

## INIU I510

# INIU I510 Wireless Earbuds User Manual

## 1. INTRODUCTION

---

This manual provides detailed instructions for the INIU I510 Wireless Earbuds. Please read this manual thoroughly before using the product to ensure proper operation and to maintain the device's longevity. Keep this manual for future reference.

Image 1.1: INIU I510 Wireless Earbuds and Charging Case. The image displays the black charging case with an LED battery indicator showing '100', and one black earbud positioned next to it.

## 2. PACKAGE CONTENTS

---

Verify that all items are present in your package:

- INIU True Wireless Earbuds (1 pair)
- Charging Case (1)
- USB-C Charging Cable (1)

- User Manual (1)
- Quick Start Guide (1)

### 3. PRODUCT OVERVIEW

---

The INIU I510 Wireless Earbuds are designed for comfort and audio performance.

#### 3.1 Earbud Design

Each earbud weighs approximately 3.5 grams, designed for comfortable wear. The semi in-ear design aims to reduce pressure during extended use.

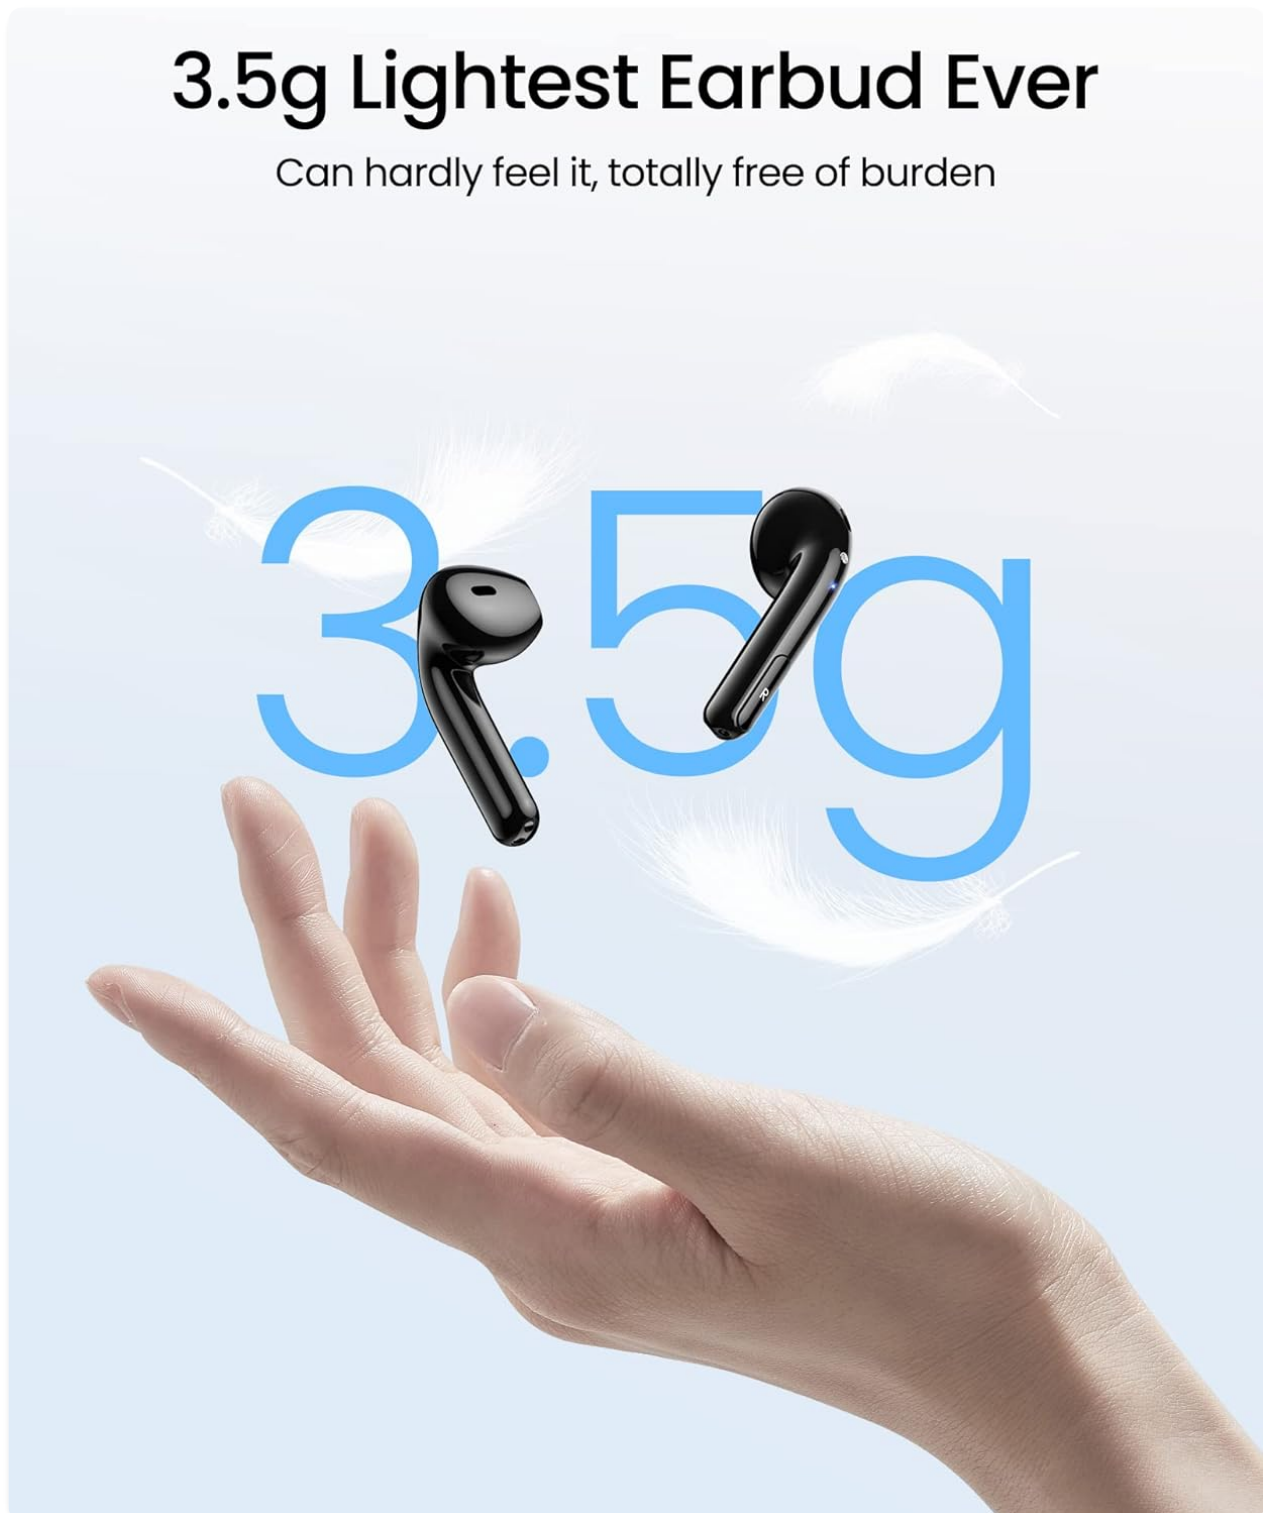

Image 3.1: Lightweight Earbuds. Two black earbuds are shown floating above an open hand, illustrating their light weight. Text on the image indicates '3.5g Lightest Earbud Ever'.

## 3.2 Audio Components

The earbuds feature 13mm speaker drivers with NdFeB magnet diaphragms, contributing to audio reproduction with distinct bass, mid-range, and high frequencies.

# 13mm NdFeB Driver Superior Sound

**Highs**

Crystal Clear

**Mids**

Comfortably Mellow

**LOWS**

Deep Bass

Image 3.2: 13mm NdFeB Driver. An exploded diagram of an earbud driver shows its internal components, highlighting the 13mm size and NdFeB magnet diaphragm for superior sound quality.

## 4. SETUP

### 4.1 Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.

2. Connect the USB-C charging cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The LED display on the charging case will indicate the battery level during charging. A full charge is indicated by '100' on the display.
4. A single charge provides approximately 5 hours of earbud playtime. The charging case extends total playtime to approximately 30 hours.

## 4.2 Bluetooth Pairing

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), navigate to the Bluetooth settings.
4. Search for available devices and select "INIU-510" from the list.
5. Once connected, your device will confirm the pairing.

# No In-ear Pressure and Pain

Image 4.1: Bluetooth Pairing. A smartphone screen displays a successful Bluetooth connection to 'INIU-510', with the charging case and earbuds visible in the foreground.

