Pursonic LSUSBR360PK

Pursonic USB Rechargeable Ladies Shaver Instruction Manual

Model: LSUSBR360PK

PRODUCT OVERVIEW

The Pursonic USB Rechargeable Ladies Shaver is designed for efficient and comfortable hair removal across various body areas. Its compact and portable design makes it suitable for use at home or while traveling.

- **Painless Operation:** Engineered for comfortable hair removal without causing irritation.
- **Skin Compatibility:** Safe for all skin types and tones.
- **Portability:** Compact design for easy transport and use without water or soap.
- **Rechargeable:** Includes a USB charging cable for cordless operation. Full charge in approximately 2 hours.
- **Easy Cleaning:** Features a one-touch open mechanism for rinsing under tap water.

SETUP

Before first use, ensure the shaver is fully charged.

1. **Charging:** Connect the provided USB charging cable to the shaver's charging port and a compatible USB power source. The charging indicator will illuminate.
2. **Full Charge:** Allow approximately 2 hours for a full charge. The indicator light will change or turn off once charging is complete.
3. **Attachment:** Ensure the desired shaving head is securely attached to the shaver body.

OPERATING INSTRUCTIONS

The shaver can be used on various body parts including legs, bikini area, arms, and ankles. It is suitable for both wet and dry use.

1. **Power On:** Press the power button to turn on the shaver.
2. **Shaving Technique:** Gently glide the shaver over the skin in circular motions or against the direction of hair growth. For best results, hold the skin taut.
3. **Wet Use:** The shaver is waterproof and can be used in the shower. For a smoother shave, apply shaving cream or gel.
4. **Dry Use:** The shaver can also be used on dry skin for quick touch-ups.
5. **Power Off:** Press the power button again to turn off the shaver.

MAINTENANCE

Regular cleaning ensures optimal performance and hygiene.

1. **Cleaning the Head:** Press the one-touch button to open the shaving head. Rinse the head thoroughly under running tap water to remove hair and debris.
2. **Drying:** Shake off excess water and allow the shaving head to air dry completely before reattaching or storing.
3. **Storage:** Store the shaver in a dry place, away from direct sunlight and moisture.

TROUBLESHOOTING

- **Shaver not turning on:** Ensure the shaver is fully charged. If the issue persists, contact customer support.
- **Reduced shaving performance:** Clean the shaving head thoroughly. If blades are dull, replacement heads may be available through customer service.
- **Irritation after shaving:** Ensure proper shaving technique (gentle gliding, skin taut). The shaver is designed to be pain-free; if irritation occurs, discontinue use and consult a dermatologist.

SPECIFICATIONS

- **Model Name:** LSUSBR360PK
- **Power Source:** Battery Powered (USB Rechargeable)

- **Charging Time:** Approximately 2 hours
- **Dimensions:** 5.5 x 4 x 1.5 inches
- **Weight:** 4.8 ounces
- **Special Features:** Portable, Rechargeable, Compact, Waterproof
- **Recommended Uses:** Legs, Bikini, Arms, Ankles

SAFETY INFORMATION

- Keep away from water while charging.
