# Esfos Pendant Ceiling Light Fixture User Manual

Brand: Esfos | Model: B09P7YJCVS

## 1. INTRODUCTION

This manual provides essential information for the safe and efficient installation, operation, and maintenance of your Esfos Pendant Ceiling Light Fixture. This modern 1-light integrated LED fixture features a brushed nickel finish, clear glass shade, and a unique bubble glass design, suitable for various home styles including kitchens and dining areas.

The fixture is designed for high performance, featuring a UL certified driver, CRI 80, 7.5W (100 Watt Equivalent), 800 Lumen, and 6500K cold white light. Its energy-efficient integrated LED and high-quality metal construction ensure durability.

## 2. SAFETY INFORMATION

- Always turn off the main power supply at the circuit breaker before beginning installation or performing any maintenance.
- Consult a qualified electrician if you are unsure about the installation process.
- Ensure all electrical connections are made in accordance with local codes and ordinances.
- Do not exceed the specified wattage for any components. This fixture uses integrated LED, so no bulb replacement is necessary.
- Handle glass components with care to prevent breakage.
- Keep children away from the work area during installation.

## 3. WHAT'S IN THE BOX

Verify that all components are present before beginning installation:

- Light kit (Integrated LED)
- Shade (Bubble Glass)
- Mounting Hardware
- Bulb (Integrated LED, not a separate replaceable bulb)

## 4. SETUP AND INSTALLATION

Installation of the Esfos Pendant Light Fixture is designed to be straightforward, typically requiring only three steps:

1. Fix the bubble glass and glass shade to the light fixture.
2. Fix the mounting bracket to the junction box.
3. Connect the electrical wires.

The hanging height of this ceiling light fixture is adjustable from 13" to 63". You can easily adjust the cable length using a hex wrench to loosen the screws, adjust the cable to the desired length, and then tighten the screws to secure it.

## Exquisite Design & Beautiful Decor

Clear bubble glass, transparent glass shade and refined sand-nickel light holder, simple design show up sophisticated life.

## 5. OPERATING INSTRUCTIONS

The Esfos Pendant Ceiling Light Fixture features an integrated LED light source. Operation is controlled via a standard wall switch (not included). The fixture is designed with a touch control method, allowing for simple on/off functionality. It provides 800 lumens of 6500K cold white light.

This fixture is undimmable, as indicated by the bulb features in the specifications.

## 6. MAINTENANCE

To maintain the appearance and performance of your light fixture, follow these simple guidelines:

- **Cleaning:** Disconnect power before cleaning. Wipe the fixture with a soft, dry cloth. Do not use abrasive cleaners, solvents, or polishes as they may damage the finish or glass.
- **Bulb Replacement:** This fixture uses an integrated LED light source, which is designed for long-term

use (approximately 60,000 hours) and does not require bulb replacement.

- **Inspection:** Periodically check all connections and mounting hardware to ensure they remain secure.

## 7. TROUBLESHOOTING

If you encounter issues with your Esfos Pendant Ceiling Light Fixture, consider the following:

- **Light does not turn on:**
  - Check the circuit breaker to ensure power is supplied to the fixture.
  - Verify that all wire connections are secure.
  - Ensure the wall switch is in the 'ON' position.
- **Light flickers or blinks:**
  - Confirm that the fixture is not connected to a dimmer switch, as this model is undimmable and may malfunction with one.
  - Check for loose wiring connections.
- **Physical damage (e.g., glass shade falls):**
  - Ensure the glass shade is securely fastened according to installation instructions.
  - Contact customer support for replacement parts if necessary.

If these steps do not resolve the issue, please contact Esfos customer support.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Esfos
Model Number	B09P7YJCVS
Color	Nickel-Cold
Material	Crystal, Glass, Metal
Style	Modern
Light Fixture Form	Pendant
Room Type	Dining Room, Kitchen
Product Dimensions	4.72"L x 4.72"W x 63"H
Indoor/Outdoor Usage	Indoor
Power Source	Corded Electric
