

JISULIFE FA26

JISULIFE FA26 Rechargeable 180° Foldable Portable Desk Fan User Manual

Model: FA26

1. INTRODUCTION

Thank you for choosing the JISULIFE FA26 Rechargeable 180° Foldable Portable Desk Fan. This manual provides essential information for the safe and efficient operation, maintenance, and troubleshooting of your device. Please read it thoroughly before use and retain it for future reference.

The JISULIFE FA26 is designed for versatility and convenience, featuring a 180-degree foldable structure, four adjustable airflow speeds, and a long-lasting 4500mAh rechargeable battery. Its compact and lightweight design makes it suitable for various environments, including home, office, travel, and outdoor activities, while operating with minimal noise.

2. PRODUCT OVERVIEW

The JISULIFE FA26 fan is engineered for portability and efficient cooling. Below are key components and features:

- **Fan Blades:** Five blades designed for optimal airflow.
- **Protective Grille:** Front and rear grilles ensure safety during operation.
- **Control Button:** Single button for power on/off and speed adjustment.
- **180° Foldable Stand:** Integrated stand allows for desk placement or hanging.
- **Charging Port:** USB Type-C port for recharging the internal battery.
- **Battery Indicator:** Small LED light to show charging status and battery level.

Figure 2.2: The fan's versatile design allows for use in various settings, including camping.

Figure 2.3: The fan is ideal for desktop use, providing personal cooling.

3. SETUP

Before first use, ensure the fan is fully charged. The fan is designed for immediate use out of the box.

3.1 Initial Charging

- Connect the provided USB Type-C charging cable to the fan's charging port.
- Plug the other end of the cable into a compatible USB power source (e.g., computer, wall adapter, power bank).
- The indicator light will illuminate during charging and change color or turn off when fully charged. A full charge typically takes approximately 5.5 hours.

3.2 Positioning the Fan

The 180° foldable stand allows for flexible positioning:

- **Desktop Use:** Fold out the stand to position the fan upright on any flat surface.
- **Hanging Use:** The stand can also be used as a hook to hang the fan in various locations.

Achieving More Possibilities with JISULIFE FA26

Light Weight and Versatile. Thickness as A Notebook. Free Up More Space for The Desktop

4. OPERATING INSTRUCTIONS

The fan features a simple one-button control for ease of use.

4.1 Power On/Off and Speed Adjustment

- **To Power On:** Press the control button once. The fan will start at Speed 1 (gentle breeze).
- **To Adjust Speed:** Press the control button repeatedly to cycle through the 4 available speeds:
 1. Speed 1: Gentle breeze
 2. Speed 2: Medium wind
 3. Speed 3: Strong wind
 4. Speed 4: Natural wind mode (variable speed for a more natural feel)
- **To Power Off:** After cycling through all 4 speeds, pressing the button one more time will turn the fan off.

Strong Airflow

Powerful blade and motor technology provide maximum air circulation to keep you cool anywhere, anytime

Figure 4.1: The fan offers four speeds for customized comfort.

5. CHARGING THE FAN

The JISULIFE FA26 is equipped with a 4500mAh rechargeable battery, providing extended operation time.

- **Battery Life:** The fan can run for up to 13 hours on a single charge, depending on the speed setting.
- **Charging Time:** A full charge takes approximately 5.5 hours.
- **Charging Port:** Use the provided USB Type-C cable to charge the fan. Note: Some older models or review videos may show a Micro-USB port, but the current model uses USB Type-C as per specifications.
- **Charging Indicator:** A small LED light indicates the charging status. Refer to the specific product packaging or quick start guide for exact light behavior (e.g., red for charging, blue for full).

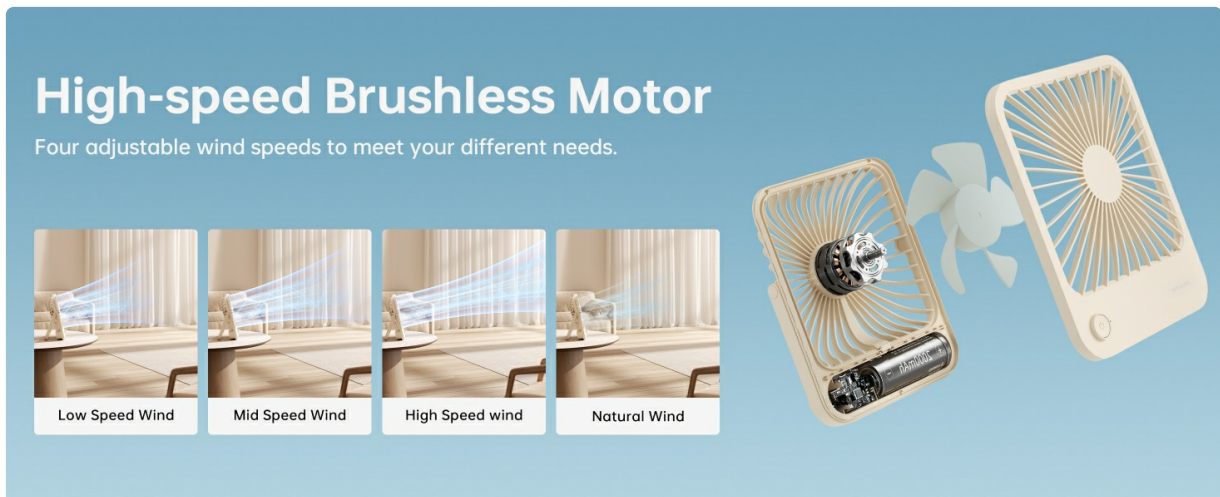

Figure 5.1: The fan features a built-in rechargeable battery for cordless operation.

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your fan.

- **Cleaning:** Use a soft, dry cloth to wipe the exterior of the fan. Do not use abrasive cleaners or immerse the fan in water.
- **Grille Cleaning:** Periodically, use a soft brush or compressed air to gently clean dust from the fan grilles and blades. Ensure the fan is turned off before cleaning.
- **Storage:** When not in use for extended periods, store the fan in a cool, dry place, away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

If you encounter any issues with your JISULIFE FA26 fan, refer to the following troubleshooting guide:

Problem	Possible Cause	Solution
Fan does not turn on	Low battery or no charge	Charge the fan using the provided USB Type-C cable.
Weak airflow	Low battery or fan speed setting is too low	Charge the fan or increase the fan speed by pressing the control button.
Fan makes unusual noise	Obstruction in fan blades or internal issue	Turn off the fan and check for any obstructions. If the issue persists, contact customer support.
Fan not charging	Faulty cable, adapter, or charging port	Try a different USB Type-C cable or power adapter. Ensure the charging port is clean and free of debris.

8. SPECIFICATIONS

Feature	Specification
Brand	JISULIFE
Model Name	FA26
Power Source	Battery Powered
Battery Capacity	4500mAh Lithium Ion (included)
Number of Power Levels	4
Noise Level	40 Decibels
Product Dimensions	1.38"D x 5.31"W x 6.46"H
Item Weight	0.48 Pounds (7.6 ounces)
Special Feature	Foldable, Manual, Portable, Powerful, Rechargeable
Control Method	Touch (Push Button)
Included Components	Desktop Fan, Type-C Charging Cable, Manual
Voltage	5 Volts (DC)
Speed	2750 RPM
