## FUNLIO babyjumperset

# FUNLIO Baby Jumper with Stand Instruction Manual

Brand: FUNLIO | Model: babyjumperset

## 1. INTRODUCTION

The FUNLIO Baby Jumper with Stand is designed to provide a safe and engaging play experience for infants and toddlers. This manual contains important information regarding assembly, operation, maintenance, and safety to ensure proper use of the product. Suitable for children aged 6-24 months, with a maximum weight capacity of 50 lbs (22 kg).

## 2. SAFETY INFORMATION

Your child's safety is paramount. Please read and adhere to all safety warnings and instructions.

- Always supervise your child while they are in the jumper. Never leave a child unattended.
- Ensure all components are securely fastened before each use.
- Do not use if any parts are damaged, broken, or missing. Contact customer support for replacement parts.
- The jumper is equipped with strong and flexible 304 stainless steel springs, safety lock carabiners, high-quality plastic, and non-slip rubber feet for stability.
- The seat is made from soft fabric and double-layer cotton with a wide and firm velcro seat belt for comfort and security.
- Keep children away from the assembly area during setup.
- Do not modify the product in any way. Use only original FUNLIO replacement parts.

## We Care About Every Safety Details

## Safer and More Assured When Playing

Figure 2.1: Key Safety Features of the FUNLIO Baby Jumper. This image highlights the safety lock carabiner, non-slip rubber feet, strong flexible spring, and the adjustable and firm velcro seat belt, all designed to ensure child safety during use.

### 3. COMPONENTS LIST

Please verify that all components are present before assembly:

- Main Stand Frame (Yellow top bar, Blue side poles)
- Jumper Seat (Blue fabric with 'Funlio' logo)
- Suspension Spring
- Adjustable Chain
- Safety Lock Carabiners (multiple)
- Non-slip Rubber Feet (for stand poles)
- Assembly Hardware (screws, nuts, rubber rings)

Figure 3.1: Fully Assembled FUNLIO Baby Jumper with Stand. This image displays the complete product, including the yellow and blue stand, the blue jumper seat, and the suspension system.

#### 4. SETUP AND ASSEMBLY

Assembly is quick and easy, typically taking no more than 10 minutes. Follow these steps:

1. Assemble the stand frame by connecting the yellow top bar to the blue side poles. Ensure all connections click into place securely.
2. Attach the non-slip rubber feet to the bottom of each blue pole.
3. Locate the rubber ring and place it onto the designated pole on the top bar of the stand.
4. Pass the screw through the hole in the rubber ring and the pole.
5. Install the nut to secure the screw and rubber ring.
6. Attach the suspension spring and adjustable chain to the secured rubber ring using the safety lock carabiners.
7. Connect the jumper seat to the adjustable chain using the remaining safety lock carabiners. Ensure all carabiners are fully closed and locked.
8. Verify the height adjustment of the chain to suit your child's height, ensuring their feet can touch the ground or a mat

comfortably.

## 5. OPERATING INSTRUCTIONS

The FUNLIO Baby Jumper is designed for both indoor and outdoor use, offering flexibility for playtime.

- **Placing Your Child:** Gently place your child into the jumper seat, ensuring their legs are positioned correctly. Secure the wide and firm velcro seat belt around their waist and fasten the adjustable buckle.
- **Height Adjustment:** Adjust the length of the chain to ensure your child's feet can comfortably touch the ground or a soft mat, allowing them to push off and bounce. The chain is adjustable by up to 10 inches (26 cm).
- **Supervision:** Always maintain direct supervision of your child while they are in the jumper.
- **Portability:** The foldable stand allows for easy relocation. You can move the jumper from the living room to the backyard, or take it to a park for outdoor play.

## Having So Much Fun with Funlio Jumper Set

## 6. MAINTENANCE

Regular maintenance will prolong the life of your FUNLIO Baby Jumper.

- **Cleaning:** The fabric seat can be spot cleaned with mild soap and water. For the metal frame and plastic parts, wipe with a damp cloth and mild detergent. Ensure all parts are dry before storage or next use.
- **Inspection:** Periodically inspect all components, including the springs, chains, carabiners, and frame connections, for any signs of wear, damage, or loosening.
- **Storage:** When not in use, fold the stand for compact storage. Store in a clean, dry place away from direct sunlight and extreme temperatures.

## 7. TROUBLESHOOTING

If you encounter any issues with your FUNLIO Baby Jumper, please refer to these common solutions:

- **Jumper feels unstable:** Ensure all frame connections are fully engaged and the non-slip rubber feet are properly

installed and making full contact with the floor. Verify the stand is on a flat, level surface.

- **Difficulty assembling:** Re-read the assembly instructions carefully and refer to Figure 4.1. Ensure all parts are oriented correctly before attempting to connect them. Do not force parts together.
- **Child not bouncing effectively:** Adjust the chain length to ensure the child's feet can comfortably push off the ground or a mat. The ideal height allows for a slight bend in the knees when standing flat-footed.
- **Missing or damaged parts:** Do not attempt to use the product. Contact FUNLIO customer service immediately for assistance.

## 8. SPECIFICATIONS

Feature	Detail
Product Dimensions (Installed)	62.2 x 47.24 x 61.02 inches (158 x 120 x 155 cm)
Item Model Number	babyjumperset
Target Gender	Unisex
Maximum Weight Recommendation	50 Pounds (22 kg)