## 5. OPERATING INSTRUCTIONS

### 5.1 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

### 5.2 Touch Controls

The INIU I510 earbuds feature touch-sensitive controls on each earbud. Refer to the diagram below for specific functions:

Image 5.1: Earbud Touch Controls. A man is shown wearing an earbud, with an overlay illustrating the touch control functions: Double tap for Play/Pause or Answer/Hang up; Hold 3s for Voice Assistant; Hold 2s to Reject a Call; Hold (L) for Previous Song; Hold (R) for Next Song.

- **Play/Pause:** Double-tap either earbud.
- **Next Song:** Hold the right (R) earbud.
- **Previous Song:** Hold the left (L) earbud.
- **Answer/Hang Up Call:** Double-tap either earbud during an incoming call.
- **Reject Call:** Hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Hold either earbud for 3 seconds.

## 6. MAINTENANCE

### 6.1 Cleaning

Regularly clean your earbuds and charging case to ensure optimal performance and hygiene.

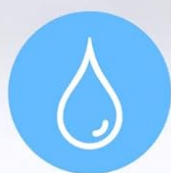

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Do not use abrasive cleaners, solvents, or aerosol sprays.
- Gently clean the charging contacts on both the earbuds and the case with a dry cotton swab if necessary.

### 6.2 Water Resistance

The earbuds are rated IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. This protection is for fresh water only and does not apply to saltwater, chlorinated water, or other liquids. The charging case is not waterproof.

# Oops Resistant

**IPX 7**  
**Waterproof**

Image 6.1: IPX7 Water Resistance. An earbud and charging case are shown near spilled water and ice cubes, illustrating the product's IPX7 waterproof rating.

## 6.3 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage.

## 7. TROUBLESHOOTING

If you encounter issues with your INIU I510 Wireless Earbuds, refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged and out of the case. Turn off Bluetooth on your device, then turn it back on and try pairing again. If issues persist, try resetting the earbuds (refer to the quick start guide for specific reset instructions).
- **Only one earbud working:** Place both earbuds back into the charging case, close the lid, and then

open it again. This often re-syncs them. If not, try re-pairing them with your device.

- **No sound:** Check the volume level on your connected device. Ensure the earbuds are properly paired and connected.
- **Charging issues:** Verify that the USB-C cable is securely connected to both the charging case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- **Uncomfortable fit:** The earbuds feature a semi in-ear design. Adjust their position slightly in your ear to find the most comfortable and secure fit.

## 8. SPECIFICATIONS

| Feature                             | Specification                             |
