## Reettic BMGZ103B

# Reettic Farmhouse Medicine Cabinet Instruction Manual

Model: BMGZ103B | Brand: Reettic

## 1. INTRODUCTION

---

Thank you for choosing the Reettic Farmhouse Medicine Cabinet. This wall-mounted cabinet is designed to provide additional storage and enhance the aesthetic of your bathroom, living room, entryway, or kitchen. Featuring two barn doors and an adjustable shelf, it offers versatile storage solutions. Please read this manual thoroughly before assembly and use to ensure safe and correct installation and operation.

## 2. SAFETY INFORMATION

---

**Always ensure the cabinet is securely mounted to the wall. Be cautious when using the shelves to avoid pinching fingers.**

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children.
- Ensure all connections are tight before use. Periodically check and re-tighten if necessary.
- Do not overload the shelves. Distribute weight evenly.
- Mount the cabinet on a sturdy wall surface capable of supporting its weight and contents.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all parts and hardware are present. Refer to the detailed parts list provided in your physical assembly instructions. Typical components include:

- Cabinet panels (top, bottom, sides, back, doors, shelves)
- Hardware (screws, cam locks, dowels, hinges, handles, magnetic catches, wall anchors)
- Assembly instructions

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly of the Reettic Farmhouse Medicine Cabinet is designed to be straightforward with detailed, step-by-step instructions and numbered accessories. Typically, assembly can be completed in approximately 20 minutes.

### 4.1. Tools Required

- Phillips head screwdriver
- Hammer (for dowels)
- Drill (for wall mounting)
- Level
- Measuring tape

### 4.2. Step-by-Step Assembly

1. **Attach Door Handles:** Secure the handles to the barn doors using the provided screws.
2. **Assemble Side Panels:** Connect the side panels to the bottom panel using cam locks and dowels.
3. **Install Back Panel:** Slide the back panel into the grooves of the side and bottom panels.
4. **Attach Top Panel:** Secure the top panel to the side panels using cam locks and dowels.
5. **Install Hinges and Doors:** Attach the hinges to the cabinet frame and then to the doors.
6. **Mount Magnetic Catches:** Install the magnetic catches to ensure doors close securely.
7. **Wall Mounting:** Choose a suitable location. Mark and drill pilot holes in the wall. Secure the cabinet to the wall using the provided wall anchors and screws. Ensure it is level and stable.
8. **Insert Adjustable Shelf:** Place the adjustable shelf at your desired height using the shelf pins.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Adjustable Shelf

The cabinet features an inside adjustable shelf with three height settings. To adjust the shelf:

1. Empty the shelf of all items.
2. Carefully lift the shelf and remove the four shelf pins from their current holes.
3. Insert the shelf pins into the desired new set of holes.
4. Place the shelf back onto the pins, ensuring it is securely seated and level.

### 5.2. Barn Doors

The two barn doors open and close smoothly. Magnetic catches ensure they remain securely closed when not

in use. To open, gently pull the handles. To close, push the doors until the magnets engage.

## 6. MAINTENANCE & CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Excessive Moisture:** While suitable for bathrooms, avoid prolonged exposure to excessive moisture or direct water spray.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Cabinet feels wobbly after installation	Loose wall mounting screws or improper anchors.	Ensure wall anchors are correctly installed and all mounting screws are tightened securely. Verify the wall material is suitable.
Doors do not close properly or are misaligned	Loose hinges or magnetic catches.	Check and tighten all hinge screws. Ensure magnetic catches are aligned and securely fastened. Adjust hinges if they allow for alignment correction.
Shelf is not stable	Shelf pins not fully inserted or incorrect size.	Ensure all four shelf pins are fully inserted into the designated holes and the shelf rests evenly on them.

## 8. SPECIFICATIONS
