nvidia SHIELD TV 2015 models
- Nvidia SHIELD TV 2017 models
- Nvidia SHIELD TV 2019 models
- Nvidia Shield Android TV Pro 4K HDR Media Player

Important: For 2015 and 2017 models, an upgrade to the latest SHIELD Experience software is required for full functionality.

4. SETUP: BATTERY INSTALLATION

To install batteries:

1. Locate the battery compartment on the back of the remote control.

2. Open the battery compartment cover.
3. Insert two (2) AAA size alkaline batteries, ensuring correct polarity (+ and -).
4. Close the battery compartment cover securely.

5. PAIRING INSTRUCTIONS

Follow these steps to pair your ZdalaMit P3700 remote control with your Nvidia Shield Android TV:

1. Ensure your Nvidia Shield TV is powered on and the home screen is visible on your television.
2. Hold the ZdalaMit P3700 remote control within 1 foot (approximately 30 cm) of your Nvidia Shield TV device.
3. Press and hold the **Select** button (the large circular button in the center of the directional pad) on the remote for 5 seconds or more.
4. Release the button when your TV screen displays a message indicating successful pairing.
5. If pairing does not complete, an option to "Pair manually" may appear on your TV screen. Follow the on-screen instructions if this occurs.

6. OPERATING INSTRUCTIONS

The ZdalaMit P3700 remote control offers several advanced features for an enhanced user experience:

- **Voice Search:** Utilize the dedicated microphone button to activate voice commands and search for content, apps, or information on your Nvidia Shield TV.
- **Motion-Activated:** The remote may feature motion-sensing capabilities for certain applications or navigation.
- **Customizable Menu Buttons:** Some buttons may be customizable to quickly access your favorite apps or functions. Refer to your Nvidia Shield TV settings for customization options.
- **IR Blaster:** The integrated IR Blaster allows the remote to control other IR-enabled devices, such as your TV's power and volume, after proper setup within your Nvidia Shield TV settings.

| Special Feature | Voice Search |

| | |
|---------------------------------|----------------------|
| Color | Black |
| Max Number of Supported Devices | 1 (Nvidia Shield TV) |

8. TROUBLESHOOTING

- **Remote not pairing:** Ensure the remote is within 1 foot of your Nvidia Shield TV during the pairing process. Verify that new AAA batteries are correctly installed. If issues persist, try restarting your Nvidia Shield TV and repeating the pairing steps.
- **Voice search not working:** Confirm the remote is successfully paired. Ensure your Nvidia Shield TV has an active internet connection. Check that the microphone on the remote is not obstructed.
- **Buttons unresponsive:** Replace batteries with fresh AAA alkaline batteries. Ensure there are no obstructions between the remote and your Nvidia Shield TV.

9. SAFETY INFORMATION

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Remove batteries if the remote control is not used for an extended period.
- Dispose of used batteries properly according to local regulations.
- Keep the remote control away from water and excessive heat.

10. WARRANTY AND SUPPORT

Specific warranty details for the ZdalaMit P3700 remote control are not provided in the product information. For warranty claims or technical support, please refer to the retailer or manufacturer's contact information provided at the time of purchase.
