OPERATING AND DISPLAY

Once assembled, the Harry Potter Ollivanders Wand Shop 3D Puzzle serves as a display model. It is not intended for active play that involves frequent manipulation or disassembly.

- **Display Location:** Place the assembled model on a flat, stable surface away from direct sunlight, excessive heat, or moisture.
- **Handling:** When moving the model, support it from the base to prevent structural damage.

MAINTENANCE

Proper care will help preserve the appearance and integrity of your 3D puzzle.

- **Cleaning:** Dust the model gently with a soft, dry cloth or a soft brush. Avoid using liquid cleaners or abrasive materials, as these can damage the paper-based material and printed colors.
- **Storage:** If disassembling for storage, do so carefully, following the reverse of the assembly instructions if possible. Store pieces in their original packaging or a secure container to prevent loss or damage.

TROUBLESHOOTING

Missing or Damaged Pieces:

If you find any pieces are missing or damaged upon opening the package, please contact Asmodee customer support immediately. Refer to the 'Support' section for contact information.

Difficulty Assembling:

Ensure you are following the instruction booklet step-by-step. Sometimes, pieces may require a gentle but firm push to interlock correctly. Double-check the orientation of pieces as shown in the diagrams.

Model Instability:

Verify that all connections are fully engaged and that the base is correctly assembled. Ensure the model is placed on a completely flat surface.
